**Constance Fenimore Woolson: Collected Stories (LOA #327)** Constance Fenimore Woolson, 2020-02-04 A landmark of literary recovery, the first major edition of an overlooked genius who in her lifetime was considered 19th century America's greatest woman writer. In the eyes of her contemporaries, Constance Fenimore Woolson (1840-1894) ranked with George Eliot as one of the two greatest women writers of the English language. She wrote fiction of remarkable intellectual power that outsold those of her male contemporaries, Henry James and William Dean Howells. James enshrined memories of his long, complicated friendship with Woolson in *The Beast in the Jungle* and *The Wings of the Dove*, and more recently Colm Tobin treated the relationship in his novel *The Master But*. Woolson's close association with James and her likely suicide in Venice have tended to overshadow her own literary accomplishments, pigeonholing her as a martyr to the male literary establishment. This volume, the most comprehensive gathering of Woolson's stories to date, represents the culmination of decades of recovery work done by scholars and puts the focus back on the work where it belongs. Set variously in the Great Lakes region, the post-Civil War South, and Europe, Woolson's short stories often concern outsiders of one kind or another: prophets and misfits living in remote landscapes, uneducated coal miners, impoverished spinsters, neglected nuns, a haunted caretaker of the dead, destitute southerners, and female artists driven to extreme behavior as they seek the admiration or approval of established male critics or writers. Woolson's minute realism captures both the social texture of her time and the inner emotional lives of these overlooked and marginalized characters. Most of all, her writings startle us with their simmering intensity, their sensual descriptions of the environment, and refusal to smooth out the ambiguities and tensions that inevitably result from human efforts to communicate and connect. Her fiction is deeply human, resonating with a power across the centuries that makes them remarkably modern for today's readers.

Murder at Chateau sur Mer Alyssa Maxwell, 2018-06-26 For fans of HBO's *The Gilded Age*, explore the dark side of the alluring world of America's 19th-century elite in this gripping series of riveting mysteries. Late nineteenth-century Newport, Rhode Island, is home to some of America's wealthiest citizens. For society reporter Emma Cross, a less well-heeled cousin to the illustrious Vanderbilts, trailing gossip and glamour will lead her straight into murder. Covering a polo match for the *Observer*, Emma's job is to take note of the real players off the field. Newport's well-bred elite is breached when a woman in gaudy clothing creates a scene demanding to speak to the wife of Senator George Wetmore, until she is escorted off the grounds by the police. The next morning, police detective Jesse Whyte asks Emma to meet him at the Wetmores' Bellevue Avenue home, Chateau sur Mer.

where the senator's wife Edith has mysteriously asked to see her. Upon entering the mansion Emma is confronted with a crime scene: the intruder from the polo match lies dead at the foot of a grand staircase. To avoid scandal Edith Wetmore implores Emma to use her reporter skills and her discretion to investigate. When Emma learns the victim was a prostitute and pregnant she wonders if the senator was being blackmailed. As Emma peels back layers of deception and family secrets she may have met her match in a desperate killer who will trample anyone who gets in the way. **Fix-It and Forget-It Slow**
