deeper into the spiritual life in ways that people of diverse faiths can embrace Blending yogic practices with Christian spirituality and worship the Reverend Gena Davis has co created an exciting and powerful new practice of spiritual ritual and celebration called YogaMass that leads to embodying Christ Consciousness On and off the yoga mat this book points the way to discovering a whole self spiritual experience and connecting with God through an awakened open mind and heart I loved this book The author the Reverend Gena Davis shares the story of her amazing spiritual journey that culminates in the creation of the world s first YogaMass service This alone would make the book well worth reading but throughout she integrates sacred writings stories and poems from spiritual masters of western and eastern spirituality all the while never losing sight of her own Christian heritage It is a remarkable accomplishment You will be blessed by this book and want to share it with others The Reverend Dr John K Graham president and CEO Institute for Spirituality and Health at the Texas Medical Center Houston I am delighted and privileged to encourage those who seek to worship God with all that is within to pick up and digest this spiritual teaching presented by the Reverend Gena Davis Gena has captured the importance of worshipping God with as the Psalmist uttered all that is within me I am fascinated by the interplay of yoga and liturgy within these pages and find myself wanting to go deeper into both I think the Reverend Davis is on to something that has been lacking in our Christian path and tradition The interweaving of her personal narrative and the spiritual insights she gained through the study and practice of yoga unveils how God s truth makes itself known through many different paths The Reverend Dr Richard Kleiman retired Presbyterian pastor Yoga is an exploration based on experiential processes It is defined by our own internal truth Making Yoga universal but deeply personal is something Gena Davis expresses so beautifully Robert Boustany Yoga instructor and master and founder of Pralaya Yoga system **God's Grand Design** William R. Arnold,2021-06-30 God s Grand Design By William R Arnold Edited by Ms Aurora Payad Arnold God s Grand Design is to restore mankind to its original state of sacred perfection after Adam and Eve fell and created the original sin of disobedience hiding and lying to the Lord When God cursed the serpent for tempting Adam and Eve to be like God he promised to send his only begotten Son to save humanity He did via the incarnate word in the womb of the immaculately conceived Virgin Mary God wants to be man and receive a new body to defeat death through Jesus Christ Man wants to become God to receive eternal life Man s journey to become God starts from being an ignorant baby gaining knowledge to a cowardly teenager obtaining courage to an adult converting greed to generosity to a wise man changing selfishness to unselfishness and at last to a free man able to think for himself in eternal service to God in his kingdom The journey requires him to know right from wrong good from evil and God s will from man s will and thus defeat evil worldly temptations and demonic possession Through Christ God and man are destined to become one through three advents making the God Man Christ into the new human spirit blessings Then the Man God Jesus becomes the new human flesh to make all things perfect in the sight of God Jesus Christ came as a priest on a donkey to decode the Torah bring knowledge and remove blindness to defeat sin By his

death and resurrection he granted free redemption to man's flesh to give him a new body The second coming of Jesus Christ as thief in the night will bring awakening to remove deafness by teaching God's truths to defeat evil As a just judge on a cloud on his third advent the Lord will remove mankind's dumbness to defeat death And then man can become worthy of receiving God's rewards of paradise in heaven or heaven on earth
