James Ivory HOLMES,1819     **Selections from the Old Testament** Sarah Austin,1833     *How to Study and Interpret the Holy Bible* Ivan Lane,2023-05-12 Rather than telling you what to think author and expert Ivan Lane teaches you how to define biblical words and cross reference scripture to interpret biblical truth for yourself Mr Lane helps to make readable sense of the Bible by helping you learn how to understand biblical language and symbolic words He does this by using a very

unique method of interpreting the Bible that he calls The Definitive Method You will learn what books to use and how to use them in order to interpret any verse in the Bible in the context in which it was written This book appeals to beginners and advanced students alike because it is written in laymen terms with basic and advanced techniques of interpreting the Bible Mr Lane takes you deep into symbolism so that you can understand the spiritual aspect of the Bible for your edification and spiritual growth Every technique is shown with easy step by step examples for your understanding     **The Expositions On The Psalms Volume 1** St. Augustine of Hippo, In any commentary on a portion of the Old Testament by a writer unacquainted with Hebrew exact criticism and freedom from mistake must not be expected But the Psalms have been so in the mouth and in the heart of God s people in all languages that it has been necessary often to find an explanation suitable to imperfect translations And no doubt it is intended that we should use such explanations for the purpose of edification when we are unable to be more accurate though in proving doctrine it is necessary always to remember and allow for any want of acquaintance with the original or uncertainty with respect to its actual meaning However the main scope and bearing of the text is rarely affected by such points as vary in different translations and the analogy of the faith is sufficient to prevent a Catholic mind from adopting any error in consequence of a text seeming to bear a heterodox meaning Perhaps the errors of translation in the existing versions may have led the Fathers to adopt rules of interpretation ranging too far from the simple and literal but having such translations they could hardly use them otherwise Meanwhile St Augustin will be found to excel in the intense apprehension of those great truths which pervade the whole of Sacred Writ and in the vivid and powerful exposition of what bears upon them It is hardly possible to read his practical and forcible applications of Holy Scripture without feeling those truths by the faith of which we ought to live brought home to the heart in a wonderful manner His was a mind that strove earnestly to solve the great problems of human life and after exhausting the resources and discovering the emptiness of erroneous systems found truth and rest at last in Catholic Christianity in the religion of the Bible as expounded by St Ambrose This is volume one out of two covering the Psalms I through LXXIII     **The Apocalypse Revealed** Emanuel Swedenborg,1836     The Latter-Day Saints' Millennial Star ,1857
