

Health In Later Years

Armeda F. Ferrini, Rebecca L. Ferrini

Health In Later Years:

Mental Health And Well Being In Later Life Cattan, Mima, 2009-05-01 Offers a look at the mental health and well being issues that affect adults in later life Taking a holistic approach to mental health and mental health promotion this book explores the debates around what is meant by mental health and mental illness and the wider social determinants of mental health

Senior Health Solutions: Promoting Wellbeing in Later Years Bev Hill, Senior Health Solutions Promoting Wellbeing in Later Years is an invaluable guide for seniors their families and caregivers dedicated to enhancing health and wellbeing during the later stages of life This comprehensive book covers a wide range of topics from understanding the aging process and maintaining physical fitness to managing chronic conditions mental health and social engagement Each chapter provides practical advice and insights to support healthy aging address common health concerns and navigate major life transitions Empower yourself with the knowledge to lead a vibrant fulfilling life and ensure optimal health and wellbeing in your later years

Mental Health and Later Life John Keady, Sue Watts, 2010-09-13 The mental health needs of older people are all too often overlooked or put down to the inevitable effects of old age This textbook will make it much easier for health professionals to identify treat and support the needs of this vulnerable group

Social Capital as a Health Resource in Later Life: The Relevance of Context Fredrica Nyqvist, Anna K. Forsman, 2015-02-20 This book examines the social aspects of healthy ageing for older individuals It features more than 15 papers that explore the relevance of the social environment for health on the micro meso and macro level Overall the book applies a comprehensive contextual approach that includes discussion of how family and friends neighborhoods nations and welfare regimes influence health The book first explores the issue on the individual level It looks at the importance of social capital for health among older people examines types of social networks and health among older Americans as well as discusses dynamic social capital and mental health in late life Next the book looks at the issue through a neighborhood and societal context which takes into account day to day interaction in the immediate environment as well as the social health and economic policies in place in different regions in the world including America Europe Asia and Africa From there the book goes on to offer implications and recommendations for research and practice including the management of related concepts of research on well being and health It also offers a psychosocial approach to promoting social capital and mental health among older adults This book provides health professionals as well as researchers and students in gerontology sociology social policy psychology and social work with vital insights into the social factors that increase healthy life years and promote well being

Mental Health in Later Life Alisoun Milne, 2020-02-19 Focussing on mental health rather than mental illness this book adopts a lifecourse approach to understanding mental health and wellbeing in later life Well respected author and scholar Alisoun Milne explores the influences of lifecourse experiences structural inequalities socio political context history gender and age related factors and engages with new ways of thinking about preventing mental ill health and promoting mental health in later life Drawing

together material from a number of different fields the book analyses the meaning and determinants of mental health amongst older populations and offers a critical review of the lifecourse ageing and mental health debate for students professionals policy makers and researchers

Social Exclusion in Later Life Kieran Walsh, Thomas Scharf, Sofie Van Regenmortel, Anna Wanka, 2021-03-30 Drawing on interdisciplinary cross national perspectives this open access book contributes to the development of a coherent scientific discourse on social exclusion of older people The book considers five domains of exclusion services economic social relations civic and socio cultural and community and spatial domains with three chapters dedicated to analysing different dimensions of each exclusion domain The book also examines the interrelationships between different forms of exclusion and how outcomes and processes of different kinds of exclusion can be related to one another In doing so major cross cutting themes such as rights and identity inclusive service infrastructures and displacement of marginalised older adult groups are considered Finally in a series of chapters written by international policy stakeholders and policy researchers the book analyses key policies relevant to social exclusion and older people including debates linked to sustainable development EU policy and social rights welfare and pensions systems and planning and development The book s approach helps to illuminate the comprehensive multidimensionality of social exclusion and provides insight into the relative nature of disadvantage in later life With 77 contributors working across 28 nations the book presents a forward looking research agenda for social exclusion amongst older people and will be an important resource for students researchers and policy stakeholders working on ageing

Return Migration in Later Life John Percival, 2013-07-24 The main objective of this edited volume is to explore the motivations decision making processes and consequences when older people consider or accomplish return migration to their place of origin and also to raise the public policy profile of this increasingly important subject The book examines in detail a range of themes affecting return migrations including family ties obligations and their emotive strengths comparative quality and cost of health and welfare provision in host and home countries older age transitions and cultural affinity with homeland and psychological adjustment belonging and attachment to place

Depression in Later Life Robert C. Baldwin, 2014-02 Part of the Oxford Psychiatry Library series this concise pocket book provides an accessible account of how depression in older people presents why it is important and what treatments help

Issues in Aging Mark Novak, 2018-02-02 Issues in Aging combines social psychological biological and philosophical perspectives to present a multifaceted picture of aging Novak illustrates both the problems and the opportunities that accompany older age This text helps students understand the tremendous variability in aging and introduces them to careers working with older adults This new edition reflects the continued changes in the way we age The fourth edition has been updated to include emerging issues in aging These include the prevalence of HIV AIDs in later life current research on mental potential in old age the creation of age friendly cities and new options for end of life care Each chapter begins with a set of learning objectives to guide students in their reading and concludes with a list of main points

questions for discussion or study suggested readings and relevant web sites to consult Each chapter also includes up to date charts and graphs as well as key terms to help students understand the issues presented Break out boxes reveal the human side of aging through the stories of individuals in real life and in the media

