From Rage To Reason Janet Langhart Cohen, 2005-03 An African American Democrat married to William Cohen the white Republican former U S Secretary of Defense the author transcended childhood poverty to become a respected journalist and the wildly popular First Lady of the Pentagon In this candid autobiography Cohen writes with soul and rage love and pride about the remarkable life she s lived the hard lessons she s learned and the America that has come of age with her *From Rage to Reason* Emily Horowitz, 2023-06-30 Analyzing sex offense laws and false claims this book shows that laws based on vengeance rather than justice or evidence create new forms of harm while failing to address the real and pervasive problem of sexual violence In this timely and extensively researched book sociologist Emily Horowitz shows how current sex offense policies in the United States create new forms of harm and prevent those who have caused harm from the process of constructive repentance or contributing to society after punishment Horowitz also illustrates the failure of criminal justice responses to social problems Sharing detailed narratives from the experiences of those on registries and their loved ones Horowitz reveals the social impact and cycle of violence that results from dehumanizing and banishing those who have already been held accountable *From Rage to Reason* offers a new perspective on how and why false claims about sex offenses became so pervasive and how these myths fostered ineffective policies that have little to do with the reality of most sexual abuse It argues that to truly prevent sexual abuse we must unearth the sources of these misunderstandings debunk these claims in a systematic way and have frank and genuine discussions about the limits of legal responses to complex social problems **Poetical Quotations from Chaucer to Tennyson** Samuel Austin Allibone, 1878 **From Rage to Reason** Franklin Learning Systems (From Rage too Reason.), 2000 **Chertsey Worthies Library**, 1878 *The Complete Works ...* John Davies (of Hereford.), 1878 *Prose* Nicholas Breton, 1879 **World Order**, 2002 **We Are the Crisis of Capital** John Holloway, 2019-04-01 *We Are the Crisis of Capital* collects articles and excerpts written by radical academic theorist and activist John Holloway over a period of forty years This collection asks Is there a way out How do we break capital a form of social organisation that dehumanises us and threatens to annihilate us completely How do we create a world based on the mutual recognition of human dignity Holloway s work answers loudly By screaming NO By thinking from our own anger and creativity By trying to recover the we buried under the categories of capitalist thought By opening those categories and discovering the antagonism they conceal and by discovering that behind the concepts of money state capital crisis and so on there moves our resistance and rebellion An approach sometimes referred to as Open Marxism it is an attempt to rethink Marxism as daily struggle The articles move forward influenced by the German state derivation debates of the 1970s by the CSE debates in Britain and the group around the Edinburgh journal *Common Sense* and then moving on to Mexico and the wonderful stimulus of the Zapatista uprising and now the continuing whirl of discussion with colleagues and students in the Posgrado de Sociologia of the Benemrita Universidad Autonoma de Puebla Records & Briefs New York
