**Élitist Fascism** Dooeum Chung,2000 A study of the Blueshirts a semi secret organization that existed from 1932 until 1938 that espoused fascist tendencies developed primarily from the Japanese but also from the European model **Elitist Fascism** Chung Dooeum,2017 This title was first published in 2000 In the 1930s an elitist group around Chiang Kaishek looked to fascism as a quick solution to the modernization of China This study favours the view that Chiang Kaishek was confident in his goal to modernize China through an essentially Western method fascism and to use it as an instrument while moulding it into a Confucianist philosophy His ideas were given shape by the Blueshirts in effect an elitist organization within the Guomindang government structure This organization practised the ancient Chinese theory of knowledge and action in order to inspire the Chinese people Provided by publisher Elitist Fascism Chung Dooeum,2017-12-15 This title was first published in 2000 In the 1930s an elitist group around Chiang Kaishek looked to fascism as a quick solution to the modernization of China This study favours the view that Chiang Kaishek was confident in his goal to modernize China through an essentially Western method fascism and to use it as an instrument while moulding it into a Confucianist philosophy His ideas were given shape by the Blueshirts in effect an elitist organization within the Guomindang government structure This organization practised the ancient Chinese theory of knowledge and action in order to inspire the Chinese people Chinese Ideology Shiping Hua,2021-08-16 This book traces ideological trends in China through a range of historical and comparative perspectives spanning the ancient belief systems of Confucianism Legalism and Taoism to political ideologies of the present day Chapters in this edited volume are divided into four parts traditional Chinese ideology ideology of the Republic Maoism as an ideology and post Mao ideology zoning in on specific historical periods from the Qing and Republic periods to the reform era as well as the period after the founding of the PRC through which Mao Zedong s political thought is notably discussed from the perspective of epistemology and the global impact of Maoism Key topics include Sun Yat sen as the Father of the Republic Li Dazhao the early Marxist theoretician Chiang Kai shek and his nationalist Fascism Liang Qichao s emotional appeals through liberal political discourse Jiang Zemin s theory of Three Represents de emphasising the Marxist concept of class Hu Jintao s theory of Harmonious Society and Xi Jinping s political thought Contributions from world leading scholars take both comparative and critical approaches examining not only how studies of ideology are relevant but how Chinese ideologies have retained their own characteristics distinct to the West As the first comprehensive study of this subject in the English language Chinese Ideology will appeal to students and scholars of philosophy political science history and Asian studies more broadly A World History of Political Thought James Babb,2025-02-12 In this revised and improved second edition of A World History of Political Thought the comprehensive comparative analysis of political thought from 600 BC to the present day is given even more depth and context The result is an intriguing and accessible journey through world history and culture Spymaster Frederic Wakeman,2003-06-03

Wakeman's authoritative biography of the ruthlessly powerful man who led the Chinese Secret Service during the violent and tumultuous period after the fall of the Imperial system      Asia First Joyce Mao, 2015-06-09 After Japanese bombs hit Pearl Harbor the American right stood at a crossroads Generally isolationist conservatives needed to forge their own foreign policy agenda if they wanted to remain politically viable When Mao Zedong established the People's Republic of China in 1949 with the Cold War just underway they had a new object of foreign policy and as Joyce Mao reveals in this fascinating new look at twentieth century Pacific affairs that change would provide vital ingredients for American conservatism as we know it today Mao explores the deep resonance American conservatives felt with the defeat of Chiang Kai Shek and his exile to Taiwan which they lamented as the loss of China to communism and the corrosion of traditional values In response they fomented aggressive anti communist positions that urged greater action in the Pacific a policy known as Asia First While this policy would do nothing to oust the communists from China it was powerfully effective at home Asia First provided American conservatives a set of ideals American sovereignty selective military intervention strident anti communism and the promotion of a technological defense state that would bring them into the global era with the positions that are now their hallmark

