Heartland An Anthology Of Canadian Stories:

Heartland Katheryn Broughton,1983-01-01 From the Heart of the Heartland John Moss,1992 This volume gathers together authors and critics to reappraise the legacy of Sinclair Ross Beyond Ross major novel *As For Me and My House* the contributors reestablish the value of his other writings in their literary and historical contexts Published in English

Canadian Books in Print. Author and Title Index ,1975 *The Journal of Commonwealth Literature* ,1984 **Open Letter** ,1994 *The Failure? of Canadian Literature* Frank Davey,1994 **Canadian Books in Print 2002** Edited by Butler Marian,Marian Butler,2002-02 Containing more than 48000 titles of which approximately 4000 have a 2001 imprint the author and title index is extensively cross referenced It offers a complete directory of Canadian publishers available listing the names and ISBN prefixes as well as the street e mail and web addresses **Canadian Books in Print** ,1996

The Cumulative Book Index ,1984 A world list of books in the English language Canadiana ,1991 **Alice Munro** Carol Mazur,Cathy Moulder,2007-04-23 This bibliography compiled to fill a gap in literary research relating to Munros work covers all of her fictional writing up to 2005 and includes annotations to interviews Munros non fiction writings and hundreds of critical books theses and articles These descriptive annotations coupled with a detailed subject index display the broad range of subject approaches assessments and angles by which her complex deep and multi layered work has been scrutinized by academics journalists writers and critics **"Collecting Stamps Would Have Been More Fun"** Jordan Stouck,David Stouck,2010-07-15 This unique exchange of letters between literary icon Sinclair Ross and several prominent writers publishers agents and editors asks why many Canadian artists especially those in western provinces spent a lifetime struggling for recognition and remuneration Featuring exchanges with Earle Birney Margaret Laurence and Margaret Atwood among others this collection exposes the conditions of cultural work in Canada for much of the twentieth century This vivid often moving selection of professional and personal letters plus the only formal interview Ross ever gave provides a valuable resource for those engaged with the history of publishing in Canada as well as for those with an interest in Canadian literature **A Literary History of the American West** Western Literature Association (U.S.),1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long known to be of historical importance are also experiences that need and deserve a literature of importance "Collecting Stamps Would Have Been More Fun" Sinclair Ross,2010-07-15 The peculiar struggles of Canadian authors are writ large in the letters of Sinclair Ross **As for Sinclair Ross** David Stouck,2005-01-01 Sinclair Ross 1908 1996 best known for his canonical novel *As for Me and My House* 1941 and for such familiar short stories as *The Lamp at Noon* and *The Painted Door* is an elusive figure in Canadian literature A master at portraying the hardships and harsh beauty of the Prairies during the

Great Depression Ross nevertheless received only modest attention from the public during his lifetime His reluctance to give readings or interviews further contributed to this faint public perception of the man In As for Sinclair Ross David Stouck tells the story of a lonely childhood in rural Saskatchewan of a long and unrewarding career in a bank and of many failed attempts to be published and to find an audience The book also tells the story of a man who fell in love with both men and women and who wrote from a position outside any single definition of gender and sexuality Stouck s biography draws on archival records and on insights gathered during an acquaintance late in Ross s life to illuminate this difficult author describing in detail the struggles of a gifted artist living in an inhospitable time and place Stouck argues that when Ross was writing about prairie farmers and small towns he wanted his readers to see the kind of society they were creating to feel uncomfortable with religion as coercive rhetoric prejudices based on race and ethnicity and rigid notions of gender As for Sinclair Ross is the story of a remarkable writer whose works continue to challenge us and are rightly considered classics of Canadian literature
