

An illustration of the biblical story of Elijah. In the center, a man with a beard and a white robe with a red sash stands with his arms outstretched, looking towards a massive, intense fire that fills the upper half of the frame. Below him, a large crowd of people is visible, many with their hands raised in awe or prayer. The scene is dramatic and filled with light from the fire.

The fire of the Lord fell and consumed the burnt offering and the wood and the stones and the dust, and licked up the water that was in the trench... the people saw it, they fell on their faces and said, "The Lord, he is God; the Lord, he is God." ## **Elijah The Last Prophet:**

Israel's Last Prophet David L. Turner, 2015 Jesus words of indictment and judgment in the Gospel according to Matthew have fueled centuries of Christian anti Judaism But what did those words originally mean within Matthews narrative David L Turner examines how Matthew has taken up Deuteronomic themes of prophetic rejection and judgment and woven them throughout the Gospel culminating in Matthew 23 32 Matthew was engaged in a heated intramural dispute with other Jewish groups Turner argues The legacy of Christian anti Jewish violence reflects a gross misunderstanding of Matthew by generations who have failed to recognize the authors worldview and allusions Elijah the Last Prophet Mickey R. Mullen, 2005-04 Mr Mullen uses this his autobiography to explain the gospels of St Matthew and St John predominantly The author goes on to state that the Bible is extremely flawed and that Paul of Acts was in the clutches of Satan from the back cover **The Utah Genealogical and Historical Magazine** Anthon Henrik Lund, 1919 *A Prophet like Moses (Deut 18:15, 18): The Origin, History, and Influence of the Mosaic Prophetic Succession* David DeJong, 2022-09-12 In this book DeJong explores Deuteronomy s redefinition of prophecy in Mosaic terms He traces the history of Deuteronomy s concept of the prophet like Moses from the seventh century BCE to the first century CE and demonstrates the ways in which Jewish and Christian texts were influenced by and responded to Deuteronomy s creation of a Mosaic norm for prophetic claims This wide ranging discussion illuminates the development of normative discourses in Judaism and Christianity and illustrates the far reaching impact of Deuteronomy s thought **Rewriting Biblical History** Jeremy Corley, Harm van Grol, 2011-05-26 Old Testament texts frequently offer a theological view of history This is very evident in the Books of Chronicles and in the final section of Ben Sira Ecclesiasticus Today there is renewed interest in both these works as significant theological and cultural Jewish documents from the centuries before Jesus Both Chronicles and Ben Sira aim to recreate a national identity centered on temple piety Some chapters in this volume consider the portrayal of Israelite kings like David Hezekiah and Josiah while others deal with prophets like Samuel and Elijah **The Prophet Elisha** John Marshall Lowrie, William D. Howard, 1859 **An Examination Into and an Elucidation of the Great Principle of the Mediation and Atonement of Our Lord and Savior Jesus Christ** John Taylor, 1892 **The Oxford Guide to People and Places of the Bible** , Wonder Reborn Thomas Troeger, 2010-07-27 This book explores an issue at the nerve of the long term health of all churches how godly wonder can be reborn through renewed attention to the place of beauty in preaching and worship The book opens with an exploration of the theological and cultural difficulties of defining beauty It traces the church s historical ambivalence about beauty and art and describes how in our own day the concept of beauty has been commercialized and degraded Troeger develops a theologically informed aesthetic that provides a counter cultural vision of beauty flowing from the love of God The book demonstrates how preachers can reclaim the place of beauty in preaching and worship Chapter two employs the concept of midrash to mine the history of congregational song as a resource for sermons

Chapter three introduces methods from musicology for creating sermons on instrumental and choral works and for integrating word and music more effectively Chapter four explores how the close relationship between poetry and prayer can stir the homiletical imagination Each of these chapters includes a selection of the author s sermons illustrating how preachers can use these varied art forms to open a congregation to the beauty of God A final chapter recounts the responses of congregation members to whom the sermons were delivered It uses the insights gained from those experiences to affirm how the human heart hungers for a vision of wonder and beauty that empowers people to live more faithfully in the world
