**Since World War II** David A. Hollinger, 2006-04-14 Publisher description      [A Silent Minority](#) Susan Plann, 1997-01-01 This book provides very important evidence that changes in institutional attitudes toward manual language can be traced to broader changes in the accepted conceptions of the nature of language It will prove to be a milestone in the developing discipline of deaf history Harlan Lane author of *The Mask of Benevolence*      [Greatness Engendered](#) Alison Booth, 2018-03-15 The egotism that fuels the desire for greatness has been associated exclusively with men according to one feminist view yet many women cannot suppress the need to strive for greatness In this forceful and compelling book Alison Booth traces through the novels essays and other writings of George Eliot and Virginia Woolf radically conflicting attitudes on the part of each toward the possibility of feminine greatness Examining the achievements of Eliot and Woolf in their social contexts she provides a challenging model of feminist historical criticism      **Biography** Carl Rollyson, 2016-06-28 This is the only comprehensive annotated bibliography of writing about biography Rollyson a biographer and scholar of biography includes chapters on the history of biography beginning in the Greco Roman period and concluding with biographers such as Leon Edel and Richard Ellmann Ample sections on psychobiography the new feminist biography and on biographers who appear in works of fiction are also included Cited in many recent books on the genre of biography *Biography An Annotated Bibliography* is an essential research tool as well as a clearly written work for those wishing to browse through the commentary on this important genre      **A Time to Stir** Paul Cronin, 2018-01-09 For seven days in April 1968 students occupied five buildings on the campus of Columbia University to protest a planned gymnasium in a nearby Harlem park links between the university and the Vietnam War and what they saw as the university's unresponsive attitude toward their concerns Exhilarating to some and deeply troubling to others the student protests paralyzed the university grabbed the world's attention and inspired other uprisings Fifty years after the events *A Time to Stir* captures the reflections of those who participated in and witnessed the Columbia rebellion With more than sixty essays from members of the Columbia chapter of Students for a Democratic Society the Students Afro American Society faculty undergraduates who opposed the protests outside agitators and members of the New York Police Department *A Time to Stir* sheds light on the politics passions and ideals of the 1960s Moving beyond accounts from the student movement's white leadership this book presents the perspectives of black students who were grappling with their uneasy integration into a supposedly liberal campus as well as the views of women who began to question their second class status within the protest movement and society at large *A Time to Stir* also speaks to the complicated legacy of the uprising For many the events at Columbia inspired a lifelong dedication to social causes while for others they signaled the beginning of the chaos that would soon engulf the left Taken together these reflections present a nuanced and moving portrait that reflects the sense of possibility and excess that characterized the

1960s     **The Descent of Ideas** Donald R. Kelley, 2017-09-29 The history of ideas better known these days as intellectual history is a flourishing field of study which has been the object of much controversy but hardly any historical exploration This major new work from Donald R Kelley is the first comprehensive history of intellectual history tracing the study of the history of thought from ancient medieval and early modern times its emergence as the history of ideas in the 18th century and its subsequent expansion The point of departure for this study is the perspective opened up by Victor Cousin in the early 19th century on Eclecticism and its association with the history of philosophy established by Renaissance scholars Kelley considers a broad range of topics including the rivalry between ideas and language the rise of cultural history the contributions of certain 19th and 20th century practitioners of the history of ideas in interdisciplinary areas of philosophy literature and the sciences and finally the current state of intellectual history The central theme of the book is the interplay between the canon of philosophical thought and the tradition of language and textual study the divergence of the latter marking the descent of ideas into the realm of cultural history     *French Medical Culture in the Nineteenth Century*, 2020-01-29 The eleven essays in this volume illustrate the richness complexity and diversity of French medical culture in the nineteenth century a period that witnessed the medicalization of French society Medical themes permeated contemporary culture and politics and medical discourse infused many levels of French society from the bastions of science the medical faculties and research institutions to novels the theater and the daily lives of citizens as patients The contributors to this volume all established scholars in the history of medicine present the French medical experience from the point of view of both practitioners and patients and show how medical themes colored popular perceptions and shaped public policies Topics addressed range from popular medicine to elite Parisian medicine the interaction of literary and medical discourse social theater medical research and practice medical specialization and education The essays reflect current trends of medico historical analysis which emphasize the centrality of class race and gender in understanding concepts of disease and the practice of medicine They show how the medical experience of patients practitioners students and researchers varied according to social class gender and geography and the importance of these factors for the construction of disease

**Wagner in Retrospect**, 2023-12-18     **Regenerating the Novel** James J. Miracky, 2013-09-13 In this exploration of the most innovative and iconoclastic modernist fiction James J Miracky studies the ways in which cultural forces and discourses of gender inflect the practice and theory of four British novelists Virginia Woolf E M Forster May Sinclair and D H Lawrence Building on analyses of gender theory and formal innovation in Virginia Woolf s novels this book examines Forster s queered use of fantasy Sinclair s representation of manly genius in both male and female streams of consciousness and Lawrence s quest for the novel of phallic consciousness Reading each author s fiction alongside his or her theoretical writing Miracky provides four diverse examples of how literary modernism wrestled with the gender crisis of the early twentieth century

