El Anarquista Desnudo:

El anarquista desnudo Lluís Fernàndez, 1979 El anarquista desnudo es un libro de carácter intimista escrito en forma de correspondencia. La novela comienza con la carta de un desconocido que reflexiona sobre la soledad y el desánimo hacia la vida. El espacio íntimo se alterna con una ciudad en plena ebullición cuyo centro es la Estación del Norte que vive rodeada de una comunidad animada por personajes marginales y singulares. Una ciudad de exceso y desorden que se rebela contra la moral de la época y las conveniencias históricas. Lluís Fernàndez González Wikipedia https://es.wikipedia.org/wiki/Lluís_Fernàndez_González *Queer Obscenity* Javier Fernández-Galeano, 2024-07-16 Under Spain's twentieth century dictators state agents not only censored, eradicated and attempted to prevent the circulation of obscenity but also contradictorily engaged in curation and even restoration initiatives that have bequeathed us an extensive queer pornographic archive. Javier Fernández-Galeano takes us inside the archive to demonstrate how the incongruities of the Primo de Rivera 1923-1930 and Franco 1939-1975 regimes were manifested in the regulation of erotic material cultures. The dictators' authorities destroyed straight pornographies while often curating and preserving queer erotica. While reproductions of the masterpieces of Tintoretto, Michelangelo and Botticelli were incinerated to avoid their deviant effects, judicial authorities could repeatedly attend the screening of an amateur film showing a gay threesome without acknowledging the irony: their concern was not that obscene material was consumed but rather by whom. Focusing on amateur pornographers and their confiscated and censored erotica, this book adds a rich complexity to both the history and theory of pornography, demonstrating that surveillance depends entirely on documenting intimacy and preserving transgression. This book sheds new light on the production, consumption and circulation of pornography and erotica in Spain over the course of the twentieth century, drawing connections between intimate queer desires, preservation and erasure. *Gestos en la noche* Javier Fernández-Galeano, 2025-05-28 Esta obra pionera e imprescindible que indudablemente se convertirá en referente, permite comprender la persecución que en España y más concretamente en la Comunitat Valenciana y Murcia sufrieron todas aquellas personas que no se adecuaban a las normas de virilidad y comportamiento sexual que impuso el nacionalcatolicismo. Por primera vez, el historiador Javier Fernández-Galeano se ha sumergido en los expedientes de peligrosidad social custodiados en el Arxiu Històric de la Comunitat Valenciana para sacar a la luz las vidas, el sufrimiento y las formas de resistencia y placer de las personas que fueron juzgadas y condenadas a penas de prisión, exilio y vigilancia por una ley que propiciaba el ensañamiento y la violencia. La aplicación de esas condenas trasciende el ámbito de las prisiones en tanto que los represaliados eran señalados y estigmatizados de por vida. Esta investigación nos adentra en los espacios de socialización de los homosexuales y las personas trans durante los años sesenta, trazando las biografías valientes de sus protagonistas. Un trabajo imprescindible y necesario en la recuperación de la memoria LGTB en la Comunitat Valenciana, Murcia y otros territorios. El socialismo al desnudo, o sea, El régimen socialista a la luz de la historia y de la filosofía Eugenio Manzanedo, 1919 **La ciudad interrumpida** Julià
