of the towering figures of second wave feminism **Last Days at Hot Slit** Andrea Dworkin, 2019-03-05 Selections from the work of radical feminist author Andrea Dworkin famous for her antipornography stance and role in the feminist sex wars of the 1980s Radical feminist author Andrea Dworkin was a caricature of misandrist extremism in the popular imagination and a polarizing figure within the women's movement infamous for her antipornography stance and her role in the feminist sex wars of the 1980s She still looms large in feminist demands for sexual freedom evoked as a censorial demagogue more than a decade after her death Among the very first writers to use her own experiences of rape and battery in a revolutionary analysis of male supremacy Dworkin was a philosopher outside and against the academy who wrote with a singular apocalyptic urgency Last Days at Hot Slit brings together selections from Dworkin's work both fiction and nonfiction with the aim of putting the contentious positions she's best known for in dialogue with her literary oeuvre The collection charts her path from the militant primer *Woman Hating* 1974 to the formally complex polemics of *Pornography* 1979 and *Intercourse* 1987 and the raw experimentalism of her final novel *Mercy* 1990 It also includes *Goodbye to All This* 1983 a scathing chapter from an unpublished manuscript that calls out her feminist adversaries and *My Suicide* 1999 a despairing long form essay found on her hard drive after her death in 2005 *The Women's House of Detention* Hugh Ryan, 2022-05-10 This singular history of a prison and the queer women and trans people held there is a window into the policing of queerness and radical politics in the twentieth century The Women's House of Detention a landmark that ushered in the modern era of women's imprisonment is now largely forgotten But when it stood in New York City's Greenwich Village from 1929 to 1974 it was a nexus for the tens of thousands of women transgender men and gender nonconforming people who inhabited its crowded cells Some of these inmates Angela Davis Andrea Dworkin Afeni Shakur were famous but the vast majority were incarcerated for the crimes of being poor and improperly feminine Today approximately 40 percent of the people in women's prisons identify as queer in earlier decades that percentage was almost certainly higher Historian Hugh Ryan explores the roots of this crisis and reconstructs the little known lives of incarcerated New Yorkers making a uniquely queer case for prison abolition and demonstrating that by queering the Village the House of D helped define queerness for the rest of America From the lesbian communities forged through the Women's House of Detention to the turbulent prison riots that presaged Stonewall this is the story of one building and much more the people it caged the neighborhood it changed and the resistance it inspired Winner 2023 Stonewall Book Award Israel Fishman Non Fiction Book Award CrimeReads Best True Crime Books of the Year *Girls Rock!* Mina Carson, Tisa Lewis, Susan M. Shaw, 2014-07-11 With a foreword by Jennifer Baumgardner and Amy Richards *Girls Rock* explores the many ways women have defined themselves as rock musicians in an industry once dominated and controlled by men Integrating history feminist analysis and developmental theory the authors describe how and why women have become rock musicians what inspires them to play and perform how they write what their music means to them and what they hope their music means to listeners As these musicians tell their stories topics emerge that illuminate

Then They Lived Happily We enter our romantic relationships with great love hope and excitement we've found the one so we plan and forge our futures together But sometimes for many different reasons relationships come undone they don't work out Commonly we view this as a personal failure rather than an opportunity And instead of honoring what we once meant to each other we hoard bitterness and anger stewing in shame and resentment Sometimes even lashing out in destructive and hurtful ways despite the fact that we're good people at heart That's natural we're almost biologically primed to respond this way Yet there is another path to the end of a relationship one filled with mutual respect kindness and deep caring Katherine

Woodward Thomas author of *Calling in The One* and creator of the groundbreaking method *Conscious Uncoupling* provides the valuable skills and tools for you to travel this challenging terrain with these five thoughtful and thought provoking steps Step 1 Find Emotional Freedom Step 2 Reclaim Your Power and Your Life Step 3 Break the Pattern Heal Your Heart Step 4 Become a Love Alchemist Step 5 Create Your Happy Even After Life This paradigm shifting guide will steer you away from a bitter end and toward a new life that's empowered and flourishing **Listening to Olivia** Jody Raphael, 2015-11-01 For

nineteen years Olivia lived the shadowy life of stripper streetwalker and heroin addict on the fringes of society Leaving a troubled home at age sixteen to land a seemingly glamorous job at a Chicago stripclub she became trapped in a web of prostitution and drug addiction that eventually forced her onto the streets and into a world of hardship at the hands of abusive men But Olivia a resourceful vibrant woman of color ultimately escaped the prostitution lifestyle and is now director of addiction services at a community counseling program working to support drug dependent women Listening to Olivia is the compelling account of her descent into poverty and abuse together with her hard fought recovery By assimilating new research on the women and girls in prostitution in addition to their male customers Jody Raphael discovers that experiences like Olivia's are alarmingly common and argues that the sex trade as an institution promotes violence against women Smashing both the common stereotype of the depraved streetwalker and abstract feminist arguments legitimizing prostitution as the sexual liberation of women the author uncovers an emerging multimillion dollar global trafficking industry that detains women in a violent cycle of exploitation and dependence Olivia's own insights on her turbulent childhood

stripping in clubs soliciting on the street drug addiction brutal pimps her three pregnancies and her extraordinary transformation highlight important new questions who are the men who buy sex from such poor strung out women and why are so many of these men so violent Olivia s story gives a human face to the overwhelmingly low income non white and unempowered young women in prostitution today Combined with a wealth of new findings this gripping and accessible study challenges the academy the legal system and society as a whole to wake up and listen to the women like Olivia *Fast Families, Virtual Children* Ben Agger, Beth Anne Shelton, 2016-01-20 The Internet cell phones and other technologies have changed the ways in which people conduct their family lives raise children and navigate the blurry boundary between work and home Private life is colonized by employers teachers corporations family time is taken up by work homework and shopping What it means to be parents and children has changed dramatically This book shows how the nurturance of family has increasingly become a willful radical idea in an era of pervasive technology The authors analyze important trends including the acceleration and attenuation of childhood and offer a children s bill of rights and accompanying parental responsibilities **Prostitution, Trafficking, and Traumatic Stress** PhD, Melissa Farley, 2004-04-15 Prostitution Trafficking and Traumatic Stress offers the reader an analysis of prostitution and trafficking as organized interpersonal violence Even in academia law and public health prostitution is often misunderstood as sex work The book s 32 contributors offer clinical examples analysis and original research that cou