Health in the Later Years with Powerweb Armeda F. Ferrini, Rebecca Ferrini, 2002-06 Health in the Later Years prepares students to meet the needs of an aging population as both participants of an aging society and in their careers as health professionals The text provides a broad overview of health and aging addressing concerns of those working with elders and covering psychological sociological biological and political factors affecting older populations

Self Care in Later Life Gordon H. DeFries, Marcia G. Ory, PhD, MPH, 1998-03-01 This volume is uncontested the most comprehensive and authoritative work on the subject of self care available to date It should set the stage for a new policy perspective on building a health care system that incorporates self care at its core Lowell S Levin Yale School of Public Health Practitioners and researchers who work with older adults are challenged to find ways to strengthen an elderly person's capacity to cope with age related changes that threaten independence This volume assesses the efficacy of self care in maintaining autonomy It applies a broad definition of self care that includes a range of behaviors undertaken by individuals families and communities to enhance health prevent disease limit illness and restore health

Longevity and Quality of Life Robert N. Butler, Claude Jasmin, 2012-12-06 Nations around the world are experiencing a spectacular increase in longevity Society as a whole is being challenged by issues arising from this revolution in longevity Although the specter of the loneliness and existential suffering of older citizens is such that some people under the age of 65 find it difficult to conceive of a long term future persons over 85 have proven that aging does not necessarily preclude a healthy and productive life Extraordinary progress in both curative and preventive medicine justifies optimism about the quality of life and state of well being that can be enjoyed even in great old age We should look to professionals in diverse fields to develop creative solutions to the inevitable issues that will arise with aging Governments must prepare for the future health of their citizens by making long term investments to educate all sectors of society in the value of good nutrition exercise and lifestyles that enhance well being throughout life Also governments should realize that the main cause of health care expenditure is serious illness which occurs in persons of all ages and not predominantly in older people Early detection can help save lives as well Health and longevity of life will ultimately end as a political issue What is needed is long term government investments necessary for a viable health policy The question arises will world leaders be able to commit to such a policy Two major socioeconomic phenomena may have a regulating effect on this issue The first is the emergence of pressure groups that have come into being in response to a particular health issue such as AIDS The second is the emergence of ethics committees in developed nations that deal solely with health issues

Research Handbook on Inequalities in Later Life Catherine Earl, Philip Taylor, 2024-06-05 This Research Handbook critically examines the myriad social and economic inequalities faced by those in later life Contributors dissect examples

from the Global North and South to support a new approach to studying ageing that moves beyond popular discourses

Reimagining Age-Friendly Communities Tine Buffel, Patty Doran, Sophie Yarker, 2024-06-28 How can we design develop and adapt urban environments to better meet the needs of an increasingly diverse ageing population This book highlights the urgent need to address inequalities that shape the experience of ageing in urban environments and demonstrates that despite obstacles meaningful social change is achievable locally *Studies of the Aged and Aging* United States. Congress. Senate. Committee on Labor and Public Welfare, 1956

Researching Later Life and Ageing Miranda Leontowitsch, 2016-11-09 This collection on researching later life and ageing critically reflects upon the qualitative methods used in gaining knowledge of under researched groups of older people and sets out future research agendas Learning in Later Life Trish Hafford-Letchfield, 2016-06-17 Within the UK and Europe government legislation and policies concerned with demography have asserted a paradigmatic shift towards the increased engagement of older people with public services The philosophy of user involvement and co production within these contexts has become integral to finding ways in which to improve the wellbeing of older people and their experiences of ageing well Whilst this area has been steadily emerging within the educational field in relation to the lifelong learning of older people there has been a relative under theorization and a lack of empirical research however into the lifelong learning needs opportunities and experiences of those older people using social care who are typically marginalized from these debates and developments This book address this gap by paying specific attention to examining what opportunities might be present within care services and public services in general for older people using social care to capitalize on the skills and knowledge they might need to achieve more person centred support Through developing a debate and argument for the convergence of the lifelong learning agenda with social policy and social care its core argument focusses on the challenge of sustainability of the care and support of older people The author explores how social care could engage more meaningfully with concepts such as social capital and the challenges associated with achieving a genuine co productive approach towards the quality of experience of older people using social care This book will be an essential read for professionals working with older people in health and social care as well as those engaged with gerontology and ageing studies in education and practice

Health in the Later Years with Powerweb Armeda F. Ferrini, Rebecca L. Ferrini, 2001-03 Health in the Later Years prepares students to meet the needs of an aging population as both participants of an aging society and in their careers as health professionals The text provides a broad overview of health and aging addressing concerns of those working with elders and covering psychological sociological biological and political factors affecting older populations

Depression in Later Life Robert Baldwin, 2010-02-11 Depression affects between 10 15% of older people making it the most frequently encountered mental health condition in later life Despite this the condition is easily missed in clinical practice or not adequately treated Part of the Oxford Psychiatry Library this concise pocketbook will provide an accessible account of what depression in older people is like why it is

important and what treatments help The text will highlight which areas of depression are of special relevance to later life how to diagnose depression in an older person the overlap with dementia and various other physical illnesses and important pharmacological considerations Ageing in a Consumer Society Ian Rees Jones, Martin Hyde, 2008-09 This book provides a unique critical perspective on the changing nature of later life by examining the engagement of older people with consumer society in Britain since the 1960s
