## **Elizabeth Taylor Her Life Her Loves Her Future:**

**Elizabeth Taylor** Susan Smith, 2019-07-25 Elizabeth Taylor was one of the major film stars of the twentieth century embodying all the glamour and allure of Hollywood stardom Yet her achievements as an actress have often been overshadowed by her beauty and tumultuous life off screen To redress this imbalance Susan Smith offers an illuminating study of Elizabeth Taylor's work in film exploring her fascinating trajectory from child to adult star Smith reveals the influence that Taylor's early work exerted over her later career and the ways in which her on screen identity is profoundly rooted in her association with animals and nature Smith carefully unpicks what made Taylor such a distinctive and dynamic on screen performer from the expressive use she made of her eyes to the dramatic significance of her voice and considers the importance of certain professional collaborations that Taylor forged during her career most notably her acting partnership with Montgomery Clift

**Elizabeth Taylor** Gloria Shin, 2022-12-13 In Elizabeth Taylor Icon of American Empire Gloria Shin contends that the eponymous movie star is a model of postcolonial whiteness as her tenure as the most beautiful and famous woman in the world coincides with the era of postcolonialism in the 1950s and 1960s Taylor is examined through a series of overlapping readings as the Mistress in a cycle of Hollywood plantation films in the 1950s via her extra cinematic image as an exoticized jet setting wanton seductress in the 1960s through her repatriation to the U S and the election of her pro military husband to the U S Senate in the 1970s and her evolution as a relentless AIDS activist in the 1980s Across these interpretative frames Taylor emerges as the figuration who performs the vast possibilities open to postcolonial whites for mobility pleasure and political agency while operating without the burdens of race that allows her stardom to be symbolic of American Empire at the apex of its power

**The Richard Burton Diaries** Richard Burton, 2012-10-15 The irresistible candid diaries of Richard Burton published in their entirety Just great fun and written out of an engaging often comical bewilderment How did a poor Welshman become not only a star but a player on the world stage that was Elizabeth Taylor's fame Hilton Als New Yorker com Of real interest is that Burton was almost as good a writer as an actor read as many as three books a day haunted bookstores in every city he set foot in bought countless books on every conceivable subject and evaluated them rather shrewdly Apt writing abounds John Simon New York Times Book Review Irresistibly magnetic on stage mesmerizing in movies seven times an Academy Award nominee Richard Burton rose from humble beginnings in Wales to become Hollywood's most highly paid actor and one of England's most admired Shakespearean performers His epic romance with Elizabeth Taylor his legendary drinking and story telling his dazzling purchases enormous diamonds a jet homes on several continents and his enormous talent kept him constantly in the public eye Yet the man behind the celebrity facade carried a surprising burden of insecurity and struggled with the peculiar challenges of a life lived largely in the spotlight This volume publishes Burton's extensive personal diaries in their entirety for the first time His writings encompass many years from 1939 when he was still a teenager to 1983 the year before his death and they reveal him in his most private moments

pondering his triumphs and demons his loves and his heartbreaks The diary entries appear in their original sequence with annotations to clarify people places books and events Burton mentions From these hand written pages emerges a multi dimensional man no mere flashy celebrity While Burton touched shoulders with shining lights among them Olivia de Havilland John Gielgud Claire Bloom Laurence Olivier John Huston Dylan Thomas and Edward Albee he also played the real life roles of supportive family man father husband and highly intelligent observer His diaries offer a rare and fresh perspective on his own life and career and on the glamorous decades of the mid twentieth century Elizabeth Taylor Kitty Kelley,2011-04-15 Shimmering in blue sequins and periwinkle eye shadow Elizabeth Taylor strode onto the stage of the Mark Hellinger Theater to present the 1981 Antoinette Perry Award for Broadway s best musical As she started to speak the entire audience suddenly rose to give her a standing ovation Wildly cheering the crowd paid homage to the woman whose beauty had for so long enchanted the America Now ripe and opulent at forty nine she no longer looked like the little girl who had ridden to glory in National Velvet but the audience did not care She could still bestow a touch of magic from the preface This biography of Elizabeth Taylor tells her story as no other can Drawing on extensive reporting and interviews Kitty Kelley s classic portrait follows the rise fall and rebirth of the woman who was perhaps Hollywood s brightest star Now with a new Afterword by the author this is the definitive record of Elizabeth Taylor s fascinating life *Furious Love* Sam Kashner,Nancy Schoenberger,2013-02-18 A tough Welshman he was softened by the affections of a breathtakingly beautiful woman she was a modern day Cleopatra madly in love with her own Mark Antony For quarter of a century Elizabeth Taylor and Richard Burton were the king and queen of Hollywood Yet their two marriages to each other represented much more than outlandish romance Together Elizabeth and Richard were a fascinating embodiment of the mores and transgressions of their time and even luminaries like Jacqueline Kennedy looked to them as a barometer of the culture The enduring glamour grandeur drama and bravado embodied in the couple gave rise to the type of rabid gossip and wide eyed adoration that are the staples of today s media Using brand new research and interviews including unique access to Taylor herself the Burton family and Taylor s extensive personal correspondence this ultimate celebrity biography is the gripping real life story of a fairy tale couple whose lives were even grander and more outrageous than the epic films they made Erotic Vagrancy Roger Lewis,2023-10-26 One of the very best biographies I have ever read STEPHEN FRY A hot thunderstorm of a book DAVID HARE Erotic Vagrancy gave me a week of pure joy CRAIG BROWN Unputdownable TONY PALMER A genius writer LYNN BARBER I ve never read anything like it RICHARD E GRANT Richard Burton and Elizabeth Taylor were a Sixties supercharged couple in an era of supercharged couples As a pairing they were fantasy figures impossibly desirable Liz supple and soft in perfumes and furs yet with something demonic and lethal about her Dick in turn with his ravaged handsome face looked as though lit by silver moonlight poised to turn into a wolf Roger Lewis uses this glamorous and damaged pair as the starting point to tell the story of an age of excess the freaks and groupies the private jets and jewels and

