Hanlon, 2021-03-31 Wise Church is about rethinking church cultures so they become more of a wisdom culture The topics vary as widely as church life itself letter writing as pastoral care the work life of congregants evangelism music church economics spiritual formation as the pursuit of wisdom racial justice marriage learning how to teach like Jesus gospeling like the apostles and the wise use of social media These studies are by pastors and scholars pondering wisdom but more than that they are pondering the life we all live in a wise way We and our churches need wisdom not simply because we live in an ever changing world but because the God we worship is himself wise Wise church cultures reflect the wisdom of God back into the world a world looking for wisdom With contributions from Jeff Bannman Jeremy Berg Brandon Evans Pete Goodman David Johnston Ernest F Ledbetter III Julie Murdock Joshua Little John M Phelps Ivan Ramirez Bill D Shiell Letters to Growing Pastors Howard D. Vanderwell, 2018-02-14 All those who enter the pastoral ministry desire to succeed Yet they all find surprisingly that a number of key issues come up for consideration Most pastors find that most of these issues appear during the first ten years of pastoring During those years the pattern is determined which will point to the success or to the development of habits that will reduce effectiveness and produce stumbling In this warm personal from the heart book a long time pastor not only identifies twenty one potentially harmful issues if not handled well but he also provides counsel and direction in how they should be faced and handled Pastors in small rural churches where ministry seems simple and those in suburban churches which are a bee hive of activity as well as those in city parishes with new challenges every day will all find fresh insight here Ministries will be enhanced by learning from these issues that the author identifies All will be grateful for the warnings

Think; Are You Killing Your Pastor?* Ira Gilbert, Many believers who are sheep have put so much on our pastor s shoulders When we neglect our own responsibility as sheep to help shape mold build the Body of Christ as well as to help guide new converts of faith As a pastor I did not have a notion about God s sheep so I began my journey to discover how to shepherd God s sheep Much to my surprise I found many different kinds of sheep faithful and unfruitful sheep gossiping sheep lying sheep sheep who cannot be trained dishonest sheep messy sheep faithful sheep blessed sheep loving sheep and more We have so many different types of sheep of various levels of faith and commitment but there is hope in the Body of Christ Are you blessing to your pastor and leaders Are you a sheep who brings joy or pain This story is one of feelings and how our feelings cannot drive our relationship with God because we have the mind of Christ When we allow our minds to be in control then we are unfruitful to God and will become a tool for the enemy to plant seeds of bitterness Our emotions are true but they are an enemy to your purpose and the Will of God