**The French Generation of 1820** Alan Barrie Spitzer, 2014-07-14 Alan Spitzer approaches the history of the French

Restoration by examining the experience of a particular age group born between 1792 and 1803 the generation of 1820 A predominantly male middle class educated minority of this group was perceived as representing all that was most promising and specifically youthful in the period Their response to the pressures of transition was expressed in the fractious behavior of the youth of the schools and in voluntary associations masonic lodges conspiratorial cells and influential journals which depended on a dense network of personal relationships Professor Spitzer portrays these connections in a set of sociograms using new techniques for the visual representation of social networks Originally published in 1987 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

*Rites of Spring* Modris Eksteins, 2012-03-13 Named One of the 100 best books ever published in Canada The Literary Review of Canada *Rites of Spring* is a brilliant and captivating work of cultural history from the internationally acclaimed scholar and writer Modris Eksteins Dazzling in its originality witty and perceptive in unearthing patterns of behavior that history has erased *Rites of Spring* probes the origins the impact and the aftermath of World War I from the premiere of Stravinsky's ballet *Le Sacre du Printemps* in 1913 to the death of Hitler in 1945 The Great War Eksteins writes was the psychological turning point for modernism as a whole The urge to create and the urge to destroy had changed places In this extraordinary book Eksteins goes on to chart the seismic shifts in human consciousness brought about by this great cataclysm through the lives and words of ordinary people works of literature and such events as Lindbergh's transatlantic flight and the publication of the first modern bestseller *All Quiet on the Western Front* *Rites of Spring* is a remarkable and rare work a cultural history that redefines the way we look at our past and toward our future

[Music and Ultra-modernism in France](#) Barbara L. Kelly, 2013 Exploring the ideas of consensus resistance and rupture this book contributes an important and nuanced reflection to the current debate on modernism in music *Music and Ultra Modernism in France* examines the priorities of three generational groupings the pre war Socié t Musicale Indépendante of Ravel and his circle Les Six in the 1920s and Jeune France in 1936 Exploring the ideas of consensus resistance and rupture the book

contributes an important and nuanced reflection to the current debate on modernism in music. It considers the roles composers, critics and biographers played in shaping debates about contemporary music, showing how composers including Ravel, Poulenc, Milhaud, Jolivet and Messiaen and critics such as Paul Landormy, Andr   Coeuroy and Roland Manuel often worked in partnership to bring their ideas to a public forum. It also expands the notion of interwar through the essential inclusion of World War I and the years before reconfiguring the narrative for that period. This book challenges some of the stereotypes that characterise the period in particular neo-classicism and the dominance of secularism. It shows how Stravinsky worked closely with Ravel, Satie and Poulenc and invited audiences and critics to rethink what it meant to be modern. The interwar years were also marked by commemoration and loss. Debussy's wartime death in 1918 stimulated competing efforts by Emile Vuillermoz, L. on Vallas and Henry Pruni  res to shape his legacy. They were motivated by nostalgia for a lost and glorious generation and a commitment to building a legacy of French achievement. *Music and Ultra Modernism in France* argues for the vitality of French music in the period 1913-39 and challenges the received view that the period and its musical culture lacked dynamism, innovation or serious musical debate.

Fortunes of History Donald R. Kelley, 2008-10-01 In *Fortunes of History* Donald R. Kelley offers an authoritative examination of historical writing during the long nineteenth century, the years from the French Revolution to those just after the First World War. He provides a comprehensive analysis of the theories and practices of British, French, German, Italian and American schools of historical thought, their principal figures and their distinctive methods and self-understandings. Kelley treats the modern traditions of European world and national historiography from the Enlightenment to the new histories of the twentieth century, attending not only to major authors and schools but also to methods, scholarship, criticisms, controversies, ideological questions and relations to other disciplines.

Reinventing Womanhood Carolyn G. Heilbrun, 1979 Carolyn Heilbrun's important investigation into issues of identity for twentieth-century American women, the problem with past role models, ways to construct new ones.

**Routledge Library Editions: 19th Century Religion** Various Authors, 2021-07-09 Reissuing works originally published between 1973 and 1997, Routledge Library Editions: 19th Century Religion, 18 volumes, offers a selection of scholarship covering historical developments in religious thinking. Topics include the origin of Catholicism in America, sexual liberation and religion in Europe and the emergence of Atheism in Victorian England. This set also includes collections of sermons and essays from some of the most influential preachers of the nineteenth century.

The Musical Language of Berlioz Julian Rushton, 1983-11-24 This book is an analytical and critical study of Berlioz's unique musical style. It does not undertake to analyse all his works but rather to separate characteristic elements and observe them in action. Berlioz's writings and those of his critics are called upon to help focus the discussion. Part I includes material on the sources of Berlioz's idiosyncrasy and a discussion of fundamental pitch elements. Part II pursues this discussion into textural, contrapuntal and orchestral features and considers melody and rhythm. Part III deals with whole

musical forms vocal and instrumental The book includes copious musical illustration much of it analytical reduction and the expressive purpose of the features analysed is fully considered The conclusion is that Berlioz's musical language is inescapably peculiar though not necessarily inept features which seem inexplicable in the light of compositional theory nearly always contribute to the musical and expressive exactness of communication      **Aspects of Aristocracy** David

Cannadine, Professor of History and Director of the Institute of Historical Research David Cannadine, 1994-01-01 He reconstructs the extraordinary financial history of the dukes of Devonshire narrates the story of the Cozens Hardys a Norfolk family who played a remarkably varied part in the life of their county and offers a controversial reappraisal of the forebears lives work and personalities of Harold Nicolson and Vita Sackville West a portrait notes Cannadine of more than a marriage
