From The Prairies With Hope:

From the Prairies with Hope Jane L. Aberson, University of Regina. Canadian Plains Research Center, 1991 Jane Aberson's newspaper articles document the everyday life of a Dutch immigrant family farming on the prairies six miles from Dauphin Manitoba during the Depression. They were published in Dutch from 1929 to 1966. The articles contain a continuous record except for the war years of the settlement experience of an immigrant family for thirty years. At the age of eighty the author translated into English a particular set of articles covering the years 1929-36. This document contains her letters from this period.
