The Moral and Political Works ... To which is Prefixed the Author's Life, Extracted from that Said to be Written by Himself ... Illustrated by the Editor Thomas Hobbes, 1750

The Complete Works of C. H. Spurgeon, Volume 23 Charles H. Spurgeon, Volume 23 Sermons 1331-1390 Charles Spurgeon 19 June 1834-31 January 1892 is one of the church's most famous preachers and Christianity's foremost prolific writers Called the Prince of Preachers he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns

and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in *Old and New London* Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon *Sin and Salvation* Gregory M. Doublas,2011-11 God inspired and based on Scripture the purpose of this new book is to help awaken us all from the spiritual slumber so that by the Grace of God our eyes and ears may open to the truth about the unbearable burden of hell and the urgent need to get spiritually ready because the Second Coming of the Lord Jesus is near It is brief and up to the point and is filled with the Word of God which is able to change a man s heart like someone who may have fallen away from the truth or someone who is in a state of spiritual lukewarmness or someone who has never believed in the Lord Jesus Consider getting this book for you your family members relatives and friends The Bible tell us in Luke 15 10 that there is joy in the presence of the angels of God over one sinner that repents *The Four-fold Gospel* Albert B. Simpson,1925 *The Making of a Battle Royal* Jeffrey Paul Straub,2018-04-17 American Baptists emerged from the Civil War as a divided group Slavery landmarkism and other issues sundered Baptists into regional clusters who held more or less to the same larger doctrinal sentiments As the century progressed influences from Europe further altered the landscape A new way to view the Bible more human less divine began to shape Baptist thought Moreover Darwinian evolutionism altered the way religion was studied Religion like humanity itself was progressing Conservative Baptists proto fundamentalists objected to these alterations Baptist bodies had a new enemy theological liberalism The schools were at the center of the story in the earliest days as professors many of

whom studied abroad returned to the United States with progressive ideas that were passed on to their students. Soon these ideas were being presented at denominational gatherings or published in denomination papers and books. Baptists agitated over the new views with some professors losing their jobs when they strayed too far from historic Baptist commitments. By 1920 the Northern Baptists in particular broke out into an all-out war over theology that came to be called The Fundamentalist Modernist controversy. This is the fifty-year history behind that controversy.

Sin and Salvation George R. Knight, 2009-01-01. There is no more important topic than God's plan of salvation for a lost world. Sin and Salvation considers the very heart of the message God's work for us, especially at the cross, then broadens to explore His work in us. More than a book on abstract theology, Sin and Salvation not only informs the mind but also guides daily life. It seeks to show the interrelatedness of the components of salvation and explores justification, sanctification, perfection, and sinlessness. Converted from agnosticism to Christianity more than 40 years ago, George R. Knight long wrestled with what it means to be saved, what God can do for us and in us. This book, in many ways, is the result of that personal search, the combination of biblical findings, scholarly studies, and encounters with Christians. Sin and Salvation is an insightful and clear work that will help you better understand God's redemptive plan.

A Puerto Rican Decolonial Theology Teresa Delgado, 2017-09-21. This book explores the themes of identity, suffering, and hope in the stories of Puerto Rican people to surface the anthropology, soteriology, and eschatology of a Puerto Rican decolonial theology. Using an interdisciplinary methodology of dialogue between literature and theology, this study reveals the oppression, resistance, and theological vision of the Puerto Rican community. It demonstrates how Puerto Rican literature and Puerto Rican theology are prophetic voices calling out for the liberation of a suffering people on the island and in the Puerto Rican Diaspora while employing personal Puerto Rican family community stories as an authoritative contextual reference point. This work stands within the continuum of contextual theology and diasporic studies of religion in the United States as well as research in the interdisciplinary field of decolonial and post-colonial studies.
