Hearts Events The Victorian Poetry Of Relationships:

The Heart's Events Patricia M. Ball, 2014-01-13 Dr Ball offers an analysis and evaluation of a number of Victorian long poems and groups of lyrics which trace the course of close personal relationships Her argument is that whereas Romantic treatment of such material was limited the Victorian poets not only made this emotional territory their own but explored it with vigour variety and enterprise and great technical resource This is apparent as Dr Ball shows whether the poets concern themselves with crises such as loss through death In Memoriam Patmore's odes of bereavement or breakdown Modern Love Maud James Lee's Wife or whether they portray the intricate flux of mutual attraction and courtship as in Amours de Voyage The Bothie of Tober-na-Vuolich and The Angel in the House The Heart's Events brings out strongly the experimental vitality and range of Victorian poetry and in particular its sensitive imaginative response to the subtleties of psychological time and change in its records of the inner histories of love

The Cambridge Introduction to Victorian Poetry Linda K. Hughes, 2010-05-20 An overview of British poetry from 1830 to 1901 with a glossary of literary terms and guide to further reading

Victorian Women Poets Virginia Blain, 2014-01-21 There has been a huge revival of interest in Victorian women's poetry in the last ten years and it has led to a major reconfiguration of the English poetic landscape of the nineteenth century This title offers a key selection of poems by 13 Victorian women poets from Christina Rossetti and Felicia Hemans to the witty iconoclastic May Kendall The book starts with a substantial general Introduction which places the work of the poets into a context both historical that of the poems production and modern that of their past and present reception Each poet's work is introduced by an expansive headnote which tells the story of her life and writing career The poems all have full explanatory notes to help readers unfamiliar with the period A Bibliography lists general sources as well as useful further readings Written in an engaging and accessible manner the extensive annotations throughout Victorian Women Poets ensure that this fascinating poetry is enjoyable for undergraduate and non specialist readers

contemporary Irish and British poetry Contains contributions from leading scholars of British and Irish poetry Includes an analysis of the most prominent Irish and British poets Puts contemporary Irish and British poetry in context Written for students and academics of contemporary poetry A Companion to Contemporary British and Irish Poetry 1960 2015 offers a comprehensive review of contemporary poetry from a wide range of diverse contributors Love, Mystery and Misery Coral Ann Howells, 2014-01-13 The current Gothic revival in literature and film encourages us to look again to the earliest Gothic novels written between 1790 and 1820 when Gothic was the most popular kind of fiction in England Dr Howells proposes a radical reassessment of these novels to emphasize their importance as experiments in imaginative writing Her object the study of feeling is central to Gothic for its spell consists in the feelings it arouses and exercises As pseudo historical fantasy Gothic fiction embodies contemporary neuroses especially sexual fears and repressions which run right through it and are basic to its conventions This study traces the effort to articulate these disconcerting emotions in symbol incident landscape and architecture The chronological design suggests developments in Gothic from the initial explorations of Mrs Radcliffe and M G Lewis through the Minerva Press novelists and Jane Austen's Northanger Abbey to new directions taken by C R Maturin in Melmoth the Wanderer and later by Charlotte Brontë whose Jane Eyre arguably the finest of Gothic novels places the earlier experiments in perspective **The Victorian Verse-novel** Stefanie Markovits, 2017 The Victorian Verse Novel Aspiring to Life considers the rise of a hybrid generic form the verse novel in the second half of the nineteenth century Such poems combined epic length with novelistic plots in the attempt to capture not a heroic past but the quotidian present Victorian verse novels also tended to be rough mixed their narrative sections interspersed with shorter lyrical verses in varied measures In flouting the rules of contemporary genre theory which saw poetry as the purview of the eternal and ideal and relegated the everyday to the domain of novelistic prose verse novels proved well suited to upsetting other hierarchies as well including those of gender and class The genre's radical energies often emerge from the competition between lyric and narrative drives between the desire for transcendence and the quest to find meaning in what happens next the unusual marriage plots that structure such poems prove crucibles of these rival forces Generic tensions also yield complex attitudes towards time and space the book's first half considers the temporality of love while its second looks at generic geography through the engagement of novels in verse with Europe and the form's transatlantic travels Both well known verse novels Elizabeth Barrett Browning's Aurora Leigh Arthur Hugh Clough's Amours de Voyage Coventry Patmore's The Angel in the House and lesser known examples are read closely alongside a few nearly related works Tennyson's Idylls of the King Robert Browning's The Ring and the Book An Afterword traces the verse novel's substantial influence on the modernist novel **Alfred Tennyson** Laurence W. Mazzeno, 2004 The poet's reputation has weathered even the most vitriolic attempts to discredit both the man and his writings and as criticism of the late twentieth century demonstrates Tennyson's claim to pre eminence among the Victorians is now unchallenged Thinking about Other People in Nineteenth-Century British Writing

