The Opera

Fanatic Claudio E. Benzecry, 2011-06-15 Though some dismiss opera as old fashioned it shows no sign of disappearing from the world's stage So why do audiences continue to flock to it Given its association with wealth one might imagine that opera tickets function as a status symbol But while a desire to hobnob with the upper crust might motivate the occasional operagoer for hardcore fans the real answer according to The Opera Fanatic is passion they do it for love Opera lovers are an intense lot Claudio E Benzecry discovers in his look at the fanatics who haunt the legendary Colón Opera House in Buenos Aires a key site for opera's globalization Listening to the fans and their stories Benzecry hears of two hundred mile trips for performances and nightlong camp outs for tickets while others testify to a particular opera's power to move them whether to song or to tears no matter how many times they have seen it before Drawing on his insightful analysis of these acts of love Benzecry proposes new ways of thinking about people's relationship to art and shows how far from merely enhancing aspects of everyday life art allows us to transcend it

Practicing Culture Craig Calhoun,Richard Sennett,2007-08-07 Practicing Culture revitalizes the field of cultural sociology with an emphasis not on abstract theoretical debates but on showing how to put theoretical sources to work in empirical research Each of the chapters in this book offer a provocative empirical case study of how culture works in practice and how practice makes and remakes culture It is an essential tool for students and researchers of cultural theory contemporary social theory and cultural sociology Buenos Aires antes del Centenario 1904-1909 Francis Korn,Silvia Sigal,2012-02-01 Un recorrido con todos los matices por la Buenos Aires del quinquenio anterior al festejo del Centenario La vida cotidiana cultural y pol tica de una poblaci n llena de inmigrantes e hijos de inmigrantes Buenos Aires iba a recibir al Centenario Claro que muchos de sus habitantes no deb an saber muy bien de qu les estaban hablando o qu ten an que festejar No porque fuesen indiferentes ni porque no les importase la historia del lugar sino porque no hac a demasiado tiempo que hab an llegado y sus esfuerzos seguramente estaban concentrados en cuestiones relativas a las nuevas circunstancias c mo acomodarse c mo lograr una vivienda digna y en una mayor a de casos c mo pronunciar y organizar el castellano De ese singular universo que poblaba la ciudad y del divino laberinto de los efectos y las causas que lo crearon algo sabemos Del primero que casi la mitad eran reci n llegados y m s de la mitad de ellos italianos y de los argentinos que una mitad eran hijos de extranjeros De qu pod an enterarse y qu estaban dispuestos a festejar tambi n algo sabemos Muchos festejaban por ejemplo la inauguraci n de la estatua de Garibaldi los mismos u otros llenaban los teatros de pera de sainete y de zarzuela las gradas del hip dromo de Palermo los remates de casas y terrenos y otros y algunos de los mismos se dedicaban a organizar las huelgas o a concurrir masivamente a los entierros de los grandes hombres o a homenajear al autor de Tosca o a Saint Sa ns o al maestro Toscanini o a la Infanta o a Titta Ruffo o a Blasco Ib ez **Nosotros** ,1915 **Atlanta** ,1911 **La República de la Música** Luis de Pablo Hammeken,2018-01-09 El objetivo de este libro no es estudiar la historia de la composici n ni de la producci n de pera en M xico m s bien se trata de explorar las pr cticas las normas y las identidades que se tej an en torno a este espect culo en la Ciudad de M xico de mediados del siglo XIX Y es que seg n sugiere

la multitud de referencias operísticas que salpican toda la producción literaria y periodística del México de la época la pera era mucho más que una forma de entretenimiento era un productor de códigos y significados culturales e incluso políticos compartidos por amplios sectores sociales Y sin embargo es un tema que ha recibido muy poca atención por parte de la historia social y cultural Seguramente se argumenta durante el convulso siglo XIX la pera desempeña un papel central en el proceso de construcción de nociones clave para el imaginario político mexicano tales como nación modernidad y muy particularmente civilización Las distintas representaciones generadas en la época sugieren que la pera era una forma artística asociada más con el progreso que con la tradición más con lo moderno que con lo clásico más con los valores liberales que con los conservadores más con los jóvenes que con los viejos más con la burguesía que con cualquier otra clase social Los códigos que normaban el mundo de la pera siempre sujetos a los caprichos de la moda cambiaban con una velocidad vertiginosa y tenían por lo tanto la capacidad de adaptarse a los valores morales y políticos de cada momento histórico Para quienes iban a ver y a hacerse ver en una función operística ésta era una actividad cargada de presente *Historia general del arte en la Argentina: Fines del siglo XIX y comienzos del siglo XX.
