Picturing Argentina: Myths, Movies, and the Peronist Vision Currie K. Thompson,2014-05-28 Although Juan Domingo Perón's central role in Argentine history and the need for an unbiased assessment of his impact on his nation's cinema are beyond dispute the existing scholarship on the subject is limited In recent decades Argentina has witnessed a revival of serious film study some of which has focused on the nation's classical movies and in one case on Peronism None of this work has been translated into English however This is the first English language book that offers an extensive assessment of Argentine cinema during first Peronism It is also the first study in any language that concentrates systematically on the evolution of social attitudes reflected in Argentine movies throughout those years and that assesses the period's impact on subsequent filmmaking activity By analyzing popular Argentine movies from this time through the prism of myth second order communication systems that present historically developed customs and attitudes as natural the book traces the filmic construction of gender criminality race the family sports and the military It identifies in movies the development and evolution of mindsets and attitudes that may be construed as Peronist By framing its consideration of films from the Perón years in the context of earlier and later ones it demonstrates that this period accelerates and sometimes registers backward looking responses to earlier progressive mythic shifts and it traces the development in the 1950s of a critical mindset that comes to fruition in the new cinema of the 1960s Picturing Argentina Myths Movies and the Peronist Vision is an important book for Latin American studies film studies and history collections The Corpus Delicti Josefina Ludmer,2004-06-20 An intellectual tour de force from one of today's leading critics of Latin American literature and culture

The Corpus Delicti The Body of Crime is a manual of crime a compendium of crime tales and an extended meditation on the central role of crime in literature in life and in the life of the nation Drawing her examples from canonical texts popular novels newspaper serials and more Josefina Ludmer captures the wide range of Argentine crime stories and detective fiction from the late nineteenth and early twentieth centuries She offers more than a mere genre study examining the relationship of crime and punishment to the formation of law the body and the modern state exposing the ways in which literature both high art and mass culture can help construct not just represent social reality Covering a dazzling array of primary sources social history and cultural theory this provocative work is also a structural masterpiece challenging readers as it charts new roles for text and notes In this redefined dialogue the notes variously offer alternate views additional insights and often parallel commentaries Glen Close s stylish translation captures the energy of Ludmer s prose simultaneously subtle and daring for English language readers

El cuerpo del delito Josefina Ludmer, Prólogo de Alan Pauls, 2021-12-01 Josefina Ludmer relee con una mirada atenta a la historia y la política los textos de la literatura argentina a partir del delito El delito sostiene siguiendo a Marx y Freud está en todos los campos y por ello es un instrumento crítico ideal una frontera móvil y cambiante que no solo sirve para separar la cultura de la no cultura sino también para articular

diferentes zonas como el Estado la política los sujetos la literatura Ludmer combina de manera audaz fragmentos de diversas ficciones de Holmberg Lugones Quiroga Soiza Reilly Bianco Mujica Linez Arlt Borges Puig Aira entre otros para conformar el cuerpo del delito cuentos de mujeres judíos héroes populares genios artistas sujetos excluidos en su momento de la conformación del imaginario nacional y por eso mismo protagonistas en la literatura del delito Aparecen así series geneológicas redes historias y personajes de todo tipo que iluminan esa zona entre el canon y los márgenes así como los procesos de construcción de identidad en la cultura nacional desde la fundación del Estado a fines del siglo xix hasta fines del siglo xx Publicado por primera vez en 1999 El cuerpo del delito es hoy una referencia ineludible para la crítica literaria Una obra monumental que además ofrece un recorrido tan lúdico como personal por la vasta bibliografía de la literatura argentina

Más allá del pueblo Gonzalo Aguilar, 2024-10-01 El auge y la proliferación de los biopics los reality shows las home movies y los documentales e historias de vida parecen indicar un predominio de los relatos vitales por sobre los ficcionales La cantidad de películas que exhiben el nexo con lo viviente crece y se nos impone A partir de una lectura del cine como un arte de los indicios Gonzalo Aguilar propone que el retorno de lo real uno de los sintagmas más utilizados por la crítica en los últimos años no se alía a un retorno del realismo sino un enlace cada vez más fuerte entre imagen y vida Reflexiones teóricas relecturas de filmes o balances del estado del cine los ensayos reunidos en Más allá del pueblo Imágenes indicios y políticas del cine están atravesados por las mismas preguntas De qué modo el cine interviene en la producción de lo real Cómo opera la imagen cuando el pueblo ya no es más la instancia homogeneizadora de lo político Aguilar discute con Gilles Deleuze y Serge Daney reflexiona sobre el documental la dictadura argentina el terrorismo de Estado y los desaparecidos interroga la relación entre el cine argentino lo popular y lo político y explora el cosmopolitismo limítrofe de Japón a Estados Unidos En estas excepcionales y políticas incursiones en el cine el autor sostiene La apertura actual de la imagen cinematográfica a la vida es la otra cara de la pregunta sobre el retorno de lo real cada vez es más necesario que los asedios a las imágenes cinematográficas o no ya no sean sobre la construcción o la voluntad de arte sino sobre sus modos de imprimir su huella en el flujo de la vida

La luz de un fósforo Javier Torre, 2025-07-21 Después del singular suceso de su anterior novela La gloria Corregidor Javier Torre vuelve a acercarnos a episodios entrañables protagonizados por el director de cine y poeta Leopoldo Torres Ros y su nieto inesperado testigo de sus últimos días y de su doloroso final Actrices de una belleza inusitada críticos de fuste sabios galanes adorados por el público productores y directores de los míticos inicios de nuestro cine cartas que llegan desde los hoteles más suntuosos de Europa críticas de filmaciones y de estrenos amores secretos y rupturas inesperadas dan marco a estas páginas que atrapan al lector La luz de un fósforo es una novela profundamente evocadora y auténtica que captura la esencia de las hermosas historias del cine nacional argentino ahora silenciadas Esta obra con su vitalidad y autenticidad rinde homenaje al legado cinematográfico de la nación transportándonos a través de sus páginas a un tiempo en que el cine era una ventana abierta a los sueños y realidades de la sociedad Sin duda una lectura indispensable para quienes
