Elvis: The King of Fashion Lorraine Gibson, 2024-12-31 A marvel and celebration that contains interviews of those intimately involved in the legacy of an intensely shy and disadvantaged boy from the wrong side of Tupelo, Mississippi, who went on to become one of the most idolized and imitated solo performers of all time. Elvis Presley's life was the ultimate rags to riches story, and it was the rags as much as the riches that drove him, defined him, and made him the global icon he is today. Born in a shack in America's Deep South in 1935 to impoverished parents struggling in the wake of the Great Depression, he sprung from a life of deprivation to one of international fame and untold wealth all before he was twenty. Brought up dirt poor but surrounded by love and music from birth, Elvis was infused with the sounds of gospel and the raw, hard life blues of the cotton country's plantation workers. And when the family radio brought country singers, crooners, and spiritual quartets to his young ears, his musical DNA was fully formed. Elvis's boarding pass for the rocket ship to stardom was a voice of liquid gold, and his striking appearance upgraded him to a VIP fast-track ticket into the entertainment stratosphere. His unique sense of style and musical talent went hand in hand in creating Elvis the Showman. As a teenager, before he sang a note, it was his

unconventional look that singled him out among his peers Later it was his voice that stopped a conservative 1950s America in its tracks This book looks at how Elvis broke down cultural and racial barriers and smiled in the face of safe dressing His bold outfits were his trademark yet no matter how dazzling they never outshone him They were also his force shield superhero costumes that protected him from anxiety pain the glare of the spotlight and in difficult times from reality It considers how Elvis s extraordinary style as much as his pioneering music defined his life and the experiences that he lived through It includes exclusive interviews with Hal Lansky whose family dressed Elvis for three decades and who advised Austin Butler on what to wear playing him in the 2022 movie Elvis Award winning producer director Steve Binder who resurrected Elvis career and put him in that black leather suit for the 1968 Comeback Special Butch and Kim Polston who maintain Elvis legacy recreating his spectacular 1970s Vegas jumpsuits including those worn by Butler Elvis The King of Fashion marvels at how an intensely shy and disadvantaged boy from the wrong side of Tupelo Mississippi went from homespun to Hollywood in the blink of an eye and became the most popular successful idolized and imitated solo performer of all time Most of all it regards the rollercoaster life of Elvis the man through a fashion lens as he strode like a colossus through the world of showbusiness dressed like The King he never quite believed he was
