# Ellipsis Functional Heads Licensing And Identification

**Anne Lobeck**

## **Ellipsis Functional Heads Licensing And Identification:**

**Ellipsis** Anne Lobeck, 1995-06-22 This book elaborates a theory of ellipsis that sheds new light on a well known phenomenon bringing it under the aegis of general and universal principles Lobeck argues that ellipted categories in IP VP Ellipsis DP N Ellipsis and CP Sluicing are empty non referential pronominals subject to the same licensing and identification conditions as referential pro She proposes that both types of empty pronominals must be licensed under head government to satisfy the Empty Category Principle and identified through strong agreement In the case of ellipsis agreement type features make the empty category visible to interpretive processes of reconstruction These licensing and identification conditions derive the result that ellipses are complements of functional categories DET COMP and INFL but not of lexical categories The analysis is supported by contrastive evidence from ellipsis in French and German in which licensing and identification interact with Verb Raising feature checking and a parameter defining strong agreement Formal Studies in Slavic

Linguistics Vedrana Mihaliček, Lauren Ressue, Anastasia Smirnova, 2009-12-14 Formal Studies in Slavic Linguistics is a collection of selected papers presented at the Graduate Colloquia on Slavic Linguistics held at the Ohio State University and as such presents current research of young scholars from top European and American universities The present volume is a continuation of Issues in Slavic Syntax and Semantics 2008 Unlike its predecessor Formal Studies in Slavic Linguistics exclusively focuses on synchronic analyses of challenging phenomena in various Slavic languages and expands its theoretical scope to include essays in virtually all areas of theoretical linguistics phonetics phonology morphosyntax syntax semantics and pragmatics The papers in this volume discuss consonant deletion in Russian and phonetic patterns in Russian loan words properties of Slovenian clitics and the constructions involving the prefix na in Slovenian subjunctive clauses in Polish Serbo Croatian multiple wh questions negative contrastive ellipsis and impersonal constructions in Russian The formal frameworks employed in the analyses of these phenomena range from optimality theory to minimalism Given its broad empirical and theoretical scope Formal Studies in Slavic Linguistics is bound to be of interest to Slavic scholars and general linguists alike

*Recent Developments in Phase Theory* Jeroen van Craenenbroeck, Cora Pots, Tanja Temmerman, 2020-08-10 The overarching goal of this volume is to explore a number of recent developments in Phase Theory both theoretical and empirical thus contributing to our overall understanding of the concept of phases The volume is divided into three parts of which the first focuses on the traditional role played by phases in defining successive cyclicity while at the same time examining the interaction between that traditional role and Chomsky 2013's proposal about labeling The second part focuses on the question of whether only the highest projection of the clausal and nominal domain CP and DP are phases or whether those domains also contain an internal phase vP and NP NumP QP while the third part contains two chapters that focus on the extent to which ellipsis can be used as a reliable diagnostic for phasehood As a whole the volume provides a detailed and in depth view on a number of recent developments in Phase Theory which will likely continue to dominate the debate for

several years to come

**The Limits of Syntactic Variation** Theresa Biberauer, 2008-09-17 Against the background of the past half century's typological and generative work on comparative syntax this volume brings together 16 papers considering what we have learned and may still be able to learn about the nature and extent of syntactic variation More specifically it offers a multi perspective critique of the Principles and Parameters approach to syntactic variation evaluating the merits and shortcomings of the pre Minimalist phase of this enterprise and considering and illustrating the possibilities opened up by recent empirical and theoretical advances Contributions focus on four central topics firstly the question of the locus of variation whether the attested variation may plausibly be understood in parametric terms and if so what form such parameters might take secondly the fate of one of the most prominent early parameters the Null Subject Parameter thirdly the matter of parametric clusters more generally and finally acquisition issues

**Deriving Syntactic Relations** John S. Bowers, John Bowers, 2018-04-19 This book proposes that the fundamental building blocks of syntax are relations between words rather than constituents formed from words

