**The Montpellier Codex, Part 4** Hans Tischler, 1985-06-01 *Gods Word from My Heart to My Lips* Canice Njoku C.S.Sp, 2020-02-17 This book is a very brief reflection on the readings of Sundays and solemnities of the churches liturgical calendar year A In order not to make this just a mere weekly homily but a full book for all time the thematic approach has been employed for each homily However these themes are not exhaustive Rather they are simply meant to help us have an idea of what could be the central message of each celebration Brief stories and other biblical passages quotes popular sayings and even personal life experiences have been employed in order to make the message clearer and more comprehensible to all Above all I have tried to keep it short and simple However great care has been taken in doing this by keeping in mind the rules of good biblical interpretation without down playing the meaning and message of the individual readings Hence this book follows both the catechetical and exegetical approach Some comments from readers from <https://wordpress.com> comments all from canice.com Father your reflections are brief inspiring and challenging Keep on helping us Fr Karoli Lwanga Kisii Diocese Kenya Thank you very much Fr Canice for your rich homilies It is a great help to me as I always read it as I prepare my weekly sermons God bless you and keep up the spirit of Cor unum Fr Aurelian Tumaini C S Sp Father you are great and wonderful Your reflections are highly inspired Please keep it up the Lord is your strength Thanks a lot Fr Samson Ofuonye Police Chaplain Benin City Father I want to thank you so much for your wonderful articulated well researched and organized homilies They are concise and straight to the point God bless you Izuu Iloka Thanks so very much for your reflection Padre Canice May God continue to bless and uphold you in the mission Amen Happy Sunday Fr Odaudu Matthias C S Sp Fr Canice what an inspiring thought you share every week I have been visiting your page since my student days and the flavor has not dwindled Keep it up you inspire me Fr Jude Hello Fr Canice let me appreciate you for the wonderful reflections you have been offering the world I really enjoy it and sometimes help myself with it whenever I am preparing my sermon Bravo Fr God bless you abundantly Fr Tizhe from Maiduguri Nigeria Padre your website makes things easy for us as it presents a rich source of good homilies Thanks and may God help you to keep it up Okenyi Emmanuel Chidobe Lead With Your Heart Regina Cates, 2014-04-15 In *Lead with Your Heart* author Regina Cates asks us to question our notion of what success and happiness really mean Through the sharing of her own personal stories as well as providing helpful meditations questions and exercises Regina offers a combination of wise advice compelling anecdotes and practical strategies for living a life that is authentic fulfilling and healing Regina is well qualified to help others down this path While sitting alone on her forty third birthday Regina hit an emotional bottom with the realization that prior to that moment she had been caught up in the rat race of trying to live up to other people's expectations and as a result she had given away one of her most important gifts the power of choice Regina realized that while we can't control other people or situations we do have a choice in how we respond to them Regina shows us that if we choose to act from a place of love

instead of a place of fear we make our lives and the lives of those around us better in the process Throughout the book Regina shares her amazing and often heart wrenching stories of how she moved away from a volatile victimized frame of mind to a place of making conscious actions and decisions from a centered heart driven state By following along with Regina's personal stories and practicing the exercises she's developed we can all learn how to choose positive heart centered solutions for the difficulties in our life