Shanghai Sanctuary Bei Gao, 2013-02-14 This book assesses the plight of the European Jewish refugees who fled to Japanese occupied China during the Second World War It examines the Nationalist government's policy towards the Jewish refugee issue and the most thorough and subtle analysis of Japanese diplomacy concerning this matter The story of the wartime Shanghai Jews is not merely a side bar to the history of modern China or modern Japan It is a story that illuminates how the Jewish issue complicated the relationships among China Japan Germany and the United States before and during World War Two Both the Chinese Nationalist government and the Japanese occupation authorities thought very carefully about the Shanghai Jews and how they could be used to win international financial and political support in their war against one another Thus the Holocaust had complicated repercussions that extended far beyond Europe The diaspora of Jews to East Asia in the era of the Second World War is a rich and complex story that deserves our attention as well Firmly grounded in archival sources from the People's Republic of China Taiwan Japan the United States Britain and Israel this book is comparative and transnational in scope and makes an important contribution to the international history of the period

Paths to Development in Asia Tuong Vu, 2010-03-22 Why have some states in the developing world been more successful at facilitating industrialization than others Challenging theories that privilege industrial policy and colonial legacies this book focuses on state structure and the politics of state formation arguing that a cohesive state structure is as important to developmental success as effective industrial policy Based on a comparison of six Asian cases including both capitalist and socialist states with varying structural cohesion Tuong Vu proves that it is state formation politics rather than colonial legacies that have had decisive and lasting impacts on the structures of emerging states His cross national comparison of South Korea Vietnam Republican and Maoist China and Sukarno's and Suharto's Indonesia which is augmented by in depth

analyses of state formation processes in Vietnam and Indonesia is an important contribution to understanding the dynamics of state formation and economic development in Asia      **Encyclopedia of Chinese History** Michael Dillon,2016-12-01

China has become accessible to the west in the last twenty years in a way that was not possible in the previous thirty The number of westerners travelling to China to study for business or for tourism has increased dramatically and there has been a corresponding increase in interest in Chinese culture society and economy and increasing coverage of contemporary China in the media Our understanding of China s history has also been evolving The study of history in the People s Republic of China during the Mao Zedong period was strictly regulated and primary sources were rarely available to westerners or even to most Chinese historians Now that the Chinese archives are open to researchers there is a growing body of academic expertise on history in China that is open to western analysis and historical methods This has in many ways changed the way that Chinese history particularly the modern period is viewed The Encyclopedia of Chinese History covers the entire span of Chinese history from the period known primarily through archaeology to the present day Treating Chinese history in the broadest sense the Encyclopedia includes coverage of the frontier regions of Manchuria Mongolia Xinjiang and Tibet that have played such an important role in the history of China Proper and will also include material on Taiwan and on the Chinese diaspora In A Z format with entries written by experts in the field of Chinese Studies the Encyclopedia will be an invaluable resource for students of Chinese history politics and culture      **American Legal Education Abroad** Susan

Bartie,David Sandomierski,2021-07-06 A critical history of the Americanization of legal education in fourteen countries The second half of the twentieth century witnessed the export of American power both hard and soft throughout the world What role did US cultural and economic imperialism play in legal education American Legal Education Abroad offers an unprecedented and surprising picture of the history of legal education in fourteen countries beyond the United States Each study in this book represents a critical history of the Americanization of legal education reexamining prevailing narratives of exportation transplantation and imperialism Collectively these studies challenge the conventional wisdom that American ideas and practices have dominated globally Editors Susan Bartie and David Sandomierski and their contributors suggest that to understand legal education and to respond thoughtfully to the mounting present day challenges it is essential to look beyond a particular region and consider not only the ideas behind legal education but also the broader historical political and cultural factors that have shaped them American Legal Education Abroad begins with an important foundational history by leading Harvard Law School historian Bruce Kimball who explains the factors that created a transportable American legal model and the book concludes with reflections from two prominent American law professors Susan Carle and Bob Gordon whose observations on recent disruptions within US law schools suggest that their influence within the global order of legal education may soon fall into further decline This book should be considered an invaluable resource for anyone in the field of law      Sino-Italian Political and Economic Relations Orazio Coco,2024-02-14 This book presents a comprehensive narrative

and historical analysis of the political and economic relations between China and Italy from the Treaty of Friendship and Commerce signed in October 1866 to the Second World War Utilizing primary sources found in public and private archives the volume acknowledges the relevance of eminent figures and their roles and contributions in developing the relations between Italy and China It provides an extensive presentation of the close relations between the Chinese nationalist and Italian fascist regimes and their interaction in the interwar period The Italian and Chinese governments had a prolonged political and economic dialogue which lasted for almost a decade and involved the active mediation of politicians economists academics and professionals at different levels and in diverse fields International historiography mostly neglects the relevance of this period in broader historical contexts This work overcomes the unjustified oversight and examines with reliable primary sources the relevance of this extraordinary season of international relations With a valuable exploration of a wealth of sources this book provides a new opportunity of reflection for scholars and students interested in Sino European relations and international history