**Enciclopedia de Lingüística Hispánica** Javier Gutiérrez-Rexach, 2016-01-29 The Enciclopedia de Linguística Hispánica provides comprehensive coverage of the major and subsidiary fields of Spanish linguistics Entries are extensively cross referenced and arranged alphabetically within three main sections Part 1 covers linguistic disciplines approaches and methodologies Part 2 brings together the grammar of Spanish including subsections on phonology morphology syntax and semantics Part 3 brings together the historical social and geographical factors in the evolution of Spanish Drawing on the expertise of a wide range of contributors from across the Spanish speaking world the Enciclopedia de Linguística Hispánica is an indispensable reference for undergraduate and postgraduate students of Spanish and for anyone with an academic or professional interest in the Spanish language Spanish linguistics

Al-Arabiyya, Volume 44 and 45 Reem Bassiouny, 2012-11-09 Al c Arabiyya is the annual journal of the American Association of Teachers of Arabic and serves scholars in the United States and abroad Al c Arabiyya includes scholarly articles and reviews that advance the study research and teaching of Arabic language linguistics literature and pedagogy

**The Sociolinguistics of Grammar** Tor A. Åfarli, Brit Maehlum, 2014-04-16 The aim of this book is to investigate and attain new insights on how and to what extent the wider sociolinguistic context of language use and contact impinges on formal grammatical structures The papers contained in the book approach this important problem from various points of view by focusing on language evolution and change on multilingualism language mixing and dialect variation on spoken language and on creole languages Given the theoretical perspectives methodological focus and analyses the book will be of interest to theoretical linguists as well as sociolinguists from undergraduate students to researchers

Romance Languages and Linguistic Theory Enoch O. Aboh, Elisabeth van der Linden, Josep Quer, Petra Sleeman, 2009-11-19 The volumes Romance Languages and Linguistic Theory Selected papers from Going Romance contain the selected papers of the Going Romance conferences a major European annual discussion forum for theoretically relevant research on Romance

languages This volume assembles a significant number of selected papers that were presented at the 21st edition of Going Romance which was organized by the Chair of Romance Linguistics of the University of Amsterdam in December 2007 The range of languages both standard and non standard varieties analyzed in this volume is quite significant Catalan French Italian European and Brazilian Portuguese Romanian and Spanish The volume is quite representative of the spread of the variety of research carried out nowadays on Romance languages within theoretical linguistics and shows the vitality of this research

*Romance Linguistics 2008* Karlos Arregi, Zsuzsanna Fagyal, Silvina A. Montrul, Annie Tremblay, 2010-09-09 The sixteen papers here united have been selected from the 38th Linguistic Symposium of the Romance Languages held in Champaign Urbana in 2008 The papers whose authors include both well known researchers and younger scholars cover a broad and truly interdisciplinary range of topics in phonology morphology syntax semantics and their interfaces Among the plethora of topics examined are stress in Quebec French vowel deletion in Tuscan Italian bare singulars in Brazilian Portuguese case in Romanian and hiatus in Argentine Spanish The volume's novelty is to extend the traditional scope of linguistic inquiry to dynamic cognitive and societal connections between Romance and other languages investigating among others how Spanish phonotactics informs psycholinguistic models of speech production how bilinguals express subject pronouns in Chipilo contact Spanish relative to monolingual Mexican Spanish and whether Spanish speaking immigrants in Montreal acquire the constraints typical to natives in loanword adaptations

Cross-disciplinary approaches to Information Structure in Niger-Congo languages Akinbiyi Akinlabi, Sampson Korsah, Sharon Rose, Abdul-Razak Sulemana, 2025-09-29 This volume contains a selection of papers that were originally presented at a workshop Cross disciplinary approaches to Information Structure in African languages held in Porto Novo Benin in 2022 Eight papers explore information structure in Niger Congo languages from different linguistic angles phonetics phonology syntax and semantics The papers address a range of topics in different Niger Congo languages from both junior and senior scholars in the field of linguistics reflecting both the diversity of languages and scholarship in African linguistics

**Cross-disciplinary approaches to Information Structure in Niger-Congo languages** Akinbiyi Akinlabi, Sampson Korsah, Sharon Rose, Abdul-Razak Sulemana, 2025-08-14 This volume contains a selection of papers that were originally presented at a workshop Cross disciplinary approaches to Information Structure in African languages held in Porto Novo Benin in 2022 Eight papers explore information structure in Niger Congo languages from different linguistic angles phonetics phonology syntax and semantics The papers address a range of topics in different Niger Congo languages from both junior and senior scholars in the field of linguistics reflecting both the diversity of languages and scholarship in African linguistics