Adela Pinch, 2010-07-08 Nineteenth century life and literature are full of strange accounts that describe the act of one person thinking about another as an ethically problematic sometimes even a dangerously powerful thing to do In this book Adela Pinch explains why when and under what conditions it is possible or desirable to believe that thinking about another person could affect them She explains why nineteenth century British writers poets novelists philosophers psychologists devotees of the occult were both attracted to and repulsed by radical or substantial notions of purely mental relations between persons and why they moralized about the practice of thinking about other people in interesting ways Working at the intersection of literary studies and philosophy this book both sheds new light on a neglected aspect of Victorian literature and thought and explores the consequences of and the value placed on this strand of thinking about thinking **Reader's Guide to Literature in English** Mark Hawkins-Dady, 2012-12-06 Reader's Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study **The Arnoldian**, 1975 The Heart's Events Coral Ann Howells, F. S. Schwarzbach, Geoffrey Tillotson, James Reed, Patricia M. Ball, Penelope Vigar, Sarah Tytler, Stanley Gardner, Various, 2013 The letters collected here comprise an important chapter in the life of Walter Pater's literary career They record in great detail the relations between this Victorian man of letters and his publisher Macmillan and Co Specifically they illustrate how such discussions affected the form as well as the content of his books The book provides a very full illustration and analysis of the crucial influence of the author publisher relationship to literature *Mid-Victorian Studies* Geoffrey Tillotson, Kathleen Tillotson, 2014-01-13 This collection of lectures broadcasts reviews and articles several of which have not previously been published embraces many aspects of the English literary scene in the middle of the nineteenth century Though various in origin the collection has this unity it has been the constant concern of its authors for many years that the great and lasting contribution of the mid Victorian period to our literature should be fully vindicated and its appraisal based upon secure foundations of critical scholarship The book has moreover an obvious connection with the volume on the mid nineteenth century which the Tillotsons are preparing for the Oxford History of English Literature though the items included here are not samples of that history but rather milestones or halting places in the several ways that lead towards it There are important studies of Carlyle John Henry Newman Tennyson Clough Matthew Arnold and George Eliot These however represent only one side of the book's interest for there are accounts of writers famous in their day as Harriett Mozley and Charlotte M Yonge but since the cross currents at work in the period notably *Writers and Readers in 1851* which vividly convey much of the quality of the momentous years in which so many masterpieces were produced At several points indeed the volume demonstrates that the truth about the literature of the nineteenth century in distinction for the most part to that of earlier centuries may be recovered complete Victorian Novelists and Publishers J. Victorian Poetry and Modern Life Natasha Moore, 2015-12-26 Faced with the chaos and banality of modern everyday life a number of Victorian poets sought innovative ways of writing about the unpoetic present in their verse Their varied efforts are recognisably akin not least in their development of mixed verse forms that fused novel and epic to create something equal to the miscellaneousness of the age Love among the Poets Pearl Chaozon Bauer, Erik Gray, 2024-04-16 British literature of the Victorian period has always been celebrated for the quality innovativeness and sheer profusion of its love poetry Every major Victorian poet produced notable poems about love This includes not only canonical figures such as Alfred Lord Tennyson Robert and Elizabeth Barrett Browning and Christina Rossetti but also lesser known poets whose works have only recently become widely recognized and studied such as Augusta Webster and the many often anonymous working class poets whose verses filled the pages of popular periodicals Modern critics have claimed convincingly that love poetry is not just one strain of Victorian poetry among many it is arguably its representative even definitive mode This collection of essays reconsiders the Victorian poetry of love and just as importantly of intimacy a more inclusive term that comprehends not only romance but love for family for God for animals and for language itself Together the essays seek to define a poetics of intimacy that arose during the Victorian period and that continues today a set of poetic structures and strategies by which poets can represent and encode feelings of love There exist many studies of intimate relations especially marriage in Victorian novels But although poetry rivals the novel in the depth and diversity of its treatment of love marriage and intimacy that aspect of Victorian verse has remained underexamined Love among the Poets offers an expansive critical overview With its slate of distinguished contributors including scholars from the US Canada Britain and Australia the volume is a wide ranging account of this vital era of poetry and of its importance for the way we continue to write love and live today *The Voice of Harriet Taylor Mill* Jo Ellen Jacobs, 2002-09-05 *The Voice of Harriet Taylor Mill* is a work about collaboration Harriet s life with her lover friends and members of her family Harriet s joint work with John Stuart Mill and the author s interaction with the reader Jo Ellen Jacobs explores and expands the concept of biography using Salman Rushdie s analogy of history as a process of chutnification She gives Harriet s life shape and form that is to say meaning in a way that will possess the authentic taste of truth In the first chapter the first 30 years of Harriet s life are presented in the format of a first person diary one not actually written by HTM herself The text is based on letters and historical context but the style suggests the intimate experience of reading someone s journal The second chapter continues the chronological account of HTM until her death in 1858 In an interlude between the first and second chapters

Jacobs pauses to explore Harriet's life with John Stuart Mill and in the final chapter she argues persuasively that Harriet and John collaborated extensively on many works including *On Liberty* **Victorian Poetry** Isobel Armstrong, 2002-09-11 In a work that is uniquely comprehensive and theoretically astute Isobel Armstrong rescues Victorian poetry from its longstanding sepia image as a moralised form of romantic verse and unearths its often subversive critique of nineteenth century culture and politics The Art of Love Poetry Erik Irving Gray, 2018 The first study to offer an integral theory of love poetry examining why it is that poetry even more than other arts is so consistently associated with romantic love

Women and Literature in Britain 1800-1900 Joanne Shattock, 2001-08-30 These new essays by leading scholars explore nineteenth century women's writing across a spectrum of genres The book's focus is on women's role in and access to literary culture in the broadest sense as consumers and interpreters as well as practitioners of that culture Individual chapters consider women as journalists editors translators scholars actresses playwrights autobiographers biographers writers for children and religious writers as well as novelists and poets A unique chronology offers a woman centered perspective on literary and historical events and there is a guide to further reading
