Elizabeth First:

The First Elizabeth Carolly Erickson, 2024-06-04 A vivid and eminently readable portrait of history's favorite Tudor The New York Times Book Review In this remarkable biography Carolly Erickson brings Elizabeth I to life and allows us to see her as a living breathing elegant flirtatious diplomatic violent arrogant and outrageous woman who commands our attention fascination and awe With her acclaimed writing skill Carolly Erickson electrifies the senses as she evokes with total fidelity the brilliant colors of Elizabethan clothing and jewelry the texture of tapestries and even the close perfumed air of castle rooms Erickson demonstrates her extraordinary ability to discern and bring to life psychological and physical reality of England's Golden Age A masterpiece of narrative a story so absorbing it is as hard to put down as a fine novel Edward M White Los Angeles Times Book Review Even more readable and absorbing than the justly praised works of Tuchman and Fraser Philadelphia Inquirer Carolly Erickson is a great interpreter of history She's likely to be the Barbara Tuchman of her generation David Herlihy Charles Lea Professor of History Harvard University

Networking the Nation Alison Chapman, 2015-07-16 How did nineteenth century women's poetry shift from the poetess poetry of lyric effusion and hyper femininity to the muscular epic of Elizabeth Barrett Browning's Aurora Leigh Networking the Nation re-writes women's poetic traditions by demonstrating the debt that Barrett Browning's revolutionary poetics owed to a circle of American and British women poets living in Florence and campaigning in their poetry and in their salons for Italian Unification These women poets Isa Blagden Elizabeth Kinney Eliza Ogilvy and Theodosia Garrow Trollope formed with Barrett Browning a network of poetry sociability and politics which was devoted to the mission of campaigning for Italy as an independent nation state In their poetic experiments with the active lyric voice in their forging of a transnational persona through the periodical press in their salons and spiritualist's dances the women poets formed a network that attempted to assert and perform an independent unified Italy in their work

Networking the Nation maps the careers of these expatriate women poets who were based in Florence in the key years of Risorgimento politics racing their transnational social and print communities and the problematic but schismatic shift in their poetry from the conventional sphere of the poetess In the fraught and thrilling engagement with their adopted nation s revolutionary turmoil and in their experiments with different types of writing agency the women poets in this book offer revolutions of other kinds revolutions of women s poetry and the very act of writing

The History of England David Hume,1825 **Elizabeth's Bedfellows** Anna Whitelock,2013-05-23 Elizabeth I acceded to the throne in 1558 restoring the Protestant faith to England At the heart of the new queen s court lay Elizabeth s bedchamber closely guarded by the favoured women who helped her dress looked after her jewels and shared her bed Elizabeth s private life was of public political concern Her bedfellows were witnesses to the face and body beneath the make up and elaborate clothes as well as to rumoured illicit dalliances with such figures as Robert Dudley Their presence was for security as well as propriety as the kingdom was haunted by fears of assassination plots and other Catholic subterfuge For such was the significance of the queen s body it represented the very state itself This riveting revealing history of the politics of intimacy uncovers the feminized world of the Elizabethan court Between the scandal and intrigue the women who attended the queen were the guardians of the truth about her health chastity and fertility Their stories offer extraordinary insight into the daily life of the Elizabethans the fragility of royal favour and the price of disloyalty

Midnight Rambles David J. Goodwin,2023-11-07 A micro biography of horror fiction s most influential author and his love hate relationship with New York City By the end of his life and near financial ruin pulp horror writer Howard Phillips Lovecraft resigned himself to the likelihood that his writing would be forgotten Today Lovecraft stands alongside J R R Tolkien as the most influential genre writer of the twentieth century His reputation as an unreformed racist and bigot however leaves readers to grapple with his legacy Midnight Rambles explores Lovecraft s time in New York City a crucial yet often overlooked chapter in his life that shaped his literary career and the inextricable racism in his work Initially New York stood as a place of liberation for Lovecraft During the brief period between

1924 and 1926 when he lived there Lovecraft joined a creative community and experimented with bohemian living in the publishing and cultural capital of the United States He also married fellow writer Sonia H Greene a Ukrainian Jewish migr in the fashion industry However cascading personal setbacks and his own professional ineptitude soured him on New York As Lovecraft became more frustrated his xenophobia and racism became more pronounced New York s large immigrant population and minority communities disgusted him and this mindset soon became evident in his writing Many of his stories from this era are infused with racial and ethnic stereotypes and nativist themes most notably his overtly racist short story The Horror at Red Hook set in Red Hook Brooklyn His personal letters reveal an even darker bigotry Author David J Goodwin presents a chronological micro biography of Lovecraft s New York years emphasizing Lovecraft s exploration of the city environment the greater metropolitan region and other locales and how they molded him as a writer and as an individual Drawing from primary sources letters memoirs and published personal reflections and secondary sources biographies and scholarship Midnight Rambles develops a portrait of a talented and troubled author and offers insights into his unsettling beliefs on race ethnicity and immigration
