Heart To Heart:

Heart To Heart ,Alabama,2023-02-21 The material in this book is more than just poems Everyone has to find their only true voice expression and an outlet of showing how they truly feel without all the anger pain and negative emotions that seem to lead us in the wrong direction when we try to voice it through discussion or conversation at times This is my only way of having a positive outcome without complications of having my true feelings come out the wrong way It s not what you say but how you say it that means the most Growing up in a mentally abusive family I ve learned that one single word said in different ways can have different meanings If we say things the wrong way because we re hurting inside and hurt someone with our words it only hurts us three times worse God equips us all the same way and gives us all the same tools in life The problem is he doesn t supply instructions on how to use them They only become clear through trials and tribulations of life s lessons If you want to break those vicious circles or want to lead a better peaceful life without pain Thank you Lord for all my hardships that have taught me so much about life and myself

Heart to Heart--The Journey Outward Robert P. Vande Kappelle,2023-01-20 Whether religiously theists atheists agnostics or simply seekers each of us is on a journey of faith spiraling through stages seasons or phases of spirituality On this journey we discover that spirituality is more caught than taught and that faith enriched more by subtraction than by addition is more about unlearning than learning At the center of Jesus life and message stands the exhortation to receive and share divine love The two volumes of Heart to Heart excerpted from Dr Vande Kappelle s published writings examine the meaning and implications of the biblical Great Commandment to love God and others as oneself Whereas the first volume examines the spiritual journey inward this companion volume examines the journey outward Ultimately there is only one spiritual journey the journey Godward and there is only one commandment Divine love is the key to everything Unloved people misbehave fail to love or fail to change Loved people aren t concerned with rules regulations or beliefs Rather because they are loved they take proper care of themselves and in so doing care for nature and others as extensions of themselves Heart to Heart is written for those who affirm the value of lifelong spiritual growth realize the limits of logic and embrace the paradoxes in life If you are willing to commit less than ten minutes a day over a seven month period you will undertake a spiritual journey of epic proportions guaranteed to transform you morally and spiritually In addition you will come to embrace Christianity as the transformative movement envisioned by Jesus for humanity a way of life grounded in compassion justice service humility and love of others
