The Muslim Speaks Khurram Hussain,2020-10-29

The Muslim Speaks reimagines Islam as a strategy for investigating the modern condition Rather than imagining it as an issue external to a discrete West Khurram Hussain constructs Islam as internal to the elaboration and expansion of the West In doing so he reveals three

discursive traps that of freedom reason and culture that inhibit the availability of Islam as a feasible critical interlocutor in Western deliberations about moral intellectual and political concerns Through close examination of this inhibition Hussain posits that while Islamophobia is clearly a moral wrong depoliticization more accurately describes the problems associated with the lived experience of Muslims in the West and elsewhere Weaving together his conclusions in the hope of a common world Khurram Hussain boldly and quite radically deems that what Islam needs is not depoliticization but infact repoliticization

Reliving Karbala Syed Akbar Hyder,2008-09-01 In 680 C E a small band of the Prophet Muhammads family and their followers led by his grandson Husain rose up in a rebellion against the ruling caliph Yazid The family and its supporters hopelessly outnumbered were massacred at Karbala in modern day Iraq The story of Karbala is the cornerstone of institutionalized devotion and mourning for millions of Shii Muslims Apart from its appeal to the Shii community invocations of Karbala have also come to govern mystical and reformist discourses in the larger Muslim world Indeed Karbala even serves as the archetypal resistance and devotional symbol for many non Muslims Until now though little scholarly attention has been given to the widespread and varied employment of the Karbala event In *Reliving Karbala* Syed Akbar Hyder examines the myriad ways that the Karbala symbol has provided inspiration in South Asia home to the worlds largest Muslim population Rather than a unified reading of Islam Hyder reveals multiple sometimes conflicting understandings of the meaning of Islamic religious symbols like Karbala He ventures beyond traditional scriptural interpretations to discuss the ways in which millions of very human adherents express and practice their beliefs By using a panoramic array of sources including musical performances interviews nationalist drama and other literary forms Hyder traces the evolution of this story from its earliest historical origins to the beginning of the twenty first century Today Karbala serves as a celebration of

martyrdom a source of personal and communal identity and even a tool for political protest and struggle Hyder explores how issues related to gender genre popular culture class and migrancy bear on the cultivation of religious symbols He assesses the manner in which religious language and identities are negotiated across contexts and continents At a time when words like martyrdom jihad and Shiism are being used and misused for political reasons this book provides much needed scholarly redress Through his multifaceted examination of this seminal event in Islamic history Hyder offers an original complex and nuanced view of religious symbols

In Freedom's Shade Anis Qidvā'ī, 2011 Appearing for the first time in English translation *In Freedom's Shade* is Anis Kidwai's moving personal memoir of the first two years of nascent India It is an activist's record that reveals both the architecture of the violence during Partition as well as the efforts of ordinary citizens to bring the cycle of reprisal and retribution to a close Beginning from the murder of her husband in October 1947 with a rare frankness sympathy and depth of insight Anis Kidwai tells the stories of the thousands who were driven away from their homelands in Delhi and its neighbouring areas by eviction or abduction or the threat of forced religious conversion Of historical importance for its account of the activities of the Shanti Dal the recovery of abducted women and the history of Delhi *In Freedom's Shade* also has an equal contemporary relevance In part a delineation of the roots of the afflictions that beset Indian society and in part prophetic about the plagues that were to come Anis Kidwai's testament is an enduring reminder that memory without truth is futile only when it serves the objective of reconciliation does it achieve meaning and significance
