1947-1974**

Third Edition

Colonel T.N. Dupuy, USA, Ret.

Elusive Victory The Arab Israeli Wars 1947 1974

D Keegan

Elusive Victory The Arab Israeli Wars 1947 1974:

Elusive Victory Trevor Nevitt Dupuy, 1978 **The Arab-Israeli Conflict Transformed** Hemda Ben-Yehuda, Shmuel Sandler, 2012-02-01 The Middle East conflict be it between the state of Israel and Arab states or between Jews and Palestinians is a staple of international news Utilizing both theoretical approaches and empirical evidence Hemda Ben Yehuda and Shmuel Sandler argue that despite the recent upswing in violence particularly over the Palestinian issue conflict has gradually been giving way since the 1970s to a more orderly regime of conflict management By integrating ethnonational theoretical literature into their analysis the authors move beyond the current International Relations debate over the relative merits of realist neo realist approaches versus neo liberal institutional approaches Ethnic state disputes are the primary source for failing to terminate the Arab Israeli conflict *Elusive victory- the arab-israeli wars, 1947-1974. Colonel trevor n. Dupuy* Trevor N. Dupuy, 1978 *The Origins of the Arab Israeli Wars* Ritchie Owendale, 2015-10-23 This highly regarded history gives a balanced and judicious introduction to this immensely complex and controversial subject weaving different strands of the story into a single coherent narrative thus making it essential reading for all students studying conflict in the Middle East Of all the troubles affecting the modern world few are as topical deep rooted and intractable as the Arab Israeli conflict For this region an understanding of the past is vital to an understanding of the present Ritchie Owendale s classic study of the roots of the conflict is now updated for a fourth time and considers events until 2003 **The Arab-Israeli Wars** Chaim Herzog, Shlomo Gazit, 2005-07-12 The Arab Israeli Wars is former President of Israel Chaim Herzog s acclaimed history of Israel s fight since 1947 to preserve her existence against repeated attacks Revised after his death by friend and colleague General Shomo Gazit this new edition also covers the events of the past twenty years including the pullout from Lebanon both intifadas the first Gulf War the Oslo Process and beyond Riveting informative and comprehensive this authoritative account tells the story of Israel s struggle to survive but gives a clear picture of the people and politics that continue to shape the destiny of this crucial region October 1973 The Arab Israeli War Frank Aker, 2014-10-22 The first book to approach the Yom Kippur War from both Arab and Israeli perspectives this is an analysis of the background planning and preparations for the war as well as a narrative of the campaigns during the attack holding actions counterattacks flanking attack and break through phases Unlike previous conflicts both sides were equipped with modern weapons some seldom if ever seen in battle Israel was forced to modify its tactics in face of Arab air and ground missiles abandoning the air force tradition role and moving them as flying artillery both close air support and interdiction for a combined arms column tipped with armor This inspired the US Airland Battle Doctrine a comprehensive richly documented political military analysis of the war Nissim Rejewan The Jerusalem Post Magazine recommended reading for the serious student of modern mechanized warfare General James H Polk USA Ret Strategic Review offers useful insights to be considered when the U S plan its own defense needs Development and Foreign Policy Report The book provides a very good military account of the

war and is even handed in its treatment with a flowing text Frank Clements British Society for Middle Eastern Studies I recommend this book to the student of military science in general and to the student of military intelligence in particular Major John Skelton Military Intelligence Keywords October War Yom Kippur War Ramadan War Strategy Tactics Blitzkrieg Tanks Missiles Airforce Armies *The 1973 Arab-Israeli War* Galen Jackson, 2023-09-27 The October 1973 Middle East War transformed the region's politics and had a huge impact on the international political system as a whole Arguments about the causes effects and meaning of the war and about why it ran its course the way it did have played a key role in shaping the understanding of the Arab Israeli conflict of American policy in the Middle East and of many other major issues For the 50th anniversary of the war this book grapples with these issues in an objective way by using the mass of declassified material that has recently become available Marko Djuranovic, 2008-10-01 How much influence does the regime type of a country have on its ability to win an international war Upon closer inspection very little A careful study of the process by which peaceful citizens are converted into instruments of state sponsored destruction shows that countries with democratic systems of government perform no better in international wars than their non democratic counterparts Instead it is the size of the population asset that the states leadership can gather leverage and deploy in combat that has historically mattered most for victory in war Population sizes of countries in the international system are so varied that it is virtually impossible for a small nation to withstand the military onslaught of a more populous foe a finding that reintroduces some basic tenets of realism to modern foreign policy discussions The importance of the size and quality of a countrys population is demonstrated via statistical analysis on a novel dataset of international wars since 1816 as well as detailed case studies of the Arab Israeli Wars and German invasion of France in 1940 *The Arab-Israeli Conflict, 1956-1975* Moshe Gat, 2017-11-14 The Arab Israeli Conflict 1956 1975 contains a collection of articles that examine select issues between the end of the Suez Campaign in November 1956 and the Sinai II or Interim Agreement signed by Israel and Egypt in September 1975 The book provides a comprehensive overview of the struggle between the three superpowers the UK the United States and the Soviet Union and the effects this had on the region It also explores the circumstances that led to the Six Day War in June 1967 such as the use of air power and the Israeli retaliatory raids Two chapters look at the two leaders during the war Egyptian President Gamal Abdel Nasser leader of the Arab world a charismatic and dominant persona and Israeli Prime Minister Levi Eshkol considered weak and inconspicuous Three chapters focus on the period between the two wars June 1967 and October 1973 and one explores the aftermath Emphasis is placed on Israeli policy between 1967 and 1973 which primarily focused on the use of military power and foreign policy inaction It is argued that it was this policy that hindered all progress in the peace process and ultimately led among other factors to the Yom Kippur War The final chapter is on Kissinger and the road to the Sinai II Agreement It discusses the huge shift in American policy from avoiding a significant role in the prevention of an imminent war during May and June of 1967 to deep involvement in every detail of the dispute during and following the Yom

