Samuel Bronston's El Cid, 1961 An illustrated souvenir book for the 1961 epic movie El Cid starring Charlton Heston and Sophia Loren **El Cid** Nora Berend, 2025-01-07 Exploring the creation of the El Cid legend over the centuries this masterful and evocative biography peels away the layers of myth to reveal the real life historical figure El Cid was perhaps the most famous warrior involved in the indiscriminate fighting irrespective of religion on the Iberian Peninsula during the eleventh century In the centuries after his death he was transformed into a perfect Christian knight In modernity he was seen as the incarnation of Spain's special national character Franco chose El Cid as the emblem of Nationalist Spain Yet not only those on the political right but many others including academics and those on the political left were in his thrall He has been promoted both as the forerunner of white supremacists and of multiculturalism How can we explain such a stupendous afterlife and how can El Cid be a hero for so many different people To begin to understand that we must try to understand the truth buried beneath the myth Nora Berend explores the creation of the legends over the centuries and reveals those active in its making Medieval monks the women in El Cid's family a playwright and a historian are among the creators of the mythic Cid This riveting narrative seeks to explain their motives and in so doing peels away the layers of legend to evoke the real life historical figure **Kid Beowulf: The Rise of El Cid** Alexis E.
