Gene Anderson Donna Faye Anderson, This book reveals Gene Anderson a Spirit led champion as he related to people through God s perspective Genuine and approachable with determination and incredible mental and physical tenacity he unreservedly embraced both awesome adventures and heartbreaking di culties with zeal and grace During the 1952 year end meeting of the Burma Seventh day Adventist Union in Rangoon the chairman stated We have had workers in lower Burma for years but never have we sent anyone to upper Burma He continued with Is there someone here who feels a burden to take our message to this remote region Gene immediately rose to his feet I am willing to go he said if this meets with the committee s approval and if the Lord wills it Sitting beside Gene was Elder Robert Pierson division president who responded to him Brother Anderson you have before you the greatest challenge open to anyone in the Southern Asia Division today Some have described Gene Anderson as fatherless homeless and penniless in his foundational years Outwardly this seemed to be an accurate analysis but it did not recognize the character qualities of this remarkable man Instead of being bound by his early misfortunes he consistently followed the promptings of the Holy Spirit and sought the wisdom of godly mentors His daily appointments with God were the source of his strength for each day s work Gene Anderson Trailblazer to Tedim draws us into the Andersons incredibly challenging life as pioneers in Burma At the same time Donna Faye reveals their personal and home life reminding us that missionaries are ordinary people with an extraordinary God who just might use us too for the frontiers of unreached people groups that still remain Scott Griswold former missionary to Cambodia and Thailand directs Reach the World Next Door with ASAP Ministries

If I Were the Devil George R. Knight, 2007

In some parts of the world it seems the Seventh day Adventist Church is in danger of settling down into a social club That is unless it remembers its mission With growing secularization disorientation and institutionalism how can the church maintain its identity How is the church to function considering it was founded on the belief that time is short yet time keeps going on Not just for church administrators and academics this is a call to duty to all church members a call to become a church alive with passion and purpose Let these pages reinvigorate you with fresh thoughts about the Adventist mission and how to accomplish it Because the world doesn t need another social club It needs to hear God s message
