Egypt and in particular the Cairo Regional Centre for International Commercial Arbitration CRCICA has clearly cemented its status as a preferred seat for arbitration cases in both the Middle East North Africa MENA region and the African continent To assist parties with a need or desire to arbitrate disputes arising in these regions whether commercial or investment this incomparable book the first in depth treatment in any language of arbitration practice under Egyptian law provides a comprehensive overview of the arbitration process and all matters pertaining to it in Egypt starting with the arbitration agreement and ending with the recognition and enforcement of the arbitral award Citing more than 2 500 cases both awards and arbitral related court judgments the book s various chapters examine in detail how Egypt s arbitration law based on the UNCITRAL model law encompasses such internationally accepted arbitral provisions and aspects as the following application of the New York Convention concept of arbitrability choice of applicable law formation of the arbitral tribunal selection rights duties liability and challenge of arbitrators arbitral procedures evidence and experts and burden of proof form and content of arbitral awards annulment and enforcement procedures interaction between Sharia law and arbitration role of Egypt s Technical Office for Arbitration TOA and judicial fees Special issues such as third party funding and public policy as well as particular areas of dispute such as construction sports real estate labor and employment tax competition intellectual property and technology transfer are all covered The author offers practical guidelines tailored to arbitration in these specific areas of law An added feature is the many figures and other visuals that accompany the text For whoever is planning to or is currently practicing arbitration in the Middle East this matchless book gives arbitrators in house counsel and arbitration practitioners everything that is needed to answer any question likely to arise This book should be on the shelf of every practitioner and academic wishing to comprehend arbitration in Egypt as construed by the Egyptian Courts Review Testimonial The book is an excellent contribution to understand and assess Egyptian international arbitration law and practice and invaluable guide

for lawyers arbitrators and academics working on arbitration cases connected to Egypt for three main reasons First a case law perspective that adds considerable value to the book The author examines not only the text of laws but also the case law On every issue Mr Shehata quotes the positions of Egyptian courts especially those of the Egyptian Cassation Court With more than 2 500 cases cited the book is a precious source to discover the Egyptian decisions originally only in Arabic Through an analysis and commentary of a great number of decisions rendered by various levels of Egyptian courts the book offers the most reliable source with regard to the interpretation and the application of the Law No 27 of 1994 and the international conventions by Egyptian courts Second a complete and far reaching analysis The book covers all aspects of the arbitration process from the arbitration agreement to the enforcement of arbitral awards It includes the specific arbitration sectors such as sport arbitration construction arbitration and investment arbitration This coverage makes the book one of the reference work on the whole regime of arbitration in Egypt Third an up to date study which takes into account rule changes and up to date developments on new trends such as third party funding optional clauses virtual hearings the use of tribunal secretaries and issues of ethics in arbitration Source Reviewer Professor Walid Ben Hamida University of Paris Saclay France ICC DISPUTE RESOLUTION BULLETIN 2021 ISSUE 3 Labor and Employment Arbitration Charles J. Coleman,Theodora T. Haynes,Marie T. Gibson McGraw,1997 An extension of Labor Arbitration An Annotated Bibliography this volume intends to provide a larger sense of history of institutional development and of the abiding questions that have been raised in and about labor arbitration The editors focus on substantial professional and academic studies of labor arbitration in the United States and Canada drawing material from books monographs analytical articles in professional and academic journals and selections from the proceedings of the meetings of academic and professional societies In response to the changing demands made upon arbitrators the editors have extended their coverage to include alternative dispute resolution and the Americans with Disabilities Act A large section of the book deals with employment arbitration and matters such as wrongful discharge Coverage of arbitration outside North America is also expanded in the current volume which is based upon computer searches of the most widely used data bases and on cover to cover searches of the twenty leading journals in the field

Public Sector Employment in the Twenty-first Century Marilyn Pittard,Phillipa Weeks,2007-11-01 This book addresses the transformations which have occurred in employment arrangements and practices in the Australian public sector over the past decade the changes in responsibilities and accountability through employment contracts whistleblower legislation and partnerships between government and the private sector and provides a comparative context through studies of reconstruction of the public service in the United Kingdom and New Zealand Themes of contractualisation privatisation and outsourcing are explored and critically examined as well as influences of the industrial relations legislative framework including the Work Choices legislation Provided by publisher *Labor Relations in the Public Sector, Third Edition* Richard C. Kearney,Patrice M. Mareschal,2000-10-12 Summarizing the critical changes affecting labor relations in the global

marketplace this comprehensive text outlines problems and provides strategies for success in the dynamically evolving work environment Blending description analysis and empirical research into a thorough overview of the field the authors discuss court decisions and collective bargaining and labor relations at all levels of government In addition to a compendium of research resources this classroom friendly edition includes more new case studies illustrating key examples The third edition retains the successful features of previous editions and combines expertise from both academic and professional perspectives

Labor Arbitration Under Fire James L. Stern, Joyce M. Najita, 1997 Labor arbitration was once seen as an integral part of bargaining and as a pioneering effort to create shop floor justice But the decline of unions in status and power has raised profound questions about the future of labor arbitration While labor unions seek justice for twenty two million workers covered by collective bargaining arbitration of employment disputes in the non unionized sectors of the economy is on the increase with arbitration procedures promulgated by the employer substituting for more expensive litigation Moreover arbitration may find a new role among unrepresented employees as the obligation to justify discharges is more widely adopted This volume chronicles the development of labor arbitration analyzes the paths it is now following and suggests what the future may hold under changing conditions **Fire Technology Abstracts** ,1981 **Parliamentary Debates**

Australia. Parliament, 1929 *Arbitration Law of Brazil* Joaquim T. de Paiva Muniz, Ana Tereza Palhares Basílio, 2006-11-01 Arbitration Law of Brazil Practice and Procedure is a timely contribution to the development of commercial arbitration in Brazil as it provides international practitioners and arbitrators with a useful reference tool to understand the Brazilian arbitral framework Without sacrificing scholarly rigor it provides a clear commentary on Brazilian arbitration legislation from a practical perspective addressing the most relevant points in a direct and instructive manner so that even someone unfamiliar with Brazilian law can comprehend all issues This work reflects the experience of the authors who are among the most prominent arbitration practitioners in Brazil Both authors have long been committed to the development of arbitration through teaching classes organizing seminars and writing articles not to mention their work on the Arbitration Committee of the Rio de Janeiro State Chapter of the Brazilian Bar Association the first institution in Brazil to help develop and improve alternative dispute resolution mechanisms Besides the authors work this book also contains in its appendices articles from other leading Brazilian scholars analyzing relevant issues in connection with arbitration in Brazil This provides an enlightening combination of practical background and academic debate Publisher's website *The Industrial Arbitration Reports, New South Wales* New South Wales.
