Multisensory Shakespeare and Specialized Communities

Sheila T. Cavanagh, 2024-01-25 How can theatre and Shakespearean performance be used with different communities to assist personal growth and development while advancing social justice goals Employing an integrative approach that draws from science actor training therapeutical practices and current research on the senses this study reveals the work being done by drama practitioners with a range of specialized populations such as incarcerated people neurodiverse individuals those with physical or emotional disabilities veterans people experiencing homelessness and many others With insights drawn from visits to numerous international programs it argues that these endeavors succeed when they engage multiple human senses and incorporate kinesthetic learning thereby tapping into the diverse benefits associated with artistic movement and mindfulness practices Neither theatre nor Shakespeare is universally beneficial but the syncretic practices described in this book offer tools for physical emotional and collaborative undertakings that assist personal growth and development while advancing social justice goals Among the practitioners and companies whose work is examined here are programs from the Shakespeare in Prison Network the International Opera Theater Blue Apple Theatre Flute Theatre DeCruit and Feast of Crispian programs for veterans Extant Theatre and prison programs in Kolkata and Mysore India

Shakespeare: Actors and Audiences Fiona Banks, 2018-11-15 Shakespeare Actors and Audiences brings together the voices of those who make productions of Shakespeare come to life It shines a spotlight on the relationship between actors and audiences and explores the interplay that makes each performance unique We know much about theatre in Shakespeare's time but very little about the audiences who attended his plays Even today the audience's voice remains largely ignored This volume places the role of the audience at the centre of how we understand Shakespeare in performance Part One offers an overview of the best current audience research and provides a critical framework for the interviews and testimony of leading actors theatre makers and audience members that follow in Part Two including Juliet Stevenson and Emma Rice Shakespeare Actors and Audiences offers a fascinating insight into the world of theatre production and of the relationship between actor and audience that lies at the heart of theatre making

The Game Don McLean, 2019-03-04 This traditional style murder mystery takes place in the unlikely setting of a hospital where an innocuous game which medical staff play to hone their professional skills provides the stimulus for murder When Katlin's long time friend dies mysteriously just as she is to be discharged from the hospital Katlin and her colleague Palmer start stalking clues Soon they become convinced that a killer is taking advantage of the hospital environment to cover up deadly crime and using techniques that might have been learned during the game But why would a medical professional trained to alleviate physical and mental health decide to murder seemingly random hospital patients And why is this hospital the killer's target Is the killer cold blooded or suffering from some sort of delusion With the whole hospital's staff as potential suspects this whodunit is sure to keep the amateur

After an accident puts Juelle McClintock's husband Sebastian in a coma she's left to care for her small daughter on her own and to deal with the guilt over her plan to divorce him. When Juelle is faced with the decision of whether to remove his life support her grief-stricken mother-in-law calls her a murderer. Matters become more complicated when Hunter McClintock arrives in town claiming to be Sebastian's half brother. Hunter McClintock is summoned from Hawaii for the reading of his father's will, a father he never knew. Despite his qualms of dredging up bitter emotions he goes to Lobster Cove, Maine, and walks head first into a hornet's nest and a beautiful, sexy, grieving widow who is married to his half brother. An unexpected stipulation is revealed at the reading of the Will, and Hunter and Juelle are faced with decisions that will alter their destinies. Will Juelle's legacy complicate her life further or lead to the contentment and love she deserves? **The Stardust Thief**

Chelsea Abdullah, 2022-05-17 Inspired by stories from *One Thousand and One Nights*, this book weaves together the gripping tale of a legendary smuggler, a cowardly prince, and a dangerous quest across the desert to find a legendary magical lamp. Neither here nor there, but long ago Loulie al Nazari is the Midnight Merchant, a criminal who, with the help of her jinn bodyguard, hunts and sells illegal magic. When she saves the life of a cowardly prince, she draws the attention of his powerful father, the sultan, who blackmails her into finding an ancient lamp that has the power to revive the barren land at the cost of sacrificing all jinn. With no choice but to obey or be executed, Loulie journeys with the sultan's oldest son to find the artifact. Aided by her bodyguard, who has secrets of his own, they must survive ghoul attacks, outwit a vengeful jinn queen, and confront a malicious killer from Loulie's past. And in a world where story is reality and illusion is truth, Loulie will discover that everything her enemy, her magic, even her own past is not what it seems, and she must decide who she will become in this new reality. Literacy for Visual Learners

Adele Devine, 2015-10-21 This book provides exciting new strategies for teaching literacy to children with autism spectrum conditions and special educational needs. Keeping the strengths of visual learners at the heart of each strategy, the author shares tried and tested ways to develop key reading, writing, comprehension, and communication skills. Ankaran Immersion Will Weisser, 2017-11-01 All her life Eveningstar of the Pure has honed her survival skills against the strand, a nanotech organism which infests most of the planet. And she has always shunned the Tainted, those who replace their body parts with tamed strand to enhance their bodies and minds. But then a gang of child soldiers kidnaps her brother, taking him to the distant Gridlands past a gauntlet of shape-shifting monsters. In an eternal war between technology and nature, between those who oppose it and those who embrace it, Evie will need to break the law, put aside her distrust for the Tainted, and perhaps even take a few of their tricks for her own if she wants to save her brother.
