STUMBLING BLOCKS TO STEPPING STONES

The image features a composite background. In the foreground, a dark, textured brick wall is shown with several bricks missing or broken, creating an opening. Through this opening, a landscape is visible. A person, seen from behind, is walking along a path made of large, flat, light-colored stepping stones. The path leads towards a bright, glowing horizon where the sun is setting or rising, casting a warm, orange light across the sky and the landscape. The sky is filled with soft, orange and yellow clouds. The overall mood is one of journey, transition, and overcoming obstacles.