Deriving Coordinate Symmetries John R. te Velde, 2006-01-18 This monograph proposes a minimalist phase based approach to the derivation of coordinate structures utilizing the operations Copy and Match to account for both the symmetries and asymmetries of coordination Data are drawn primarily from English German and Dutch The basic assumptions are that all coordinate structures are symmetric to some

degree in contrast to parasitic gap and many verb phrase ellipsis constructions and these symmetries especially with ellipsis allow syntactic derivations to utilize Copy and Match in interface with active memory for economizing with gaps and assuring clarity of interpretation With derivations operating at the feature level troublesome properties of coordinate structures such as cross categorial and non constituent coordination violations of the Coordinate Structure Constraint as well as coordinate ellipsis Gapping RNR Left Edge Ellipsis are accounted for without separate mechanisms or conditions applicable only to coordinate structures The proposal provides support for central assumptions about the structure of West Germanic

Sluicing: Cross-Linguistic Perspectives Jason Merchant, Andrew Simpson, 2012-05-03 This book of new research by leading experts expands our current understanding of the ways in which languages allow for ellipsis of the sluicing type to occur and shows how sluicing constructions reveal important information about the general architecture of grammar **The Routledge Handbook of Theoretical and Experimental Sign Language Research** Josep Quer, Roland Pfau, Annika Herrmann, 2021-03-11 The Routledge Handbook of Theoretical and Experimental Sign Language Research bridges the divide between theoretical and experimental approaches to provide an up to date survey of key topics in sign language research With 29 chapters written by leading and emerging scholars from around the world this Handbook covers the following key areas On the theoretical side all crucial aspects of sign language grammar studied within formal frameworks such as Generative Grammar On the experimental side theoretical accounts are supplemented by experimental evidence gained in psycho and neurolinguistic studies On the descriptive side the main phenomena addressed in the reviewed scholarship are summarized in a way that is accessible to readers without previous knowledge of sign languages Each chapter features an introduction an overview of existing research and a critical assessment of hypotheses and findings The Routledge Handbook of Theoretical and Experimental Sign Language Research is key reading for all advanced students and researchers working at the intersection of sign language research linguistics psycholinguistics and neurolinguistics Chapters 5 18 and 19 of this book are freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license Discourse-oriented Syntax Josef Bayer, Roland Hinterhölzl, Andreas Trotzke, 2015-12-15 Until recently little attention has been paid within syntax to components of discourse meaning that go beyond information structure and fall into the domain of non at issue meaning operating at the level of illocutionary force To approach this domain many of the contributions of this volume deal with the syntax of discourse particles However the issue of how to account for discourse particles within a more explicit map of the illocutionary domain is a good starting point for considering further phenomena related to the syntax of speech acts By focusing on speech act related particles and or meaning domains this volume makes a new contribution to the field as existing collections either do not offer a comparatively narrow focus on particles or are not limited to syntax oriented approaches The primary audience of this volume are researchers and graduate students interested in state of the art approaches to the syntax discourse interface

