

EL DESAFIO INDIGENA EN NICARAGUA: EL CASO DE LOS MISKITOS

Jorge Jenkins Molieri
1985

El Desafio Indigena En Nicaragua El Caso

Hubert Carton Grammont

El Desafio Indigena En Nicaragua El Caso:

El desafío indígena en Nicaragua Jorge Jenkins Molieri, 1986 *El desafío indígena en Nicaragua* Jorge Jenkins Molieri, 1986 **El caso Awas Tingni contra Nicaragua** Felipe Gómez Isa, 2003 Con esta publicación desde el rea que se ocupa de las cuestiones indígenas en el Instituto de Derechos Humanos Pedro Arrupe de la Universidad de Deusto queremos contribuir a afirmar una tendencia reciente en el Derecho Internacional en general y en el Derecho Internacional de los Derechos Humanos en particular que otorga una atención cada vez mayor a las demandas y a las reivindicaciones de los pueblos indígenas **The Miskitu People of Awastara** Philip A. Dennis, 2010-06-28 Most anthropologists who have lived among other people feel a periodic need to go back writes Philip A Dennis in the introduction to this book Fieldwork gives you a stake in the people themselves a set of relationships that last the rest of your life and when the time is right it is important to go back Dennis first journeyed to Awastara a village on the northeastern coast of Nicaragua during 1978 1979 as a postdoctoral student He had come to study a culture bound syndrome in which young women are possessed by devils In the process he became fascinated by other aspects of Miskitu culture turtle fishing Miskitu Christianity community development efforts the whole pattern of Miskitu community life He also formed deep friendships to carry into the future Twenty years later he was able to return and continue his ethnographic work Utilizing ideas from recent interpretive anthropology and a vivid writing style Dennis describes food habits language health practices religious beliefs and storytelling inviting the reader to experience life in Awastara along with him Building upon earlier work by Mary Helms Bernard Nietschmann Edmund Gordon and Charles Hale *The Miskitu People of Awastara* makes its own original contribution It is the first full length study of a coastal Miskitu community north of Puerto Cabezas contrasting life before and after the war years of the 1980s It will be a valuable addition to the literature on this indigenous group and should appeal to anthropologists and other social scientists as well as all readers interested in peoples of the Caribbean coast

Shipwrecked Identities Baron Pineda, 2006-04-05 Global identity politics rest heavily on notions of ethnicity and authenticity especially in contexts where indigenous identity becomes a basis for claims of social and economic justice In contemporary Latin America there is a resurgence of indigenous claims for cultural and political autonomy and for the benefits of economic development Yet these identities have often been taken for granted In this historical ethnography Baron Pineda traces the history of the port town of Bilwi now known officially as Puerto Cabezas on the Atlantic coast of Nicaragua to explore the development transformation and function of racial categories in this region From the English colonial period through the Sandinista conflict of the 1980s to the aftermath of the Contra War Pineda shows how powerful outsiders as well as Nicaraguans have made efforts to influence notions about African and Black identity among the Miskito Indians Afro Nicaraguan Creoles and Mestizos in the region In the process he provides insight into the causes and meaning of social movements and political turmoil *Shipwrecked Identities* also includes important critical analysis of the role of anthropologists

and other North American scholars in the Contra Sandinista conflict as well as the ways these scholars have defined ethnic identities in Latin America As the indigenous people of the Mosquito Coast continue to negotiate the effects of a long history of contested ethnic and racial identity this book takes an important step in questioning the origins legitimacy and consequences of such claims

Autonomías y autogobierno en la América diversa Miguel, González, Araceli, Burguete, José, Marimán, Pablo, Ortiz-T., Ritsuko, Funaki, 2021-03-12 Los activismos globales de los pueblos indígenas y afrodescendientes han puesto en la arena de los debates el reclamo de autodeterminación autonomía y autogobierno logrando avances relevantes en las normas internacionales Sin embargo estos logros se enfrentan a políticas y realidades de los gobiernos nacionales y los intereses económicos de todo tipo en sus países que los amenazan y pretenden profundizar el despojo En este libro concebimos a la autonomía como una variedad de prácticas procesos y mecanismos de autogobernanza a través de los cuales se expresan y se dotan de sentido los derechos inherentes y aspiraciones soberanas de los pueblos indígenas y afrodescendientes alrededor del mundo El derecho a la libre determinación es una parte consustancial de la vida sociopolítica contemporánea y su ejercicio en sus territorios es hoy probablemente uno de los nuevos caminos para la persistencia de la vida en el planeta Las contribuciones que integran este volumen muchas de ellas de autor indígena colocan debates que abordan esos desafíos y enlazan las voces ancestrales con las luchas de hoy y la defensa del futuro

El caso Awas Tingni Felipe Gómez Isa, 2013-03-08 A mediados de los 90 una pequeña pobre y aislada comunidad indígena de la Costa Atlántica de Nicaragua la comunidad Awas Tingni del pueblo Mayangna acudió al sistema interamericano para denunciar al Gobierno nicaragüense por haber realizado concesiones para la explotación de madera en el territorio ancestral de la comunidad sin su consentimiento La decisión de la Corte Interamericana de Derechos Humanos situada en San José de Costa Rica en el Caso de la Comunidad Awas Tingni contra Nicaragua agosto de 2001 ha sentado un precedente muy prometedor para la evolución del derecho de los pueblos indígenas sobre sus tierras y recursos naturales en el panorama jurídico internacional

