### **The Oxford Movement and the People of God**

Benjamin J. King,2024-12-07 Seeing the Church in danger from the government in 1833 the clergyman John Henry Newman wanted to look to the people for help The people of God were vital to the Tractarian or Oxford Movement which Newman John Keble and Edward Pusey led and which hundreds of thousands of Anglican laypeople followed during the nineteenth century The faithful were central to the movement s theological vision Spiritually disciplined the faithful would ensure that the Church s work in the world was ongoing Properly educated in schools for the middle classes and for the poor at home and across the British Empire the faithful would preserve the Church s teaching Yet to opponents in the nineteenth century and most scholars since the movement seemed to magnify the role of the clergy of the Church of England at the expense of the people This is to neglect not only Tractarian theology but also lay Tractarians themselves whether the few who were important figures in the British nation and Empire or the many who took part in shaping society The Oxford Movement and the People of God covers topics which are not usually encountered in studies of the Tractarians enslavement Empire and English engagement in the American Civil War as well as showing how their theology of the laity sheds new light on old topics the Church of England s privileged place in the State the Ritualist movement and opposition to democracy In none of these topics was the movement on what is called with hindsight the right side of history But the theological reasons such as they were why Tractarians took the positions they did are explored in chapters concerning providence ecclesiology consensus fidelium episcopacy and lay spirituality

**Sold Down the River** Barbara Hambly, 2011-01-26 In A Free Man of Color Fever Season and Graveyard Dust Benjamin January penetrated the murkiest corners of glittering old New Orleans to bring murderers to justice Now in bestselling author Barbara Hambly's haunting new novel he explores a vivid and violent plantation world darker than anything in the city Sold Down the River The crisp autumn air of 1834 awakens the French Town to a new season of balls and operas But this November there will be no waltzes played by Benjamin January no piano lessons for Creole children For a shadow has emerged from his past Simon Fourchet the savage man to whom he was bound in slavery until the age of seven When someone he cannot refuse asks the favor Benjamin reluctantly agrees to reenter the realm of his childhood on Fourchet's upriver sugar plantation Abandoning his Parisian French for the African patois of a field hand Benjamin sets out to uncover who and what lies behind the sinister happenings there On All Souls night at the dark of the moon a fire was started in the mill A field gang's food has been poisoned and the butler murdered And voodoo curse marks appear everywhere If the villain cannot be discovered every slave on Mon Triomphe will be condemned to what passes for justice Cutting cane from dawn to nightfall until his bones ache and his musician's hands bleed Benjamin strives to unlock the riddle Are these the omens of a slave revolt or something more personal As acts of sabotage mount and voodoo signs multiply he ponders the family in the big house Fourchet's pale and pious new wife his two grown sons and his shrewish daughter in law Then the inhabitants of the slave quarters a proud and secretive cook young lovers torn apart by a brutal overseer men and women who long for loved ones sold away And what of the neighboring planter feuding with Fourchet over a piece of land or the elusive river trader who knows so many of the servants' secrets Somewhere in the warp and weft of these people's lives lurks Benjamin's quarry whose scheming could destroy not just Fourchet but all his kin and every human being he owns And Benjamin January must use all his intelligence and cunning to find the killer before he finds himself Sold Down the River
