Heart Of A Stranger:

Heart of a Stranger Margaret Laurence, 2003 Travel was closely connected to Margaret Laurence's creativity Laurence realized that her travels especially to Africa provided her with new perspectives on Canada Heart of a Stranger originally published in 1976 is a fascinating travelogue chronicling Laurence's geographical journeys to many lands and historic places She notes I saw somewhat to my surprise that they are all in one way or another travel articles And by travel I mean both those voyages which are outer and those voyages which are inner Laurence writes about her travels to Egypt in Good Morning to the Grandson of Ramesses the Second to Scotland in Road from the Isles and to Greece in Sayonara Agamemnon In The Very Best Intentions Laurence sees herself as a stranger in a strange land in Ghana She reflects on the many places she lived in Put Out One or Two More Flags Down East The Shack and Where the World Began Professor Nora Foster Stovel's new introduction Heart of a Traveller explores how Laurence's experiences in other lands influenced and shaped her writing She contends that Heart of a Stranger constitutes a concealed autobiography for in chronicling her literal life journey Laurence also reveals her spiritual odyssey

The Heart of the Stranger Anna Christian Ruddy, 1975 By Heart Philip Brady, 2008 With a perfect balance of playfulness humor and apology Philip Brady calls himself a bard But he explains that before the title became shrouded in mystery bards were simply teachers unknown and poor who gave literal voice to poems through recitations Woven throughout these twenty essays is Brady's resistance to the academic expectations and settings of poetic instruction enabling him to elicit the most authentic and surprising responses from a range of voices He is motivated by the possibility of poetry expressed in the grittiest of places and takes readers from the rust belts of Ohio to the far flung pubs of Ireland to Zairian classrooms with few books and fidgety lightbulbs Most of all he believes that while bad poetry is a fact of life good poetry should be studied and learned by heart Brady doesn't resort to dissecting poems here though poems his own and those of many of his masters from Yeats to Tu Fu do appear Instead the poetic language of his observations seems to fulfill a greater purpose Voiced the poem is transfigured from a printed glyph to sensory language ephemeral but with a tensile strength derived from the collective memory that births it Critics may feel differently but what matters to a poem is not how many times it is reprinted but how deeply it penetrates the heart These essays are meditations grounded in the author's life as a poet teacher publisher musician traveler and organizer In one reader's encounter non traditional students who attend class after work and whose lives are already shaped by burden Brady recognizes the tension between reading poetry as an academic exercise and reading it for its power to endow all people with a broader sense of the self that is informed by both the dead and the living He celebrates the challenges that his students bring to the classroom by forging headlong into discussions that other instructors would cringe at as when a student declares that he doesn't like reading old poetry but instead likes greeting card poems Brady masterfully turns this potentially deflating moment into one that is both validating and deeply inspiring for student and reader

Snyder,2011-09-11 For seven years Emmett Ward has harbored amorous feelings toward his partner Jack Robison A chance encounter brought them together Emmett slaved in an illegal warehouse run by a Korean criminal known as the Dragon Lady when Jack a notorious bounty hunter with his sights set on her son Lin Ji was captured Emmett helped Jack escape in return for his own freedom They ve been together ever since but Emmett aches for so much more than their platonic partnership A new bounty has been placed on Lin Ji s head sending Emmett and Jack to the wilds of Alaska where they hope to take out the crime lord during an annual dog sled race As they near their target they run into Monty Becker another hunter Jack used to know He takes an interest in Emmett who is drawn to the sexy charismatic fellow despite Jack s warnings Emmett is torn between the two men Monty is more than willing to show him what he s missing but Jack is what his heart wants When the three team up to take out Lin Emmett learns more of the past Jack and Monty share and discovers just why his partner has ignored his obvious feelings for so long *Fire's Hand, Fate's Heart* Lindsey Brounstein,2024-06-10 Fire s hand begets the spark That lights the way for Fate s bold heart As a Warden of the Flame Verity Corallan has sworn to protect the people So when it is rumored that the warmongering kingdom to the south has obtained a weapon of formidable power she understands what s coming By order of the Council Verity is tasked with infiltrating the kingdom of Westhold and bringing back its secrets Her best friend and fellow Warden is going with her but so is the irksome mercenary Dare Dare is used to secrecy stealing and working alone But a job like this requires teamwork however reluctant What the group discovers is far more powerful than any magic seen before A conduit for divine power its force could mean the destruction of not just towns and cities but the entire continent As the unlikely allies struggle to piece together the mysteries of their mission and uphold their responsibilities to the realm one question looms above Verity and Dare how do they destroy a weapon that has been forged by indestructible powers This is the first book in the Five Fates series by Lindsey Brounstein *Antiquary, Black dwarf, Old mortality; vol. 3, Rob Roy, Heart of Mid-Lothian* Walter Scott,1855 *Healing the Heart of the World* Dawson Church,2010 This book takes the viewpoint that personal health and earth s health are one In this mindset it examines powerful new trends shaping individual wellness and planetary health A wide spectrum of factors are considered as the book includes sections by 40 prominent educators scientists ecologists psychologists doctors entrepreneurs and spiritual leaders Their goal To offer visionary ideas that point the way to a sane

hopeful and sustainable future Expressions of the Heart Flora Emmanuel-Joseph,2012-04 If you have had any affiliation to any individual this book is definitely for you Expressions of the Heart is a collection of poems which emanated from the heart of the author expressly for readers like you It sets out to serve as a comfort and inspiration to all readers It embraces real life issues in a manner that gives meaning to some of the experiences that are buried deep inside us as well as those we encounter in our daily living The use of figurative language sets to present you with novel ways of unfolding those feelings Expressions of the Heart allows you to reflect on your situations and encourages you to personalize the experiences of others so that the poems do not become just words on paper but something that you can relate to or imagine something captivating something REAL It also presents life experiences from a Caribbean culture which can be quite different from that of other cultures around the world For example common law unions are often frowned upon especially in times of death and people make judgements about the souls of those who died in those unions Such issues are addressed in the book so as to allow the voices of those caught in the seat of judgement to be heard and understood No matter what your interests are you will enjoy moments of joy and laughter coupled with feelings of sadness for unfulfilled love You will experience something There is something for everyone *Awakening the Kind Heart* Kathleen McDonald,2010-05-10 Everyone appreciates kindness A smile a few friendly words a show of concern when we're troubled or feeling unwell an offer of help gestures of kindness like these brighten our day and ease whatever sadness we may feel in our hearts Feeling that someone cares fulfills a very deep need that we all have And just as we appreciate other people being kind to us others appreciate it when we are kind to them That is why it is important to learn to be kind because it will help make our relationships and interactions with others more satisfying and less problematic But it's not always easy to be kind Sometimes our hearts are filled with anger jealousy or pride and being kind is the last thing we feel like doing Or we get so caught up in our work and responsibilities that we find no time to think of others and their needs no time to be kind and gentle However these problems can be remedied The Buddhist tradition offers a wealth of methods that can be used to overcome whatever prevents us from being kind and gentle Some of these methods are explored and explained in this book in a way that will allow you to practice them in your daily life Awakening the Kind Heart offers powerful and inviting meditation techniques to activate the heart of kindness within us all a modern and motivating interpretation of traditional and powerful practices