Kippur War Providing an in depth examination of this important period of the Arab Israeli conflict this book will appeal to students and scholars of Middle Eastern History and Politics Conflict Studies and International Relations **Four**

Arab-Israeli Wars and the Peace Process Sydney D. Bailey, 2016-07-27 In focusing on four major wars in the Arab Israeli conflict from 1947 to 1979 all of them ending in agreed ceasefires truces or armistices this book concentrates on the external efforts after each war to help resolve the conflict **The Military Lens** Christopher P. Twomey, 2011-07-15 In The Military

Lens Christopher P Twomey shows how differing military doctrines have led to misperceptions between the United States and China over foreign policy and the potential dangers these might pose in future relations Because of their different strategic situations histories and military cultures nations may have radically disparate definitions of effective military doctrine strategy and capabilities Twomey argues that when such doctrines or theories of victory differ across states misperceptions about a rival s capabilities and intentions and false optimism about one s own are more likely to occur In turn these can impede international diplomacy and statecraft by making it more difficult to communicate and agree on assessments of the balance of power When states engage in strategic coercion either to deter or to compel action such problems can lead to escalation and war Twomey assesses a wide array of sources in both the United States and China on military doctrine strategic culture misperception and deterrence theory to build case studies of attempts at strategic coercion during Sino American conflicts in Korea and the Taiwan Strait in the early years of the Cold War as well as an examination of similar issues in the Arab Israeli conflict After demonstrating how these factors have contributed to past conflicts Twomey amply documents the persistence of hazardous miscommunication in contemporary Sino American relations His unique analytic perspective on military capability suggests that policymakers need to carefully consider the military doctrine of the nations they are trying to influence **A Durable Peace** Benjamin Netanyahu, 2009-10-14 This

examination of the Middle East s troubled history traces the origins development and politics of Israel s relationship with the Arab world and the West It argues that peace with the Palestinians will leave Israel vulnerable to Iraq and Iran **First Strike** Matthew J. Flynn, 2008-07-09 Preemptive warfare is the practice of attempting to avoid an enemy s seemingly imminent attack by taking military action against them first It is undertaken in self defense Preemptive war is often confused with preventive war which is an attack launched to defeat a potential opponent and is an act of aggression Preemptive war is thought to be justified and honorable while preventive war violates international law In the real world the distinction between the two is highly contested In First Strike Matthew J Flynn examines case studies of preemptive war throughout history from Napoleonic France to the American Civil War and from Hitler s Germany to the recent U S invasion of Iraq Flynn takes an analytical look at the international use of military and political preemption throughout the last two hundred years of western history to show how George W Bush s recent use of this dubiously honorable way of making war is really just the latest of a long line of previously failed attempts Balanced and historically grounded First Strike provides a comprehensive

history of one of the most controversial military strategies in the history of international foreign policy **The Roots and Consequences of Independence Wars** Spencer C. Tucker, 2018-03-01 This book covers 26 independence wars that have irrevocably changed the world beginning with the Maccabean Revolt against Rome 167 160 BCE and ending with the Tamil War for Independence in Sri Lanka 1983 2009 Throughout history people longing for independence have fought wars to win their freedom Some of these wars such as the American Revolution and the Israeli War of Independence were great successes Others such as the Jewish Revolt against the Roman Empire were devastating failures In some cases most notably the Arab Revolt the outcome had immense repercussions that are still felt today all over the world This book examines 26 of the most significant independence wars from ancient times to the modern era and identifies the origins and consequences of these key conflicts Comprehensive overview essays as well as explanations of the causes and consequences of each war give readers the background needed to understand the importance of these seminal events Additional learning tools include detailed timelines that contextualize all of the key events in the conflict maps of several of the key battles that help readers visualize the strategies of both sides and a lengthy bibliography that offers a wealth of options for students looking to further investigate any of the conflicts **International History of the Twentieth Century** Antony Best, 2004 Using their

thematic and regional expertise four prominent authors have produced an authoritative yet accessible account of the history of international relations in the last century covering events in Europe Asia the Middle East Africa and the Americas

