Leningrad Blair A. Ruble, 2023-11-10 Throughout much of this century cities around the world have sought to gain control over their urban destinies through concerted government action Nowhere has this process of state intervention gone further than in the Soviet Union This volume explores the ways in which local and regional political economic and cultural leaders in Leningrad determine the physical and socioeconomic contours of their city and region within such a centralized economic and political environment The author examines four major policy initiatives that have emerged in Leningrad since the 1950s physical planning innovations integrated scientific production associations vocational education reform and socioeconomic planning and that have been anchored in attempts to plan and manage metropolitan Leningrad Each initiative illuminates the bureaucratic and political strategies employed to obtain economic objectives as well as the bureaucratic patterns which distinguish market and non market experiences The boundaries for autonomous action by local Soviet politicians planners and managers emerge through this inquiry This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1990 **Human Ecology** Mary A. Vance, 1987

Soviet Critical Design Tom Cubbin, 2018-12-13 Soviet Critical Design is the first book to explore the socialist design practice of artistic projecteering which was developed by the USSR's Senezh Experimental Studio in the 1960s Tom Cubbin examines the studio as a site for the development of the design discipline in the optimistic environment of the 1960s Soviet Thaw He also explores how designers adapted to the fast changing Soviet Union of the 1970s and 1980s considering their approach to critical projects highlighting the Soviet state's treatment of citizens urban heritage and public spaces Drawing on previously unpublished visual material from private archives and also extensive interviews this book presents a new history of the late socialist period in the USSR which gives insight into the creative strategies of designers who engaged their practice as a contribution to broader discussions on alternative models for socialist existence Cubbin shows how artistic projecteering must be read as a utopian activity which privileged the political and ideological over the functional *Soviet Studies in Philosophy*, 1986 Freedom's Ordeal Peter Juviler, 2010-11-24 Fifteen countries have emerged from the collapse of the Soviet Union Freedom's Ordeal recounts the struggles of these newly independent nations to achieve freedom and to establish support for fundamental human rights Although history has shown that states emerging from collapsed empires rarely achieve full democracy in their first try Peter Juviler analyzes these successor states as crucial and not always unpromising tests of democracy's viability in postcommunist countries Taking into account the particularly difficult legacies of Soviet communism Freedom's Ordeal is distinguished by its careful tracing of the historical background with special attention to human rights before during and after communism Juviler suggests that the culture and practices of despotism

may wither wherever modernization conflicts with tyranny and with the curtailment or denial of democratic rights and freedoms Soviet Sociology ,1990 **The Contemporary Soviet City** Henry W. Morton,Robert C. Stuart,2017-07-05

This anthology of short stories reflects the writers shared core experience of Korea s trajectory from an inward looking feudal state through Japanese colony and battle ground for the Korean War to a modernizing society Three stories have been added to the original edition *The Soviet Review* ,1991 **A Scholars' Guide to Humanities and Social Sciences in the Soviet Union** Blair A. Ruble,Mark H. Teeter,1985 **Voices from the Soviet Edge** Jeff Sahadeo,2019-06-15 Jeff Sahadeo reveals the complex and fascinating stories of migrant populations in Leningrad and Moscow Voices from the Soviet Edge focuses on the hundreds of thousands of Uzbeks Tajiks Georgians Azerbaijanis and others who arrived toward the end of the Soviet era seeking opportunity at the privileged heart of the USSR Through the extensive oral histories Sahadeo has collected he shows how the energy of these migrants denigrated as Blacks by some Russians transformed their families lives and created inter republican networks altering society and community in both the center and the periphery of life in the two capitals Voices from the Soviet Edge connects Leningrad and Moscow to transnational trends of core periphery movement and marks them as global cities In examining Soviet concepts such as friendship of peoples alongside ethnic and national differences Sahadeo shows how those ideas became racialized but could also be deployed to advance migrant aspirations He exposes the Brezhnev era as a time of dynamism and opportunity and Leningrad and Moscow not as isolated outposts of privilege but at the heart of any number of systems that linked the disparate regions of the USSR into a whole In the 1980s as the Soviet Union crumbled migration increased These later migrants were the forbears of contemporary Muslims from former Soviet spaces who now confront significant discrimination in European Russia As Sahadeo demonstrates the two cities benefited from 1980s migration but also became communities where racism and exclusion coexisted with citizenship and Soviet identity **Sociological Research** ,1995 A World Bibliography of Geographical Bibliographies Takashi Okuno,1992 **The Soviet Union** Peter Waldron,2018-01-18 The Soviet Union was one of the most significant historical phenomena of the twentieth century This volume brings together key articles that analyse its birth in the 1917 revolution the development of Stalin s tyranny and Soviet decline from the 1960s onwards The collection includes scholarship of the highest quality that illuminates this key episode in the history of both Europe and the wider world Canadian Slavonic Papers ,1982 **Ecology & Perestroika** Eric Green,1990 **Research Paper** ,1975 **The Impact of World War II on the Soviet Union** Susan J. Linz,1985 Anyone with an interest in Soviet history politics economics or society will find this collection instructive SLAVIC STUDIES Television and Nuclear Power Mallory Wober,1992 This book is about how television may have helped its audience to know about nuclear fission The contributors examine how television has tried to bring its viewers to consider something of the realities of nuclear war and how television news and current affairs or in depth analysis programs have tried to get across a grasp of some of the consequences of nuclear power The studies contained in

this volume will contribute to the body of knowledge about television and nuclear power and present a wide survey and bring the reader to the position where it is clear to see what the tasks of information systems such as television should be

Bibliographie Mensuelle United Nations Library (Geneva, Switzerland),1990 *Leninism, Pluralism, and International Cooperation* Robert Glendy Darst,1994

If you ally infatuation such a referred **Ekologiia Goroda** ebook that will offer you worth, acquire the utterly best seller from us currently from several preferred authors.
