Epstein, 2015-01-14 From the biblical story of Ruth to the star conversion of Elizabeth Taylor *Converts to Judaism* tells the stories of people who have converted to Judaism throughout history The book introduces readers to origins of Judaism and shares the first conversion stories of the people who helped the early Jewish faith grow Subsequent chapters trace the trajectory of Judaism through the ages while highlighting the stories of converts both well known and lesser known and how they shaped the tradition The book includes not only the story of Warder Cresson who was put on trial for insanity after converting to Judaism but also famous celebrities who became Jewish such as Marilyn Monroe and Sammy Davis Jr Written by a noted expert on the conversion process *Converts to Judaism* serves as a unique resource to people considering the challenging path of conversion and an illustration of the important and sometimes surprising role Jewish converts have always played in Jewish life *Spiritual Boredom* Erica Brown, 2009 Break the Surface of Spiritual Boredom to Find the Reservoir of Meaning Within We need to be bored When we get bored and take responsibility for our boredom we arrive at a new level of interest introspection or action that has been stirred by the very creativity used to keep boredom away The relationship between boredom and creativity is far from accidental Creative minds are often stimulated by boredom regarding it as a brain rest until the next great idea looms on the horizon of the otherwise unoccupied mind from Chapter 10 Boredom is a crisis of our age In religious terms boredom is sapping spirituality of its mystical and wholesome benefits slowly corroding our ability to recognize blessing and beauty in our lives to experience wonder and awe What happens when our need for constant newness minimizes our interest in prayer learning and the mysteries of nature This intriguing look at spiritual boredom helps you understand just what this condition is particularly as it relates to Judaism and what the absence of inspiration means to the present and future of the Jewish tradition Drawing insights from psychology philosophy and theology as well as ancient Jewish texts Dr Erica Brown explores the many ways boredom manifests itself within Judaism in the community classroom and synagogue and shows its potentially powerful cultural impact on a faith structure that advises sanctifying time not merely passing it **The Changing Christian World** Rabbi Leonard A.
