Hearts Of Stone:

Legacy of Stone Margaret Hryniuk, Frank Korvemaker, 2008 A spectacular coffee table book featuring the images and stories of some of Saskatchewan's most impressive stone buildings along with historical notes on some of the builders who made them. In words and stunning colour pictures this book tells the history and the current reality of over 50 fieldstone buildings in Saskatchewan. The book includes an introduction by Bernie Flaman, the provincial heritage architect, an historical overview and profiles of several of Saskatchewan's most prominent stone masons. The balance of the book is made up of profiles of the buildings: farmhouses, homes in urban communities, places of worship, public buildings and ruins. Margaret Hryniuk uses her years of journalism experience to present factual yet fascinating profiles of the buildings and what is known of the people who put them there. Larry Easton's spectacular photographs bring these beautiful stone buildings to life and Frank Kovermaker examines the dimensions and differences of the fieldstone that inhabits the Saskatchewan landscape.

Journey of Stones Steven Molin, 2002. This sermon series for Lent and Easter draws on the rich imagery of rocks and stones in scripture. These powerful messages center around the compelling metaphor of stones and our willingness to throw them as representative of our sins. As worshipers enter the sanctuary, they are invited to pick up stones as a concrete symbol of each sermon's theme. Then, as the message concludes, the stones are placed at the foot of the cross. When the stones disappear on Easter, just like the stone sealing Jesus' tomb, it's a vivid illustration of how the Lord also removes our stones of sin. Each chapter includes several thought-provoking discussion questions to spur further reflection. With messages for Ash Wednesday, five weeks of Lent, Maundy Thursday, Good Friday and Easter Sunday, this is an excellent resource for Lenten midweek programming. Molin takes us on a journey of prayerful and honest repentance, a powerful and life-changing journey of celebration of grace, of awe at the miracle of the empty tomb and the promise of life. Pastor Molin is one of the best sermon storytellers I've heard. But each sermon and every story also teaches a biblical text. These sermons are grounded in the living Word of God. From the Foreword: Glenndy L. Sculley, Bishop's Associate, Minneapolis Area Synod, Evangelical Lutheran Church in America. We used the *Journey of Stones* as a Sunday Morning preaching series with some modifications. The book and series was a wonderful way to remind all of us that although we are weighed down with our own sins, as represented by the stones, each week Christ rolled away the stone that separates us from God at the resurrection and took the weight of our sin.

upon Himself He took our burden on Himself and give us new life Thanks for being willing to offer such an inspirational book

Corinthians Paul Barnett,1997-04-17 This excellent commentary on 2 Corinthians by Paul Barnett illumines the historical
background of the church at Corinth and clarifies the meaning of Paul s passionate letter both for those first century
Christians and for the church today Assuming the unity of the letter for which extensive argument is offered Barnett takes
the view that Paul is in particular addressing the issue of triumphalism in Corinth This triumphalism is expressed by the
newly arrived missionaries who portray Paul as inferior to themselves it is also endemic among the Corinthians According to
Barnett the recurring theme of the letter is power in weakness based on the motif of the Resurrection of the Crucified which
lies at the heart of the gospel of Christ Also fundamental to the letter is the theme of fulfillment of the promises of God by
Christ and the Spirit under the New Covenant Written for scholars pastors and lay readers alike this new commentary on 2
Corinthians will be a lasting reference work for those interested in this important section of Scripture **Billboard**
