Lothar Franz von Schönborn and the Diplomacy of the Electorate of Mainz R.H. Thompson, 2014-11-14 *The Causes of War* Alexander Gillespie, 2021-01-14 This is the fourth volume of a projected six volume series charting the causes of war from 3000 BCE to the present day written by a leading international lawyer and using as its principal materials the documentary history of international law largely in the form of treaties and the negotiations which led up to them These volumes seek to show why millions of people over thousands of years slew each other In departing from the various theories put forward by historians anthropologists and psychologists the author offers a different taxonomy of the causes of war focusing on the broader settings of politics religion migrations and empire building These four contexts were dominant and often overlapping justifications during the first four thousand years of human civilisation for which written records exist

Aspects of European History 1494-1789 Stephen J. Lee, 2005-06-20 First published in 1984 Lee's book takes an analytical approach to a wide range of topics in early modern European history from the Renaissance to the French Revolution showing a variety of methods that can be used to present a theme or argument in an essay or exam *Louis XIV* John B. Wolf, 1972-06-18 Professor Wolf focuses on the problems of high politics and war which intrigued Louis and were his instruments of power Without ignoring the fact that Louis was also a son husband lover and father as well as king he gives us a striking new image of Louis as soldier administrator and a vivid accurate picture of the king's impact on the military machine after 1691 his part in the drama of war and in the emergence of a new Europe Makers of the Western Tradition J. Kelley Sowards, 1997-01-15 Through six widely adopted editions Makers of the Western Tradition has successfully drawn

students into the study of history through a biographical approach to important facts and events In two volumes this book examines the impact of 27 key historical figures while it familiarizes students with varieties of historical sources and interpretation Nationalizing the Past S. Berger,C. Lorenz,2016-01-19 Historians traditionally claim to be myth breakers but national history since the nineteenth century shows quite a record in myth making This exciting new volume compares how national historians in Europe have handled the opposing pulls of fact and fiction and shows which narrative strategies have contributed to the success of national histories **The Balance of Power** Evan Luard,2016-07-27 This book examines on an analytical basis the system of international relations between 1648 and 1815 It considers the character of the states their principal foreign policy goals and the beliefs that influences their relations The author seeks on this basis to examine the character of the system as a whole in particular how from the proclaimed desire to maintain the balance of power it succeeded in establishing international stability in preventing the domination of particular states **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1952 Includes Part 1A Books and Part 1B Pamphlets Serials and Contributions to Periodicals **In Defence of Naval Supremacy** John,2014-02-15 Sumida presents a provocative and authoritative revisionist history of the origins nature and consequences of the Dreadnought Revolution of 1906 Based on intensive and extensive archival research the book strives to explain vital financial and technical matters which enable readers to observe the complex interplay of fiscal technical strategic and personal factors that shaped the course of British naval decision making during the critical quarter century that preceded the outbreak of the First World War **Imagined Histories** Anthony Molho,Gordon S. Wood,2018-06-05 This collection of essays by twenty one distinguished American historians reflects on a peculiarly American way of imagining the past At a time when history writing has changed dramatically the authors discuss the birth and evolution of historiography in this country from its origins in the late nineteenth century through its present more cosmopolitan character In the book s first part concerning recent historiography are chapters on exceptionalism gender economic history social theory race and immigration and multiculturalism Authors are Daniel Rodgers Linda Kerber Naomi Lamoreaux Dorothy Ross Thomas Holt and Philip Gleason The three American centuries are discussed in the second part with chapters by Gordon Wood George Fredrickson and James Patterson The third part is a chronological survey of non American histories including that of Western civilization ancient history the middle ages early modern and modern Europe Russia and Asia Contributors are Eugen Weber Richard Saller Gabrielle Spiegel Anthony Molho Philip Benedict Richard Kagan Keith Baker Joseph Zizak Volker Berghahn Charles Maier Martin Malia and Carol Gluck Together these scholars reveal the unique perspective American historians have brought to the past of their own nation as well as that of the world Formerly writing from a conviction that America had a singular destiny American historians have gradually come to share viewpoints of historians in other countries about which they write The result is the virtual disappearance of what was a distinctive American voice That voice is the subject of this book *Separation of Church and*

State Gil Graff, 2003-04-23 Observes that the significance of *dina de malkhuta dina* and its interpretation is vital for an understanding of modern Jewish life as well as the relationship of Diaspora Jews to the Jewish community in the state of Israel For the Jewish community the end of the Middle Ages and the emergence of the modern nation state brought the promise of equal citizenship as well as the possible loss of Jewish corporate identity The legal maxim *dina de malkhuta dina* the law of the State is law invoked in Talmidic times to justify the acceptance of the king's law and qualified in the Middle Ages by Maimonides and Rashbam to include the requirement of consent by the governed underwent further redefinition by Jews in the Napoleonic age Graff focuses on the struggle between 18th and 19th century Jewish religious reformers and traditionalists in defining the limits of *dina de malkhuta dina* He traces the motivations of the reformers who in their zeal to gain equality for the formerly disenfranchised Jewish communities in Western Europe were prepared to render unto the State compromising authority over Jewish religious life under the rubric of *dina de malkhuta dina* was intended to strike a balance between synagogue and state and not to be used as a pretext for the liquidation of the community's corporate existence

The Balance Of Power Michael Sheehan, 2004-11-11 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company **The Age of Absolutism (Routledge Revivals)** Max Beloff, 2013-12-19 The end of eighteenth century is often regarded as the watershed between the feudal Europe of the Middle Ages and the modern Europe of the nineteenth century and beyond The chronology covered in this title first published in 1954 is vast but covers an intellectually stimulating and exciting period of European history The pinnacle of absolute monarchy is cemented in Louis XIV's France eventually giving way to reform and revolution the Russian Empire becomes an important player on the Western stage under Peter I and Catherine the Great America achieves independence and the ideas of the Enlightenment begin to change the intellectual and religious landscape Max Beloff analyses the period in fascinating detail in a now reissued title that will be of particular interest to students of Early Modern History Politics and European diplomacy *European Political Thought 1600-1700* W. M. Spellman, 1999-01-05 The European seventeenth century saw the seeming resolution of two great conflicts Through the nightmares of the Thirty Years War and the British civil wars the murderous religious hatreds that had dominated the previous period finally burnt themselves out Extreme Protestants were defeated expelled contained or subordinated and Catholicism successfully re-established itself through much of Europe as the dominant religion Dr Spellman studies all the great political theorists of the century dominated inevitably by Hobbes This book will be invaluable for anyone studying seventeenth century European history it allows those studying the thought of the period to understand the historical context and those studying the military and political events to understand their intellectual underpinning **The Long Process of Development** Jerry F. Hough, Robin Grier, 2015-04-30 This groundbreaking book examines the history of Spain England the United States and Mexico to explain why development takes centuries
