Health Wealth:

Health, Wealth and Happiness David Singh, Albert E. D'Souza, 2003 David Singh's dramatic journey from the jungles of Guyana to the helm of one of Canada's largest financial planning companies provides the backdrop for this guide to lasting happiness. Advocating wise investments, careful planning, and healthy eating choices. **Health, Wealth and Happiness** Emeritus Professor (Dr) Gary Goh, 2019-01-09 **Health Wealth and Happiness** By Emeritus Professor Dr Gary Goh. The age in which we live seems to be consumed by money madness. Thus people work very hard to acquire wealth and neglect their health. They forget that ill health leads to loss of the acquired wealth because they need to pay the high medical costs to seek medical treatment and they have to experience suffering, sorrow, pain, fear, and death. Life is a precious gift not to be wasted. To live properly in this reality, we must not ignore that health is equally important to wealth because without health, one cannot enjoy wealth and without wealth, one cannot survive since everyone needs shelter, food, clothing, and medical support. Living in a reality that is constantly changing, we need to have a source of constancy in the mind on health, wealth, and happiness to achieve a peaceful and contented life. This book is about how to achieve success in life through finding a peace of mind, acquire the material needs of life, and above all, attain happiness since we only have one chance to live in life.
