From Social Worker to Crimefighter Dorothy M. Schulz, 1995-05-23 In the United States women in policing evolved from matrons to policewomen to police officers Today the position of police chief has been achieved by women The changing role of women in this traditionally male dominated field is the subject of this book It weaves together the history of the police and the history of women and highlights a century of change in law enforcement The book also describes how the changing role of women in society affected their role in law enforcement **From Social Worker to Crimefighter** Dorothy M.

Schulz, 1995-05-30 In the United States women in policing evolved from matrons to policewomen to police officers Today the position of police chief has been achieved by women The changing role of women in this traditionally male dominated field is the subject of this book It weaves together the history of the police and the history of women and highlights a century of change in law enforcement The book also describes how the changing role of women in society affected their role in law enforcement **Women Policing across the Globe** Cara Rabe-Hemp, Venessa Garcia, 2019-10-16 Women Policing across

the Globe provides a cross cultural comparison of the integration of women in policing across the globe paying special attention to the unique contributions that women make to the field along with the shared challenges and resistance they face Individual chapters within the book provide students with a snapshot of the status of women in modern police agencies in the countries of the United States Kuwait China the United Kingdom Australia the United Arab Emirates and Taiwan However shared issues and successes of women police in many more countries worldwide are discussed throughout the entire book This book allows students to explore the different origins of entry specialized roles their experiences of resistance and effects of historical events that have shaped the experiences of modern women police from across the world The authors discuss the new gains women are making despite the obstacles they face and ways they are transforming how policing is done every day And finally this book closes with collective issues and successes faced by women police worldwide Women Police in a

Changing Society Mangai Natarajan, 2016-02-11 Offering a fascinating account of the development of women police over the past twenty years this book refers to the author's extended research in India to examine how the Indian experience demonstrates a valuable alternative to the Anglo American model not only for traditional societies but for women police in the West as well With reference to the establishment in 1992 of all women units in Tamil Nadu this unique experiment proved highly successful in enhancing the confidence and professionalism of women officers and ensuring the effectiveness and efficiency of the police At a time when policing is being rethought all over the world not only in traditional societies the Tamil Nadu practice illustrates important lessons for western countries that are finding it increasingly difficult to recruit and retain women officers Natarajan's remarkable book is an important and original contribution to the literature on gendered policing which to date has concentrated almost exclusively on the US and British experience *Female Prisoners, AIDS, and Peer Programs* Kimberly Collica, 2012-09-25 This book highlights a neglected area in the field of rehabilitation of female

offenders with AIDS It provides data to show how women working as HIV peer educators in prison utilize their peer experiences as a transition point for rehabilitation both inside and outside of the penitentiary HIV and prison are inextricably linked and education has proved to be the one constant that mitigates the spread of both HIV and crime Research on female inmates in general is not frequent and this book presents unique qualitative data that includes rich accounts from the women themselves It illustrates the benefits derived by female inmates who work in an HIV prison based peer program while adding to the criminology literature on female patterns of criminality and rehabilitation It provides a greater understanding of how prison programs affect the processes of criminal desistance and behavioral changes for female inmates Women involved in such programming are able to change the criminal trajectory of their life direction contributing to reduced levels of recidivism and institutional disciplinary infractions The implications for these programs is relevant within the broader perspective of women HIV and incarceration
