From The Housetops Preaching In The Early Church And Today:

From the Housetops Bruce Shields, 2000 Shields looks at the oral nature of biblical texts and early Christian communication to provide a model for preachers today The New Interpreter's® Handbook of Preaching, 2010-11-01 The New Interpreter's Handbook of Preaching is a major reference tool for preaching with articles on every facet of Christian sermon preparation and delivery This resource is both scholarly and practical It focuses on the most distinctive feature and greatest strength of homiletics as a discipline It is rooted in interdisciplinary scholarship and it develops theory geared to practice Its theory arises out of the study of both excellent preaching past and present and actual sermon preparation and composition When theory and practice critique each other it is possible to produce guidelines that assist greater excellence and economy in preaching the gospel Excellence in standards is an area in which homiletics needs to grow and this project will be both a means to encourage and develop it A guiding question throughout will be Will it preach The answers will be offered in the sense that here is something that works well rather than here is something to try Preachers will turn to this resource with the expectation that they will find scholarly treatment of topics brief bibliographies of relevant key books and articles along with practical methodological suggestions for preachers to employ The contributors are homileticians preachers and writers in various disciplines who are committed to the pulpit through practice *Performance in Preaching (Engaging Worship)* Jana Childers, Clayton J. Schmit, 2008-11-01 This volume which launches the Engaging Worship series from Fuller Theological Seminary's Brehm Center for Worship Theology and the Arts offers a unique study of sermon delivery While many books offer advice on how to prepare write and preach a sermon this volume is distinctive in approaching the subject from the perspective of performance The authors who teach at a variety of seminaries and divinity schools across the nation examine how the sermon can bring God's word to life for the congregation In that sense they consider the idea of performance from a wide range of theological artistic and musical viewpoints These thoughtful essays will engage clergy and students with new ways of looking at the art of preaching Evangelism in the Early Church Michael Green, 2023-09-28 Now a modern classic Michael Green's *Evangelism in the Early Church* shows how the first Christians worked to spread the good news to the rest of the world Studying the New Testament and church fathers Green explores the earliest methods motives and strategies of spreading the good news He also considers the obstacles to evangelism using outreach to Gentiles and to Jews as examples of differing contexts for proclamation Thoroughly informed by primary sources this book will help contemporary readers learn from the past and renew their own evangelistic vision **The Reading and Preaching of the Scriptures in the Worship of the Christian Church: The medieval church** Hughes Oliphant Old, 1998 The Reading and Preaching of the Scriptures in the Worship of the Christian Church is a multivolume study by Hughes Oliphant Old that canvasses the history of preaching from the words of Moses at Mount Sinai through modern times In Volume 1 The Biblical Period Old begins his survey by discussing the roots of the Christian ministry of the Word in the worship of Israel He then

examines the preaching of Christ and the Apostles Finally Old looks at the development and practice of Christian preaching in the second and third centuries concluding with the ministry of Origen *American Book Publishing Record* ,2001
