mourning the loss of someone still alive It is incredibly sad confusing and draining The effects of addiction are rarely limited to the person with the addiction Everyone around is affected in some way and often it is family members or partners forced to pick up the broken pieces make excuses and potentially endure all types of abuse The second hand impact and havoc of addiction are often overlooked and underestimated Are you done with coming second to addiction Are you trapped in the line of fire and tired of being on an emotional rollercoaster Or have you lost sight of your own life in the drama of tending to someone else On the surface *Saving You Is Killing Me Loving Someone* with an Addiction is about navigating the path to freedom and a lifetime of healing resilience and happiness But if you dig deeper it is about creating a life you love seeing your value knowing your worth and being inspired to live a life that is better integrated with the person you are meant to be As a leading voice advancing the science of applied Positive Psychology and the art of well being Andrea Seydel is devoted to sharing the science of resilience and ways to enhance your life even through struggle Trauma and challenges are a fact of life navigating the turmoil of loving someone with an addiction can be extremely damaging Seydel teaches the reader how to struggle well and build resilience *Saving You Is Killing Me Loving Someone* with an Addiction offers new hope for reclaiming your life Seydel provides insights and learning opportunities for self healing recovery and resilience that foster empowerment When you know it s time and are ready to prioritize your well being and safeguard mental health despite someone else s addiction Andrea Seydel s book podcast and community will support you on the journey back to you *Saving You Is Killing Me Loving Someone* with an Addiction is a helpful community to provide light to a dark path so you don t feel alone through this challenge You don t have to do this alone Let s get started on the journey back to you An astonishing amount of information on almost every aspect of resilience When faced with the experience of trauma manipulation codependency and toxic relationships using research interventions and the science of well being the reader can better advocate for their needs and reclaim their lives It s incredible the wealth of knowledge the author has brought together in this book which has a distinctly holistic and compassionate feel Rob Hannely Recovery Today magazine *Before You Give Your Heart Away* Judith Ames David,2011-06-08 *Before You Give Your Heart Away* is a practical guide to understanding how the lack of a positive father figure in childhood impacts all of a daughter s relationships later in life especially with men and greatly distorts the view of the heavenly Father This book ties teaching and personal stories together and can be used for individual reflection or group study The father daughter relationship feelings of self worth compulsive and addictive behaviors teenage pregnancy abortion recovery and abstinence are just a few of the topics discussed *Before You Give Your Heart Away* should not be read quickly and set aside but should be used as a guide on a journey to personal growth and healing **Psychology** ,1929 **American journal of urology and sexology** ,1919 Life in Mind & Conduct Henry Maudsley,1902