the yachts sailing in an azure sea the magnificent bad taste and greed It is about the clash of worlds the filth and decay of South Wales and the grandeur and elegance of Old Hollywood the fantasies we have about film stars and the fantasies the Burtons had about each other *Elizabeth and Monty* Charles Casillo, 2021-05-25 Violet eyed siren Elizabeth Taylor and classically handsome Montgomery Clift were the most gorgeous screen couple of their time Over two decades of friendship they made separately and together some of the era's defining movies including *Cat on a Hot Tin Roof* *The Misfits* *Suddenly Last Summer* and *Cleopatra* Yet the relationship between these two figures one a dazzling larger than life star the other hugely talented yet fatally troubled has never truly been explored until now *Monty Elizabeth* likes me but she loves you Richard Burton When Elizabeth Taylor was cast opposite Montgomery Clift in *A Place in the Sun* he was already a movie idol with a natural sensitivity that set him apart At seventeen Elizabeth was known for her ravishing beauty rather than her talent Directors treated her like a glamorous prop But Monty took her seriously inspiring and encouraging her In her words That's when I began to act To Monty she was Bessie Mae a name he coined for her earthy private side The press clamored for a wedding convinced this was more than friendship The truth was even more complex Monty was drawn to women but sexually attracted to men a fact that if made public would destroy his career But he found acceptance and kinship with Elizabeth Her devotion was never clearer than after his devastating car crash near her Hollywood home when she crawled into the wreckage and saved him from choking Monty's accident shattered his face and left him in constant pain As he sank into alcoholism and addiction Elizabeth used her power to keep him working In turn through scandals and multiple marriages he was her constant Their relationship endured until his death in 1966 right before he was to star with her in *Reflections in a Golden Eye* His influence continued in her outspoken support for the gay community especially during the AIDS crisis Far more than the story of two icons this is a unique and extraordinary love story that shines new light on both stars revealing their triumphs demons and the loyalty that united them to the end Casillo weaves an engrossing story about the intertwined lives of his subjects the parallel worlds of privilege that they came from the personal misfortunes that each suffered and the seemingly inextricable path that led to that fateful night The author approaches them both with sympathy and comes away with a melodrama as good as any that they ever starred in The New York Times In a riveting new book that brings Hollywood's golden age to life with colorful well researched details and interviews with stars who knew Taylor and Clift Casillo explores the intense bond the two shared *People Magazine* *Elizabeth Taylor* David Bret, 2011-05-09 From her fairytale childhood to her impressive array of movies and marriages Elizabeth Taylor's life both on and off the screen has enchanted saddened appalled and entertained us for the past seven decades Elizabeth Taylor The Lady The Lover The Legend the first new biography to be published following her death strips away the Hollywood veneer to reveal the woman as she really was Through his incredible depth of knowledge biographer David Bret sheds new light on the Elizabeth Taylor we thought we knew her feud with Louis B Mayer her friendship with Montgomery Clift the abuse she suffered at the hands of Nicky Hilton
