video streamings images email and emerging workload areas such as Web 2 0 and cloud storage The focus of this edition is on the XIV Gen3 running Version 11 5 x of the XIV system software which brings enhanced value for the XIV Storage System in cloud environments It offers multitenancy support VMware vCloud Suite integration more discrete performance classes and RESTful API enhancements that expand cloud automation integration Version 11 5 introduces support for three site mirroring to provide high availability and disaster recovery It also enables capacity planning through the Hyper Scale Manager mobile push notifications for real time alerts and enhanced security Version 11 5 1 supports 6TB drives and VMware vSphere Virtual Volumes VVOL In the first few chapters of this book we describe many of the unique and powerful concepts that form the basis of the XIV Storage System logical and physical architecture We explain how the system eliminates direct dependencies between the hardware elements and the software that governs the system In subsequent chapters we explain the planning and preparation tasks that are required to deploy the system in your environment by using the intuitive yet powerful XIV Storage Manager GUI or the XIV command line interface We also describe the performance characteristics of the XIV Storage System and present options for alerting and monitoring including enhanced secure remote support This book is for IT professionals who want an understanding of the XIV Storage System It is also for readers who need detailed advice on how to configure and use the system

Books Are Made Out of Books Michael Lynn

Crews,2017-09-05 Cormac McCarthy told an interviewer for the New York Times Magazine that books are made out of books but he has been famously unwilling to discuss how his own writing draws on the works of other writers Yet his novels and plays masterfully appropriate and allude to an extensive range of literary works demonstrating that McCarthy is well aware of literary tradition respectful of the canon and deliberately situating himself in a knowing relationship to precursors The Wittliff Collection at Texas State University acquired McCarthy s literary archive in 2007 In **Books Are Made Out of Books** Michael Lynn Crews thoroughly mines the archive to identify nearly 150 writers and thinkers that McCarthy himself references in early drafts marginalia notes and correspondence Crews organizes the references into chapters devoted to McCarthy s published works the unpublished screenplay *Whales and Men* and McCarthy s correspondence For each work Crews identifies the authors artists or other cultural figures that McCarthy references gives the source of the reference in McCarthy s papers provides context for the reference as it appears in the archives and explains the significance of the reference to the novel or play that McCarthy was working on This groundbreaking exploration of McCarthy s literary influences impossible to undertake before the opening of the archive vastly expands our understanding of how one of America s foremost authors has engaged with the ideas images metaphors and language of other thinkers and made them his own
