Intimate Reading Janet Mason Ellerby, 2001-06-01 Maintaining that the memoir requires a more personal relationship with its readers and critics Janet Mason Ellerby calls for intimate readings She begins this work with her own memoir narrating a long held secret her pregnancy at age sixteen her life in the Florence Crittendon Home for Unwed Mothers and the birth and adoption of her first daughter She goes on to tell about the aftermath of this pivotal time in and the painful consequences of keeping a secret Included are detailed analyses of more than a dozen contemporary memoirs by American women all of which share a common purpose the disclosure of secrets Ellerby describes the costs of this secrecy and explores the possibilities of breaking intractable codes of silence It is a study that is germane to the intellectual and emotional lives of all women This book is the first serious exploration of a genre that has gained acceptance with an expanding audience of readers Ellerby maintains that the efforts of memoirists to plumb their painful pasts has cultural significance and precipitates important social work The memoir joins fiction and autobiography as an important commentary on modern life

The Heart's Progress Claudia Bepko, 1998 A unique glimpse into the growth of one woman's lesbian identity Like many lesbians Claudia Bepko was a young woman when she first admitted to having homosexual feelings but it took a lifeless heterosexual marriage and a fierce attraction to a female colleague before she was able to live openly in a relationship with another woman In this moving memoir she relives the painful and poignant awakenings she experienced in her early life from her blue collar Catholic upbringing and alcoholic father to her exhilaration and confusion as she entered college during the height of the sexual revolution where she encountered her first lovers Molly a fellow student and David whom she would eventually marry The different among us tell our stories because we are all only human and so much need a witness to the truth writes Bepko Having built a career in the early years of the women's movement she found the courage to question her heterosexuality Approaching middle age in the midst of lesbian chic she finds herself finally able to move from an identity shrouded in otherness to a life that celebrates the freedom and normalcy of loving whomever one is destined to love