within the cartographic approach to syntax      **Elements of Comparative Syntax** Enoch Aboh, Eric Haeberli, Genoveva Puskás, Manuela Schönenberger, 2017-09-11 This volume brings together a selection of articles illustrating the multifaceted nature of current research in generative syntax The authors including some of the leading figures in the field present analyses of typologically diverse languages with some studies drawing on dialectal acquisitional and diachronic evidence Set against this rich empirical background the contributions address an equally wide range of theoretical issues      **Advances in the study of Siouan languages and linguistics** Catherine Rudin, Bryan James Gordon, 2016-05-18 The Siouan family comprises some twenty languages historically spoken across a broad swath of the central North American plains and woodlands as well as in parts of the southeastern United States In spite of its geographical extent and diversity and the size and importance of several Siouan speaking tribes this family has received relatively little attention in the linguistic literature and many of the individual Siouan languages are severely understudied This volume aims to make work on Siouan languages more broadly available and to encourage deeper investigation of the myriad typological theoretical descriptive and pedagogical issues they raise The 17 chapters in this volume present a broad range of current Siouan research focusing on various Siouan languages from a variety of linguistic perspectives historical genetic philological applied descriptive formal generative and comparative typological The editors preface summarizes characteristic features of the Siouan family including head final and verb centered syntax a complex system of verbal affixes including applicatives and subject possessives head internal relative clauses gendered speech markers stop systems including ejectives and a preference for certain prosodic and phonotactic patterns The volume is dedicated to the memory of Professor Robert L Rankin a towering figure in Siouan linguistics throughout his long career who passed away in February of 2014      **The Blackwell Companion to Syntax** Martin Everaert, Henk Van Riemsdijk, 2008-04-15 Pre Order The Wiley Blackwell Companion to Syntax second edition publishing December 2017 Find out more at [www.companiontosyntax.com](http://www.companiontosyntax.com) This long awaited reference work marks the culmination of numerous years of research and international collaboration by the world's leading syntacticians There exists no other comparable collection of research that documents the development of syntax in this way Under the editorial direction of Martin Everaert and Henk van Riemsdijk this 5 volume set comprises 70 case studies commissioned specifically for this volume The 80 contributors are drawn from an international group of prestigious linguists including Joe Emonds Sandra Chung Susan Rothstein Adriana Belletti Jim Huang Howard Lasnik and Marcel den Dikken among many others A unique collection of 70 newly commissioned case studies offering access to research completed over the last 40 years Brings together the world's leading syntacticians to provide a large and diverse number of case studies in the field Explores a comprehensive range of syntax topics from an historical perspective Investigates empirical domains which have been well documented and which have played a prominent role in theoretical syntax at some stage in the development of generative grammar Serves as a research tool for not only theoretical linguistics but also the various forms of applied linguistics

Contains an accessible alphabetical structure with an index integral to each volume featuring keywords and key figures Each multi volume set is also accompanied by a CD Rom of the entire Companion Like the prestigious Blackwell Handbooks in Linguistics series this multi volume work in the new The Wiley Blackwell Companions to Linguistics series can be relied upon to deliver the quality and expertise with which Blackwell Publishing s linguistics list is associated **Pseudo-Noun**

**Incorporation and Differential Object Marking** Imke Driemel, 2023 This book provides a detailed cross linguistic study of pseudo noun incorporation a phenomenon whereby an argument forms a closer than usual relation with the verb Imke Driemel explores eleven noun types across five different languages to arrive at a unifying theory that accounts for all properties of pseudo noun incorporation

## **Ellipsis Functional Heads Licensing And Identification** Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is actually remarkable. This extraordinary book, aptly titled "**Ellipsis Functional Heads Licensing And Identification**," published by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.

### **Ellipsis Functional Heads Licensing And Identification Introduction**

Ellipsis Functional Heads Licensing And Identification Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Ellipsis Functional Heads Licensing And Identification Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Ellipsis Functional Heads Licensing And Identification : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Ellipsis Functional Heads Licensing And Identification : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Ellipsis Functional Heads Licensing And Identification Offers a diverse range of free eBooks across various genres. Ellipsis Functional Heads Licensing And Identification Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Ellipsis Functional Heads Licensing And Identification Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Ellipsis Functional Heads Licensing And Identification, especially related to Ellipsis Functional Heads Licensing And Identification, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Ellipsis Functional Heads Licensing And Identification, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Ellipsis Functional Heads Licensing And Identification books or magazines might include. Look for these in online stores or libraries. Remember that while Ellipsis Functional Heads Licensing And Identification, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Ellipsis Functional Heads Licensing And Identification eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or

publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Ellipsis Functional Heads Licensing And Identification full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Ellipsis Functional Heads Licensing And Identification eBooks, including some popular titles.

### **FAQs About Ellipsis Functional Heads Licensing And Identification Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Ellipsis Functional Heads Licensing And Identification is one of the best book in our library for free trial. We provide copy of Ellipsis Functional Heads Licensing And Identification in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Ellipsis Functional Heads Licensing And Identification. Where to download Ellipsis Functional Heads Licensing And Identification online for free? Are you looking for Ellipsis Functional Heads Licensing And Identification PDF? This is definitely going to save you time and cash in something you should think about.
