Sheepeater Joseph Dorris, 2018-04-07 It is the early 1860s and twelve year old Erik Larson and his Swedish family are headed west in a wagon train from Minnesota to find a valley in pre Idaho Territory The family holds high hopes that their new home will provide the happiness they seek that is until a deadly illness strikes When Erik's own mother becomes ill the wagon master decides to push ahead intent on outracing a blizzard Unfortunately winter arrives with a vengeance and with his sister far ahead in another wagon Erik is stranded with his parents After his father experiences a fatal fall Erik and his mother face a brutal winter alone on the windswept prairie Erik is convinced that to survive he must seek help from the Sheepeater Indians After he meets the Sheepeaters he deals with prejudice and life threatening danger and begins to question everything he's ever believed Without the skills to hunt or fish Erik must confront an agonizing choice either perish or abandon everything and become a member of the Sheepeaters A poignant partnership soon unfolds between the Native Americans and a white man who has just one dream to reunite with his sister

Soul Hunters Rane Willerslev, 2007-08-24 This is an insightful highly original ethnographic interpretation of the hunting life of the Yukaghirs a little known group of indigenous people in the Upper Kolyma region of northeastern Siberia Basing his study on firsthand experience with Yukaghir hunters Rane Willerslev focuses on the practical implications of living in a hall of mirrors world one inhabited by humans animals and spirits all of whom are understood to be endless mimetic doubles of one another

In this world human beings inhabit a betwixt and between state in which their souls are both substance and nonsubstance both body and soul both their own individual selves and reincarnated others Hunters are thus both human and the animals they imitate which forces them to steer a complicated course between the ability to transcend difference and the necessity of maintaining identity Field & Stream ,1982-10 FIELD STREAM America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations *Seeing the Dead, Talking with Spirits* Alexandra Leclere,2005-09-20 Recounts one woman s discovery of her ability to heal through contact with spirits and reveals how others can awaken this same gift in their own lives Explains how reconnecting with our inner sense of joy is the first step in healing Shows how to rid our life of the traumas from the past that hinder our spiritual development including unresolved traumas from past lives Provides a roadmap that others can use for rediscovering their own connections to the spirit world Like many others who have discovered that they have a healing vocation Alexandra Leclere began meeting with other healers and shamans to learn how to put her gift to use At one of these gatherings she was shocked to find that she was the only one who could see the spirit of a deceased woman that was being honored there a sign that marked the beginning of a remarkable adventure that taught her how to use her gift for healing herself and others Despite the extraordinary powers of clairsentience and clairvoyance revealed to her through her work with the spirit world Alexandra Leclere shows that the greatest gift she has received since her shamanic awakening is the ability to experience unconditional joy Often the pain caused by unresolved psychological traumas from the past including past lives is the key obstacle restricting access to the powers offered by the spirits The first step in healing requires reconnecting with the joy that resides within us Once this connection has been established we are all capable of restoring our connection to the spirit world Alexandra Leclere s story provides a roadmap for finding our way back **The Trail of the Seneca** James A. Braden,2023-09-26 The Trail of the Seneca by James A Braden is a captivating historical novel that delves into the tumultuous period of American history during the French and Indian War This gripping narrative unfolds in the midst of conflict where Native American tribes European colonists and the British Empire collide in a struggle for control over the vast territories of North America At the heart of the story is the Seneca tribe one of the six nations of the Iroquois Confederacy The novel explores the lives of several key characters within the Seneca community each of whom plays a vital role in the tribe s survival and decision making during these turbulent times As the war escalates alliances are formed and broken and the characters are thrust into a world of political intrigue danger and uncertainty Readers are immersed in the cultural and political dynamics of the Native American tribes the strategies and motivations of the European colonists and the larger geopolitical context of the French and Indian War Throughout the novel themes of loyalty honor and the clash of cultures are prominent Characters are faced with difficult choices that test their allegiances and force them to confront the complexities of war and diplomacy The story also highlights

the resilience and strength of the Seneca people as they adapt to the changing world around them James A Braden s meticulous research and vivid storytelling bring this historical period to life offering readers a rich tapestry of characters and events that shaped the course of American history The Trail of the Seneca is a compelling exploration of a lesser known aspect of the French and Indian War providing a fresh perspective on a pivotal era in North American history **Travels in the Greater Yellowstone** Jack Turner,2009-05-12 Award winning nature writer Jack Turner directs his attention to one of America s greatest natural treasures the Greater Yellowstone Ecosystem Comprised of two national parks three national wildlife refuges parts of six national forests and eleven wilderness areas Greater Yellowstone is a vast array of differing environments and geographies In a series of essays Turner explores this wonderland venturing on twelve separate trips in all seasons using various modes of travel hiking climbing skiing canoeing lakes floating rivers and driving his way across the landscape He treks down the Teton Range picks up the Oregon Trail in the Red Desert and floats the South Fork of the Snake River Along the way he encounters a variety of wildlife moose elk trout and wolves From the treacherous mountains in the dead of winter to lush river valleys in the height of fishing season his words and steps trace one of the most American of experiences exploring the West Turner who has lived in Grand Teton for three decades designates Greater Yellowstone as ground zero for the country s conflict between preservation and development At a time when the battle to preserve a wild and natural environment is relentless his accounts of the areas conflicts with alien species logging real estate oil and gas development are alarming A mixture of adventure nostalgia and Americana Turner s rare experiences and evocative writing transform the sights and sounds of Greater Yellowstone into an intimate narrative of travel through America s most beloved lands Praise for Teewinot Bursting with a sense of place a rewarding reading experience replete with ravishing observations of nature Publishers Weekly a measured luxuriance in the landscape a love song to the natural history of a place Turner s writing is muscular never swaggering and almost lyrical summoning a Teton Range in its rightful sublime austerity Kirkus Reviews Teewinot is a rare book The wonderful accounts of mountaineering serve as armature not only for Turner s meditative reverence for the Grand Tetons and his often evocative prose but also for an uncommon density of knowledge of place Peter Matthiessen author of Tigers in the Snow This is simply stated a wonderful and utterly engaging book Jim Harrison author of Dalva and The Road Home Each place must find its muse The Tetons have found theirs and his name is Jack Turner Terry Tempest Williams author of Coyote s Canyon **Times of Trouble** Cliff Ball,2012-02-04 Book 2 of 7 of the Christian fiction series The End Times Saga FBI Agent Brian Atwood is used to danger and when he hunts down leads to a terrorist plot and saves a U S Airbase he s eventually offered a position to be the personal bodyguard of the President of the United States The job not only tests his skills as an agent but also his faith as a Christian when he discovers that the President has the morals of an alley cat As Brian tries to come to terms with doing his job and having to look the other way his world begins to crumble His wife is dying of cancer and his son was taken away by the government because he has Down
