Unlearning Charles L. Briggs,2021-05-03 A provocative theoretical synthesis by renowned folklorist and anthropologist Charles L Briggs Unlearning questions intellectual foundations and charts new paths forward Briggs argues through an expansive look back at his own influential works as well as critical readings of the field that scholars can disrupt existing social and discourse theories across disciplines when they collaborate with theorists whose insights are not constrained by the bounds of scholarship Eschewing narrow Eurocentric modes of explanation and research foci Briggs brings together colonialism health media and psychoanalysis to rethink classic work on poetics and performance that revolutionized linguistic anthropology folkloristics media studies communication and other fields Beginning with a candid memoir that credits the mentors whose disconcerting insights prompted him to upend existing scholarly approaches Briggs combines his childhood experiences in New Mexico with his work in graduate school his ethnography in Venezuela working with Indigenous peoples and his contemporary work which is heavily weighted in medical folklore Unlearning offers students emerging scholars and veteran researchers alike a guide for turning ethnographic objects into provocations for transforming time worn theories and objects of analysis into sources of scholarly creativity deep personal engagement and efforts to confront unconscionable racial inequities It will be of significant interest to folklorists anthropologists and social theorists and will stimulate conversations across these disciplines

A Theory of Cultural Heritage Salvador Munoz-Vinas,2023-06-07 A Theory of Cultural Heritage provides a structured and comprehensive picture of the concept of cultural heritage CH and its theoretical and practical derivatives Arguing that the expanded notion of CH brings with it a number of unresolved conceptual tensions Mu oz Vi as summarizes the strong and weak points of the current discourse Gathering together a range of existing views on cultural heritage and its practices the book provides a dynamic overview of the theoretical underpinnings behind the notion and also considers how these could evolve in the future By analyzing the conflicting meanings of the term cultural heritage and establishing a more nuanced ontological taxonomy this book challenges some well established views and outlines a framework that will allow the reader to better grasp the theoretical and practical complexities of this fascinating notion A Theory of Cultural Heritage is a thought provoking and valuable contribution to the existing literature written in an engaging clear style that will make it accessible to academics students and heritage professionals alike

Emotional Heritage Laurajane Smith,2020-07-20 Emotional Heritage brings the issues of affect and power in the theorisation of heritage to the fore whilst also highlighting the affective and political consequences of heritage making Drawing on interviews with visitors to museums and heritage sites in the United States Australia and England Smith argues that obtaining insights into how visitors use such sites enables us to understand the

impact and consequences of professional heritage and museological practices The concept of registers of engagement is introduced to assess variations in how visitors use museums and sites that address national or dissonant histories and the political consequences of their use Visitors are revealed as agents in the roles cultural institutions play in maintaining or challenging the political and social status quo Heritage is Smith argues about people and their social situatedness and the meaning they alongside or in concert with cultural institutions make and mobilise to help them address social problems and expressions of identity and sense of place in and for the present Academics students and practitioners interested in theories of power and affect in museums and heritage sites will find Emotional Heritage to be an invaluable resource Helping professionals to understand the potential impact of their practice the book also provides insights into the role visitors play in the interplay between heritage and politics
