## **Heart In Hands:**

*Head, Heart & Hands* Dennis P. Hollinger, 2009-09-20 As Christians we are to love God with all of our being heart mind soul and strength But many of us tend to overemphasize one aspect or another and as a result our faith becomes imbalanced Some of us have an intellectual faith but lack compassion or spiritual discipline Others of us have a vibrant heartfelt relationship with God but lack commitment to truth or doctrine And many of us overlook translating our faith into service and ministry In this book ethicist Dennis P Hollinger presents a holistic integrative vision for reuniting Christian thought passion and action He shows how individuals churches and movements throughout history have focused on either the head or the heart or the hands often to the exclusion of other expressions But by linking our intellect emotions and actions Hollinger points us toward a whole faith for the whole person where each dimension feeds nurtures and sustains the others

Mikvah: Having Our Head, Heart, Hands, and Feet ALL IN for Jesus Christ Mark Whitehead, Bert Spann, **Leadership for Sustainability** David Dixon, 2022-03-17 Mobilised by the rousing words and protests of Greta Thunberg young people all over the globe are calling for more action to combat climate change and better protect their futures Yet they cannot do this alone They are reliant on people in positions of power to set the necessary changes in motion and these people include their own school leaders operating within their own local communities This book is a rallying cry for all schools to unleash their potential to deliver a brighter future for both their pupils and society at large David Dixon draws on both his doctoral research and his 20 years experience as a head teacher to set out how school leaders can embed eco friendly practices in the day to day running of their schools that will also contribute to overall school improvement including that recognised by inspectors David weaves his guidance around the five Cs of sustainability captaincy curriculum campus community and connections to position sustainability as a natural vehicle for developing a type of fully integrated learning ecology and culture for the benefit of all The book provides a detailed analysis of where we are now in terms of environmental impact and lays out a road map to help schools move towards more effective eco friendly provision It shares practical examples of sustainability in schools and how these contribute to school improvement in the wider more conventional sense too Furthermore each chapter concludes with a series of suggested strategies to encourage further thought and discussions among school stakeholders Suitable for school leaders teachers and teacher trainers in both primary and secondary settings and for any professionals who work in schools on environmental education or improvement projects **Divine Secrets and Human Imaginations** Angelika Berlejung, 2021-04-13 The articles in this volume of collected essays written over the last two decades and all revised updated and supplemented with unpublished material are grouped around two themes Divine Secrets and Human Imaginations The first essays deal with the production initiation use and function the abduction repatriation and the replacement of divine images their outer appearance and the many facets of the divine presence theology in Ancient Mesopotamia The essays on the second topic deal with human imaginations human constructs and

constructed memories which assign meaning to the past or to things or experiences that are beyond human control Thematically several aspects of the human condition are examined such as the ideas associated in the Old Testament and the Ancient Near East with death corporeality enemies disasters utopias and passionate love *Proverbial Language in English Drama Exclusive of Shakespeare, 1495-1616* R.
