From The Preachers Heart

Jerome A. Jochem M.S. M.A.

From The Preachers Heart:

From the Preacher's Heart Robert M. McCheyne, 2001-01-20 McCheyne's sermons are sought after because today passion in preaching is often equated with falsity. They bring the ring of Biblical authenticity of a pastor's love for those to whom he is speaking. Here he looks at 10 virgins, the family of Bethany, Mary, Martha, and Lazarus, the Good Shepherd, and the town of Capernaum.

Meditations from a Pastor's Heart Jerome A. Jochem M.S. M.A., 2018-05-24 In this book I would like to share just a very few of the sermon outlines that the Holy Spirit has given me for my church. Perhaps you will find some of the insights and truths outlined in this book to be useful in preaching. Remember that these are sermon outlines and you will need to fill them in with the message that God is giving you for your church, Bible study group, or home group. I am a pastor who has been baptized in the Holy Spirit, and so some of my sermon outlines point to the empowering and gifting that comes with this experience. If you belong to a denomination that does not teach the baptism of the Holy Spirit as an experience independent of salvation, you will still find many of these outlines to be useful as you preach about the basics concerning our Lord Jesus Christ.

More Meditations from a Pastor's Heart Jerome A. Jochem M.S. M.A., 2018-08-10 This is book 2 of my sermon outline series, and as in book 1 I would like to share just a very few of the sermons that the Holy Spirit has given me for my church. These outlines will be of great value to pastors, preachers, teachers, small group leaders, and to anyone who would use them for personal devotions or meditations. I am sure that you will find the insights and truths outlined in this book to be useful in reaching both the church and the unchurched in your community. Remember that these are sermon outlines and you will need to fill them in with the message that God is giving you for your church, Bible study group, or home group.

The Heart of the Preacher Rick Reed, 2019-10-09 You can teach the craft, but you must first form the heart. Many preachers want to preach better, but they don't always know how to go about improving, and most books on preaching focus on the mechanics of the craft. But preaching involves more than the steps from a text to a sermon, because every time a preacher stands up to preach, their character shines through, for better or for worse. In *The Heart of the Preacher*, Rick Reed focuses on the personal heart preparation required before any preacher is ready to preach. He explores issues preachers often wrestle with, like discouragement, insecurity, and pride. He then offers practices to fight these challenges and form a heart that carries the fruit of the Spirit into the pulpit. It takes more than a good speaker to preach; it takes a Spirit-filled person. This book will help you check your heart and cultivate the most important aspect of preaching: your character.

From a Pastor's Heart Millard C. Reed, 2005-04 Essays about ministry church issues. **Preaching to Head and Heart** Thomas R. Swears, 2019-11-26 Preachers have long been faced with two options. On the one hand, they can appeal to their congregations' intellects, teaching them the substance of the faith from the pulpit. On the other, they can seek to stir their hearers' emotions, wooing or warning them with the gospel. Usually, we reserve these two forms of preaching for different tasks or audiences. If you are preaching an evangelistic message to the unchurched, then your preaching style will draw more

heavily on the emotional aspects If you are leading the faithful into a deeper grasp of the Christian message then you will more likely draw on the intellectual components of preaching While most preachers know that the choice between the head and the heart is a false one they often don't know how to bring the two together effectively In this book Thomas Swears offers detailed practical advice on how to preach to both head and heart He shows how both emotions and intellect function any time one tried to convey meaning from the pulpit regardless of the kind of message one is preaching Without abandoning the conventional wisdom on evangelistic vs teaching sermons he nonetheless insists that preaching with integrity in which the Word is truly embodied will always involve the whole person and personality of both the preacher and the congregation