La participación electoral de los pueblos indígenas y afrodescendientes en América Latina: resultados de las misiones de observación electoral de la Organización de Estados Americanos Francisco Javier Ullan de la Rosa, 2022-09-07 Esta obra es una auténtica novedad en el campo de los estudios sobre pueblos indígenas y afrodescendientes ya que arroja luz sobre uno de los aspectos menos estudiados de estos colectivos su participación en los procesos electorales de los estados en los que viven en tanto que electores y candidatos El libro se aleja de la mirada antropológica clásica y aún predominante en las ciencias sociales que tiende a analizarlos como sociedades premodernas semiautónomas incrustadas en los modernos estados nación Este libro en cambio adopta una mirada política que los observa como ciudadanos aunque ciertamente con sus peculiaridades idiosincrásicas colectivas plenamente integrados a las dinámicas políticas de unos estados que ya no pueden ni quieren negar su carácter pluricultural El libro recoge una serie de investigaciones de gran valor empírico que hasta ahora no eran accesibles al público informes elaborados por los especialistas

en participaci n pol tica de pueblos ind genas y afrodescendientes de varias Misiones de Observaci n Electoral desplegadas por la Organizaci n de Estados Americanos en los ltimos a os Bajo el paraguas institucional de la OEA los autores de los informes tuvieron acceso a documentaci n y a informantes pol ticos de alto nivel candidatos al que los investigadores acad micos normalmente no suelen poder acceder Es por ello que el libro contiene informaci n absolutamente in dita y que ser de una ayuda inestimable para la entera comunidad de investigadores en este campo

Neoliberalismo y organizaci n social en el campo mexicano Hubert Carton Grammont,1996-01-01 Pueblos ind genas y derechos humanos Mikel Berraondo,2008 Los pueblos ind genas son colectivos que han sufrido y sufren como pocos graves privaciones de sus derechos civiles pol ticos econ micos sociales y culturales debido a una condici n la de ind gena que ha funcionado socialmente como causa de discriminaci n Desde este punto de vista plantearse una especificaci n de los derechos para estos pueblos resulta plenamente pertinente

La etnograf a de Mesoam rica meridional y el rea circuncaribe Andr s Medina,1996 El derecho a la identidad cultural de los pueblos ind genas de Am rica: Canad y M xico Marco ODELLO,2012-06-21 La obra sobre la base del sistema internacional de los derechos humanos trata de identificar unos derechos fundamentales que se pueden considerar particularmente relevantes para la tutela de la identidad cultural de los pueblos ind genas Se trata de unos par metros normativos que una vez identificados se utilizan para analizar los distintos derechos reconocidos en Canad y M xico y para averiguar las formas mediante las cuales se han reconocido estos derechos y su contenido legal El libro termina con una serie de conclusiones que ofrecen un posible significado y alcance de protecci n del derecho a la identidad cultural de los pueblos ind genas utilizando el m todo del derecho internacional y comparado

Nicaragua sandinista Mar a Molero,1988 National Integration and Contested Autonomy Luciano Baracco,2011 The indigenous and Afro descendant peoples along Nicaragua s Caribbean Coast once colonized by the British have long sought to establish their autonomy vis a vis the dominant Spanish influenced regions of the Pacific coast The book provides a wide overview of the autonomy process by looking at the historical background of autonomy claims to land and language rights and land demarcation and communal forestry projects

Transici n y lucha de clases en Nicaragua (1979-1986) Orlando N uñez Soto,1987-01-01 La tesis principal del trabajo se refiere a la posibilidad y necesidad de lo que el autor llama la revoluci n pol tica en los pa ses del Tercer Mundo no solamente para tomar el poder y emprender la revoluci n social sino tambi n para llevar a cabo una acumulaci n primitiva socialista en aquellos pa ses donde no existen objetivamente las condiciones econ micas para ello

Historia del siglo XX: Nicaragua, 1926-1939 Oscar-Ren e Vargas,2001 **Trees, People and Power** Peter Utting,2013-11-05 Behind the headlines about the loss of tropical forests in Latin America lies a complex and fascinating story of the social pressures which cause it Trees People and Power looks at the various groups interests and conflicts involved and explores the repercussions for forestry the environment and the livelihoods of the rural and urban poor Until the social and political dimensions of deforestation and forest protection schemes are understood

measures to prevent or slow deforestation are likely to involve technical interventions which will prove ineffective in the long run and may well result in further impoverishment and environmental degradation Peter Utting takes a critical look at the experience of forest protection and tree planting in a number of countries and considers how social and political factors affect the feasibility of such schemes Many environmental projects and programmes have failed to balance concerns for the environment with those of human welfare Until they do it is unrealistic to expect any significant progress towards sustainable development Peter Utting is a senior researcher coordinator with the United Nations Research Institute for Social Development He is the author of Economic Adjustment under the Sandinistas UNRISD 1991 and Economic Reform and Third World Socialism Macmillan 1992 Originally published in 1993 Aboriginal Peoples Marie Léger, 1994 Looks at the plight of aboriginal peoples in Mexico Columbia Nicaragua Panama Brazil in their flight for self government Gobiernos pluriétnicos Miguel González Pérez, 1997-01-01 **Prácticas de sistemas políticos comparados II: Centroamérica y Caribe** Rafael Martínez, 2001-10-09 Aquest text docent correspon als materials docents de l assignatura que s imparteix a la Universitat de Barcelona dins la seva pròpia realització d ensenyament

Eventually, you will no question discover a extra experience and achievement by spending more cash. nevertheless when? reach you agree to that you require to get those every needs taking into account having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will lead you to comprehend even more re the globe, experience, some places, in the same way as history, amusement, and a lot more?

It is your no question own become old to performance reviewing habit. along with guides you could enjoy now is **El Desafio Indigena En Nicaragua El Caso** below.
