

# The Habits of Wellness

## Being Healthy Is...

What do you think being healthy is? Many people think that being healthy means not being sick. But being healthy is much more. Being healthy has to do with a person's total well-being.

Sometimes we use the word wellness to describe good health. Wellness includes physical, mental, and social health. Physical health has to do with the condition of your body. Mental health has to do with how you feel and think. Social health has to do with the way you manage your relationships. The wellness triangle pictures these three parts of health.

These three basic parts of health are always affecting each other. Here's an example. Rita is feeling upset and anxious. Her father is in the hospital with a serious heart condi-
