Heart Of Revival:

Hearts on Fire Fred A. Hartley III, 2021-02-01 Heart fire is the invigorating feeling that ignites inside you when you encounter the reality the reality of the living God and the reality of who you are meant to be But fire is more than a feeling much more When the fire inside God touches something inside you the effect is spontaneous combustion God actually made your heart to be a flame holder of his presence The flow of fire into your heart is just as important as the flow of blood into your heart You can't live without blood and in reality you can't live without fire not really live Here's the good news it is not your job to set your heart on fire Fire is what God does not what you do Hearts on Fire is altering the course of history God wants to set your heart on fire and to make you a history shaper No one else can take your place You have a unique mission to fulfill May God spark revival fire in your heart today Hearts on Fire is not a book about revival it's a book of revival

Heart of Revival Vincent Skinner, 2023-11-27 Revivals come and go but true revival never ends when we choose to stir ourselves to love and pursue Him I believe we can experience revival right here and now because the Holy Spirit moves in response to yielded and hungry hearts Revival fire begins with a spiritual hunger and thirst for more of Him and His Spirit People are yearning for a God who is personal and supernatural and God is moving in marvelous ways to reach these hungry hearts with His love healing delivering and saving power If you find yourself hungry for God and His manifest Presence then Heart of Revival will ignite a fire of love for God and His anointing in your life Your hunger for God will be stirred through the pages of this book as you choose to pursue Him no matter what the cost His presence changes us as we seek Him The power and anointing of the Holy Spirit through us will impact the world around us Oh that the fires of Revival would burn And men's hearts would turn to God in full surrender