Sword & Shield of Zion David Rodman, 2013-04-15 The Israel Air Force IAF has accumulated as much battle experience as any air force in the world during the post Second World War era and it has recorded many outstanding accomplishments throughout a seemingly endless string of interstate wars asymmetrical wars counterinsurgency campaigns and special operations This book examines **Routledge Companion to the Israeli-Palestinian Conflict** Asaf Siniver, 2022-10-27

This Companion explores the Israeli Palestinian conflict from its inception to the present day demonstrating the depth and breadth of the many facets of the conflict from the historical political and diplomatic to the social economic and pedagogical aspects The contributions also engage with notions of objectivity and bias and the difficulties this causes when studying the conflict in order to reflect the diversity of views and often contentious discussion surrounding this conflict The volume is organized around six parts reflecting the core aspects of the conflict historical and scholarly context of the competing narratives contemporary evolution of the conflict and its key diplomatic junctures key issues of the conflict its local dimensions international environment of the conflict the other images of the conflict as reflected in public opinion popular culture the boycott divestment and sanctions BDS movement and academia and pedagogy Providing a comprehensive approach to the Israeli Palestinian conflict this companion is designed for academics researchers and students interested in the key issues and contemporary themes of the conflict [The Six Day War 1967](#) Simon Dunstan, 2012-08-20 A fully illustrated account of Israel s campaign against Egypt that began the Six Day War In May 1967 Egypt expelled the United

Nations peacekeeping forces stationed in the Sinai desert and deployed its army along its border with Israel its moves coordinated with those of Jordan and Syria By June Israel realized that the international community would not act and so it launched a pre emptive strike against the combined Arab forces The ensuing Six Day War was a crushing defeat for the Arab world one that tripled the area controlled by Israel and which sowed the seeds for the Yom Kippur War of 1973 and the continuing strife in the region Written by the author of Osprey s Yom Kippur War this volume covers the background to the war and the campaign against the Egyptians in the Sinai Peninsula including the initial devastating air assault that showed the world how vital air supremacy was in modern combat

Israel's National Security Predicament David

Rodman,2023-09-29 This book provides a ground breaking assessment of the Israeli national security experience from the establishment of the country through to the present day Seventy five years after its establishment the State of Israel continues to face an acute national security predicament as a result of the still unresolved Arab Israeli conflict This monograph offers a new framework for analyzing this experience first exploring the crucial events of the past and present that define it including interstate wars asymmetrical wars low intensity conflicts and developments in weapons of mass destruction The book then probes how Israel s evolving national security doctrine has addressed these various challenges over the years highlighting the roles of a number of variables deterrence warning and decision strategic depth and defensible borders the quality and quantity of fighting men and machines intelligence self reliance in military matters foreign policy and the influence of ethnic demography societal resilience economic prosperity and water security Written in accessible non technical language the book will appeal to general readers seeking an introduction to Israeli security as well as to specialists and researchers in various fields including Israeli history Middle Eastern politics and security studies

The 1967

Arab-Israeli War Avi Shlaim,William Roger Louis,2012-02-13 The June 1967 war was a watershed in the history of the modern Middle East In six days the Israelis defeated the Egyptian Syrian and Jordanian armies seizing large portions of their territories Two veteran scholars of the Middle East bring together some of the most knowledgeable experts in their fields to reassess the origins and the legacies of the war Each chapter takes a different perspective from the vantage point of a different participant those that actually took part in the war and also the world powers that played important roles behind the scenes Their conclusions make for sober reading At the heart of the story was the incompetence of the Egyptian leadership and the rivalry between various Arab players who were deeply suspicious of each other s motives Israel on the other side gained a resounding victory for which despite previous assessments to the contrary there was no master plan

Elusive Victory The Arab Israeli Wars 1947 1974 Book Review: Unveiling the Power of Words

Elusive Victory The Arab Israeli Wars 1947 1974 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Elusive Victory The Arab Israeli Wars 1947 1974 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Elusive Victory The Arab Israeli Wars 1947 1974 has opened up a world of possibilities. Downloading Elusive Victory The Arab Israeli Wars 1947 1974 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Elusive Victory The Arab Israeli Wars 1947 1974 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Elusive Victory The Arab Israeli Wars 1947 1974. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Elusive Victory The Arab Israeli Wars 1947 1974. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Elusive Victory The Arab Israeli Wars 1947 1974, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the

legitimacy of the websites they are downloading from. In conclusion, the ability to download Elusive Victory The Arab Israeli Wars 1947 1974 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Elusive Victory The Arab Israeli Wars 1947 1974 Books

1. Where can I buy Elusive Victory The Arab Israeli Wars 1947 1974 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Elusive Victory The Arab Israeli Wars 1947 1974 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Elusive Victory The Arab Israeli Wars 1947 1974 books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Elusive Victory The Arab Israeli Wars 1947 1974 audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
