This Cool Green Earth Don McBurney, 2021-10-05 This Cool Green Earth is a Christian story of redemption showing how God chooses an unlikely person to help advance His kingdom After touring the state Gil and his wife purchase a large ranch and provide safe shelter for disadvantaged boys from locations across America and middle Eastern refugees who have been displaced because of religious persecution Israel's re establishment as a nation state in 1948 began the final count down to judgment and the arrival of extinction level events most notably an asteroid that threatens to impact Earth This Cool Green Earth shows readers humanity's depravity issues a call to repentance presents the twin realities of a loving merciful God who is not a tame lion and the imminent arrival of cataclysmic judgment By reading Gil's story readers learn to take advantage of their opportunity while Earth is still cool and green before it turns hot and dry This Cool Green Earth is unique in that it presents a future that is catastrophic without being dystopian

[Psychoactive Herbs in Veterinary Behavior Medicine](#) Stefanie Schwartz, 2008-01-09 The phenomenal growth of public interest in alternatives to Western treatments for human disease has spilled over into veterinary medicine Many holistic veterinarians and pet owners

are now interested in using alternative remedies to solve health problems with their pets

Psychoactive Herbs in Veterinary Behavior Medicine is the first text on psychoactive herbal remedies for the treatment of behavior problems in small animals

Psychoactive Herbs in Veterinary Behavior Medicine is an important guide for board certified veterinary behaviorists as well as veterinarians and veterinary students with a particular interest in behavior medicine

In addition pet owners interested in alternative medicine for their misbehaving pets can use this well rounded work to make informed decisions on the use of over the counter remedies

Conversations with Plants Nikki Darrell, 2020-03-31

In some parts of the world plant medicine is still taught at the kitchen table by the cooking fire or in the fields passed down from parent to child and woven through the fabric of the culture

In many places it has been severely eroded but it has not been lost

This book helps us reclaim and restore a hugely important part of our heritage

our plant medicine path

Conversations with Plants reminds us of the intimate bond that has always existed between people and plants and encourages us to bring them back into our daily lives

It includes instructions on how to develop these connections by using essential oils gardening and growing herbs medicine making and gathering wild food

It is an invitation to step into your own relationship with plants their stories and meanings feel into their medicine and understand how to work with them by bringing your own medicine into the conversation

It is for practitioners students and anyone wishing to deepen their knowledge of the green world