**Building a New China in Cinema** Laikwan Pang,2002 Building a New China in Cinema introduces English readers for the first time to one of the most exciting left wing cinema traditions in the world This unique book explores the history ideology and aesthetics of China s left wing cinema movement a quixotic film culture that was as political as commercial as militant as sensationalist Originating in the 1930s it marked the first systematic intellectual involvement in Chinese cinema In this era of turmoil and idealism the movement s films were characterized by fantasies of heroism intertwined with the inescapable spell of impotency thus exposing the contradictions of the filmmakers underlying ideology as their political and artistic agendas alternately fought against or catered to the taste and viewing habits of a popular audience Political cinema became a commercially successful industry resulting in a film culture that has never been replicated Drawing on detailed archival research Pang demonstrates that this cinema movement was a product of the era s social economic and political discourses The author offers a close analysis of many rarely seen films richly illustrated with over eighty stills collected from the Beijing Film Archive With its original conceptual approach and rich use of primary sources this book will be of interest not only to scholars and fans of Chinese cinema but to those who study the relationship between cinema and modernity

*Individual Choice and State-Led Nationalist Mobilization in China* Wen Zha,2015-05-11 This book presents a comparative historical analysis of state led nationalist movements in Chinese history which counters current claims that popular nationalism in present day China is strong enough to sustain costly expansionist wars Popular nationalism in China has been on the rise since the early 1990s to the concern of many observers Some have even asked whether China will become another Germany A comparative historical analysis of pre war and wartime nationalist mobilization helps us better understand how individuals formulate their opinions under extreme conditions It concludes that the public s weak perception of foreign threats taken together with pro minority domestic institutions may significantly undermine the state s efforts at nationalist mobilization

and thus limit its capability to pursue external expansion or other strategic goals      **The Chinese Fetish** Sean Aaron Metzger,2005      1931 Y F Johnson History Storyteller History Storyteller      **The British National Bibliography** Arthur James Wells,2001      **The Life and Death of Adolf Hitler** James Cross Giblin,2002  
Traces Hitler s life from his childhood in Austria to his final days in Berlin exploring how his promises of prosperity and power along with anti Semitic rhetoric allowed him to lead the nation of Germany into World War II      **The Last Empress** Hannah Pakula,2009-11-03 With the beautiful powerful and sexy Madame Chiang Kai shek at the center of one of the great dramas of the twentieth century this is the story of the founding of modern China starting with a revolution that swept away more than 2 000 years of monarchy followed by World War II and ending in the eventual loss to the Communists and exile in Taiwan An epic historical tapestry this wonderfully wrought narrative brings to life what Americans should know about China the superpower we are inextricably linked with the way its people think and their code of behavior both vastly different from our own The story revolves around this fascinating woman and her family her father a peasant who raised himself into Shanghai society and sent his daughters to college in America in a day when Chinese women were kept purposefully uneducated her mother an unlikely Methodist from the Mandarin class her husband a military leader and dogmatic warlord her sisters one married to Sun Yat sen the George Washington of China the other to a seventy fifth lineal descendant of Confucius and her older brother a financial genius This was the Soong family which along with their partners in marriage was largely responsible for dragging China into the twentieth century Brilliantly narrated this fierce and bloody drama also includes U S Army General Joseph Stilwell Claire Chennault head of the Flying Tigers Communist leaders Mao Tse tung and Chou En lai murderous warlords journalists Henry Luce Theodore White and Edgar Snow and the unfortunate State Department officials who would be purged for predicting correctly the Communist victory in the Chinese Civil War As the representative of an Eastern ally in the West Madame Chiang was befriended before being rejected by the Roosevelts stayed in the White House for long periods during World War II and charmed the U S Congress into giving China billions of dollars Although she was dubbed the Dragon Lady in some quarters she was an icon to her people and is certainly one of the most remarkable women of the twentieth century
